

2.1 Course-by-Course Transfer of Credit Arrangements between Public Post Secondary Institutions

The transfer arrangements in **Section Two** apply to courses or programs taken during this academic year (September 1 to August 31). Credit for courses taken previously is normally governed by the appropriate Transfer Guide for the year in which courses were taken. Students who have interrupted their studies or spread them out over a longer period of time should seek advice from the institution which the student wishes to enter to determine the current status of transfer arrangements. The tables in **Section Two** are to be read from sending to receiving institution only. Transfers are not necessarily two-way, for example:

Sending Institution	Receiving Institution	
College of the North Atlantic	Marine Institute	Memorial University (St. John's/Grenfell Campuses)
Statistics MA1670	Statistics 2107M, Statistics 2108M	Statistics 2500

Here is how this table is read, from sending to receiving:

☞ A student who has successfully completed Statistics MA1670 at College of the North Atlantic will receive credit for Statistics 2107M, Statistics 2108M at Marine Institute or Statistics 2500 at Memorial University.

This does not necessarily mean that:

☞ A student who has successfully completed Statistics 2107M, Statistics 2108M at Marine Institute or Statistics 2500 at Memorial University will receive credit for Statistics MA1670 at College of the North Atlantic.

In order to determine if the reverse is true, go to **Section 2.1.3** where Marine Institute is the sending institution and to **Section 2.1.4** where Memorial University is the sending institution, and look across to see if there is any corresponding credit transfer at College of the North Atlantic (the receiving institution).

Note: The courses listed in the following tables are not necessarily available at all university and college campuses. Please consult the appropriate institutional calendar for more information.
