## ***Introduction***

The Transfer Guide is an annual publication of the Department of Education. This, the fifteenth edition of the guide is for the 2008-2009 academic year. The Transfer Guide was designed as a guidance tool to be used in conjunction with other post-secondary education and training planning resources. The guide lists established transfer of credit precedents available to students in Newfoundland and Labrador.

The arrangements for transfer credit recorded in this Transfer Guide apply to courses or programs taken during the 2008-2009 academic year (September 1, 2008 to August 31, 2009). **Credit for courses taken previously is normally governed by the appropriate Transfer Guide for the year in which courses were taken. Students who have interrupted their studies or spread them out over a longer period of time should seek advice from the institution which the student wishes to enter to determine the current status of transfer arrangements.**

The Transfer Guide is available **ONLINE** through the Department of Education homepage located at [www.edu.gov.nl.ca/edu/](http://www.edu.gov.nl.ca/edu/). The electronic version includes a transfer database enabling students, faculty, administrators, and counselors to conduct a credit transfer search online.

Registrars, guidance counselors, high school teachers, instructors and most importantly students at the secondary and post-secondary levels will find the Transfer Guide to be a timely reference source to inform and assist in matters relating to the transfer of credit from one institution to another within the public post-secondary system. The Transfer Guide should prove to be an important resource for all those involved in post-secondary education and training in this province.

Copies of the 2008-2009 Transfer Guide can be obtained by contacting Registrar/Student Service offices of the public post-secondary institutions or by writing the Department of Education.

Your comments and suggestions for future publications are welcomed. If you have any questions or concerns please feel free to contact the Department of Education at the following address:

## *How to Use the Transfer Guide*

The arrangements for transfer credit recorded in this Transfer Guide apply to courses or programs taken during the 2008-2009 academic year (September 1, 2008 to August 31, 2009). **Credit for courses taken previously is normally governed by the appropriate Transfer Guide for the year in which courses were taken. Students who have interrupted their studies or spread them out over a longer period of time should seek advice from the institution which the student wishes to enter to determine the current status of transfer arrangements.**

**Section 1** provides an overview of the public post-secondary system in the province.

**Section 2** of the Transfer Guide lists credit transfer arrangements on a sending institution basis. Due to the fact that transfer agreements between the public post-secondary institutions are not necessarily two-way, the tables in section 2 are to be read from sending to receiving institution only.

**Example 1:** A student has successfully completed some courses at College of the North Atlantic and wishes to find out if he/she can transfer any of those credits to Memorial University (St. John's/Sir Wilfred Grenfell College campuses). In this case, College of the North Atlantic is the sending institution and Memorial University is the receiving institution.

*Here's how to find out if there are any credit transfer possibilities:*

- ☞ Go to **page 18** where College of the North Atlantic is the sending institution.
- ☞ Look to see if any courses successfully completed are listed in the sending column.
- ☞ If so, go across to where Memorial University (St. John's/Sir Wilfred Grenfell College campuses) is the receiving institution and the corresponding course to which credit transfer is granted.

**Example 2:**

A student has successfully completed some courses at Memorial University (St. John's/Sir Wilfred Grenfell College campuses) and wishes to find out if he/she can transfer any of those credits to College of the North Atlantic. In this case, the university is the sending institution and the College of North Atlantic is the receiving institution.

*Here's how to find out if there are any credit transfer possibilities:*

- ☞ Go to **page 33** where Memorial University (St. John's/Sir Wilfred Grenfell College campuses) is the sending institution.
- ☞ Look to see if courses successfully completed are listed in the sending column.
- ☞ If so, go across to where College of the North Atlantic is the receiving institution and the corresponding course to which credit transfer is granted.
- ☞ For more information refer to **page 17**.

---

**IMPORTANT NOTE:** The courses listed in section 2.1 are not necessarily available at all university and college campuses. Please consult the appropriate institutional calendar for more information.

**Section 3** provides a listing of groups of courses which are transferable as a block to other post-secondary institutions.

**Section 4** provides transfer of credit information for three programs linked to high school: the Advanced Placement (AP) Program, the International Baccalaureate (IB) Program and the Adult Basic Education (ABE) Program.

**Section 5** provides an explanation of terms related to credit transfer.

**Section 6** provides a brief description of the admission requirements and transfer policies of each public post-secondary institution.

It should be noted that:

1. The 2008-2009 Transfer Guide identifies where special transfer agreements exist for similar courses.
2. The Transfer Guide indicates the *minimum* transfer of credit which is available for prior post-secondary educational experience upon admission to another post-secondary institution. Additional transfer of credit may be available on an individual basis.
3. The tables in section 2 are to be read from sending institution to receiving institution only. Transfer agreements are not necessarily two-way.
4. The information in this Transfer Guide is the most recent available at the time of publication. However, due to ongoing negotiations between institutions there may be instances where information is incomplete. Updated information will be provided online at [www.edu.gov.nl.ca/edu/](http://www.edu.gov.nl.ca/edu/). Should questions arise, the user is encouraged to reference institutional calendars and consult with Registrar/Student Service Offices.
5. Transfer is sometimes possible for courses or programs not contained in this Transfer Guide. Such arrangements are generally considered on an individual basis. **Students seeking special consideration are advised to consult the Registrar/Student Service Offices at both the sending and receiving institutions.**
6. Where no entry or a blank space appears in the receiving institution column of the course-by-course tables in section 2 of the guide, this indicates that no formal transfer arrangement or established precedent has been identified between the sending and receiving institution at the time of publication.

***Section 1: Overview of the Public Post-Secondary System***

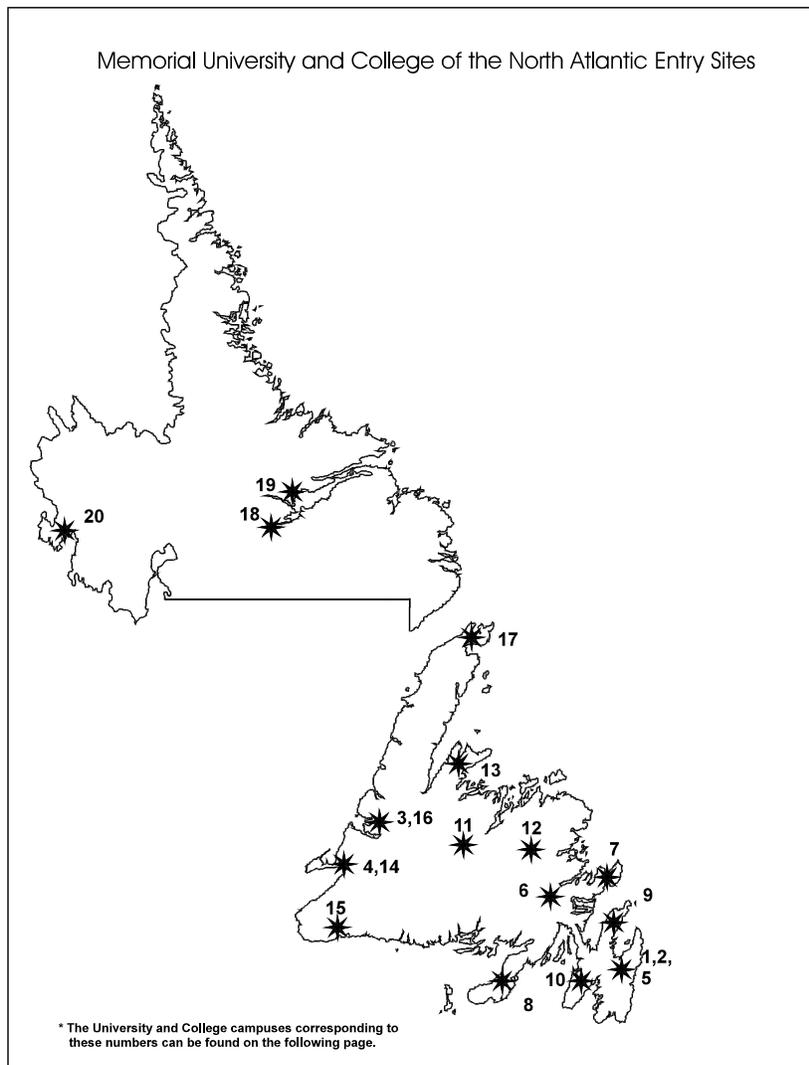

## 1.1 Recommended Points of First Contact

The province's public post-secondary education system includes:

- Memorial University of Newfoundland (MUN) including the Fisheries and Marine Institute; and
- College of the North Atlantic.

Other sectors of the post-secondary education system include:

- Apprenticeship training; and,
- Private training institutions.

## 1.2 College of the North Atlantic

College of the North Atlantic is governed by a single provincial board and administered by a main executive office with campus locations across the province.

The Comprehensive Arts and Science (CAS) Transfer: college-university program (formerly known as the College-University Transfer Year) is a certificate program offered at the Burin, Carbonear, Grand Falls-Windsor, Happy Valley-Goose Bay and Labrador City campuses. The program has been developed through an agreement with Memorial University of Newfoundland. It provides students with the opportunity to complete a suite of courses for which they will gain credit from the college as well as from Memorial University. For more information please refer to **page 26**.

College of the North Atlantic is responsible for delivering educational services throughout the province. These include:

1. two and three-year programs leading to a diploma;
2. one year post-graduate programs leading to an advanced diploma;
3. full-time, occupational courses leading to a certificate;
4. basic literacy and academic upgrading programs (e.g., Adult Basic Education);
5. career enhancement and personal development programs;
6. courses conducted in formal institutional settings, and courses delivered in communities to meet local needs;
7. various skills training programs funded by Service Canada;
8. applied research and technology transfer;
9. courses conducted in partnership with other institutions such as Memorial University, the Marine Institute, community agencies, and the private sector; and,
10. special interest, hobby and craft courses on evening, part-time, or workshop basis.

### 1.3 Memorial University of Newfoundland

Memorial University is the province's only university. It is comprised of the **St. John's campus** and the **Fisheries and Marine Institute** located in St. John's; **Sir Wilfred Grenfell College** located in Corner Brook; a residential campus in **Harlow, England** and the Institute Frecker on the island of **St. Pierre**. Founded in 1925, Memorial University College was established to honour Newfoundland soldiers who died in the First World War. The college became a full-fledged university 24 years later. Today, Memorial University is one of Canada's most prominent centres of research and learning, educating students at the undergraduate and graduate levels.

The university has six faculties and seven schools offering degrees at various levels:

<u>Faculties:</u>	Arts	Engineering and Applied Science
	Business Administration	Medicine
	Education	Science
<u>Schools:</u>	Fine Arts (SWGC)	Pharmacy
	Graduate Studies	Human Kinetics and Recreation
	Music	Social Work
	Nursing	

**Certificate** and **diploma** programs available through the Division of Lifelong Learning in selected areas include the following:

- Business Administration
- Criminology
- Information Technology
- Library Studies
- Newfoundland Studies
- Public Administration

**Memorial's Campuses:**

The **St. John's campus** of Memorial University is the largest of the five campuses where students may pursue studies in six faculties - Arts, Science, Education, Medicine, Engineering and Applied Science and Business Administration - and seven schools - Continuing Education, Nursing, Pharmacy, Human Kinetics and Recreation, Social Work, Music, and Graduate Studies.

The **Fisheries and Marine Institute of Memorial University** offers degree, diploma, certificate and other programs in the areas of Fisheries and Marine Science and Technology, including Canada's only degree program in Maritime Studies.

At **Sir Wilfred Grenfell College**, students can complete four-year degree programs in Arts, Science, Nursing and Fine Arts. The Bachelor of Arts degree is available in Environmental Studies, English, Historical Studies, Humanities, Psychology, Social/Cultural Studies and Tourism Studies and the Bachelor of Arts (Honours) may be completed in Psychology. The Bachelor of Science and Bachelor of Science (Honours) are offered in Environmental Science, General Science and Psychology and the university's four year Bachelor of Nursing degree program is offered in conjunction with Western Regional School of Nursing in Corner Brook. The Bachelor of Fine Arts degree is conferred in Visual Arts and Theatre. Grenfell recently introduced the Bachelor of Education (Primary/Elementary) fast-track option. As well, students may choose to complete the first year of the University of New Brunswick's Forest Resource program at Grenfell. In addition, many degree programs offered at the St. John's campus can be started at Grenfell.

Memorial's campus in **Harlow, England** hosts co-op students in Business and Engineering, and Education students during the professional year of their program. Specialized programs are also offered for students in Nursing, the Humanities and the Social Sciences.

Memorial also has study abroad programs in St. Pierre - Miquelon and Europe, and formal exchange programs with universities in Canada and abroad.

A variety of credit and non-credit courses are available from Memorial using **distance techniques and technology**. For more information on Memorial's **distance education** courses, please contact Distance Education and Learning Technologies (DELT) at (709) 737-8700 or 1-866-435-1396 (outside St. John's).

**Bachelor of Nursing (Collaborative) Program:**

The Bachelor of Nursing (Collaborative) program is designed to prepare nurses who are able to meet the future challenges of nursing practice. This program is being offered at three locations: Memorial University of Newfoundland School of Nursing (St. John's); the Centre for Nursing Studies (St. John's) and Western Regional School of Nursing (Corner Brook). The Centre for Nursing Studies and the Western Regional School of Nursing offer other programs in addition to

the Bachelor of Nursing (Collaborative) program.

For further information please contact:

- [www.mun.ca](http://www.mun.ca)
- E-mail: [admissions@mun.ca](mailto:admissions@mun.ca)
- Phone: (709) 737-4431

## **1.4 Apprenticeship Training**

Apprenticeship training involves on-the-job training under the supervision of a qualified tradesperson, and periods of in-school training to learn the technical knowledge required to become competent in an occupation. The number and the length of on-the-job and in-school technical training periods vary depending upon the occupation. When training in an occupation through the apprenticeship system, the individual becomes an apprentice by having an apprenticeship Memorandum of Understanding registered with the Department of Education's Division of Institutional and Industrial Education. For more information on apprenticeship training please contact the Division of Institutional and Industrial Education at (709) 729-2350, or e-mail: [app@gov.nl.ca](mailto:app@gov.nl.ca).

## **1.5 Private Training Institutions**

A complete list of private training institutions can be obtained by contacting the Advanced Studies Branch of the Department of Education at (709) 729-3026, or on the Department of Education Web site at [www.gov.nl.ca/edu](http://www.gov.nl.ca/edu).

***Section 2: Transfer of Credit Arrangements by Sending Institution***

## 2.1 Course-by-Course Transfer of Credit Arrangements Between Public Post-Secondary Institutions

The transfer arrangements in section 2 apply to courses or programs taken during the 2008-2009 academic year (September 1, 2008 to August 31, 2009). **Credit for courses taken previously is normally governed by the appropriate transfer guide for the year in which courses were taken. Students who have interrupted their studies or spread them out over a longer period of time should seek advice from the institution which the student wishes to enter to determine the current status of transfer arrangements.** The tables in section 2 are to be read from sending to receiving institution **only**. Transfers are not necessarily two-way.

Sending Institution	Receiving Institution	
College of the North Atlantic	Fisheries and Marine Institute of Memorial University	Memorial University (St. John's/Sir Wilfred Grenfell College Campuses)
Communications I CM1400	Communication Skills 1102	Business 2000
Communications II CM1401	Communication Skills 1201	

Here's how this table is read, **from sending to receiving...**

☞ A student who has successfully completed Communications CM1400 **AND** CM1401 at a campus of College of the North Atlantic will receive credit for Communication Skills 1102 **AND** 1201 at the Fisheries and Marine Institute of Memorial University or Business 2000 at Memorial University (St. John's/Sir Wilfred Grenfell College campuses).

This **does not** necessarily mean that...

☞ A student who has successfully completed Communication Skills 1102 **AND** 1201 at the Fisheries and Marine Institute of Memorial University or Business 2000 at Memorial University (St. John's/Sir Wilfred Grenfell College campuses) will receive credit for Communications CM1400 **AND** CM1401 at a campus of College of the North Atlantic.

In order to determine if the reverse is true, you would go to **page 30** where the Fisheries and Marine Institute of Memorial University is the sending institution and to **page 33** where Memorial University (St. John's or Sir Wilfred Grenfell College campuses) is the sending institution, and look across to see if there is any corresponding credit transfer at College of the North Atlantic (the receiving institution). **Note:** The courses listed in the following tables are not necessarily available at all university and college campuses. Please consult the appropriate institutional calendar for more information.

---

These tables are to be read from sending to receiving institution **only**. See example above. Transfers are not necessarily two-way.

### 2.1.1 College of the North Atlantic

## 2.1.2 Comprehensive Arts and Science Transfer: College-University Credit Transfer Agreements

The Comprehensive Arts and Science Transfer: College-University Program (formerly known as the College-University Transfer Year) is a certificate program offered at the Burin, Carbonear, Grand Falls-Windsor, Happy Valley-Goose Bay and Labrador City campuses of College of the North Atlantic. The program has been developed through an agreement with Memorial University of Newfoundland; it provides students with the opportunity to complete a suite of courses for which they will gain credit from College of the North Atlantic as well as from Memorial University.

The following table provides a list of the college courses within the program that are transferable to Memorial University and constitute the equivalent of a first year of university studies. For more information on the program and its courses, please contact College of the North Atlantic at 1-888-982-2268.

Sending Institution		Receiving Institution
College of the North Atlantic	Prerequisite(s) for College Course	Memorial University
<b>Biology</b>		
Biology BL1170	No prerequisite	Biology 1001
Biology BL1171	College Biology BL1170 <b>OR</b> BL 1500 <b>OR</b> MUN Biology 1001	Biology 1002
<b>Chemistry</b>		
Chemistry CH1130	None, but high school Chemistry is recommended. However, mathematical skills will be required, and students with low marks in high school Level III Academic Mathematics (e.g., less than 70%) are strongly recommended to upgrade their math background before doing any Chemistry courses.  Co-requisite: Mathematics course is strongly recommended.	Chemistry 1010
Chemistry CH1131	College Chemistry CH1130 <b>OR</b> MUN Chemistry 1010	Chemistry 1011
Chemistry CH1140	At least 75% in high school Chemistry 3202 and a pass in high school Advanced Mathematics 3205.  Co-requisite: College Mathematics MA1130 (MUN Mathematics 1000) <b>OR</b> MA2100  A Physics course would be helpful especially for students who did not take Physics in high school.	Chemistry 1050

These tables are to be read from sending to receiving institution **only**. See example on page 15. Transfers are not necessarily two-way.

## 2.2 Credit Transfer Involving Other Agencies and Organizations

The following tables provide information on the exemption policies and/or credit transfer arrangements extended to provincial public post-secondary institutions by other agencies and organizations.

### 2.2.1 Department of Education, Institutional and Industrial Education Division, Industrial Training Section

Department of Education's Industrial Training Section is responsible for the registration of apprentices in Newfoundland and Labrador. Course credits will be awarded to apprentices registered in a program offering of a recognized training institution. For more information on apprenticeship training, please contact the Division of Institutional and Industrial Education at (709) 729-2729, or e-mail: [app@gov.nl.ca](mailto:app@gov.nl.ca).

Accounting Theory 1 (AT1)	Business – three unspecified credit hours
Public Sector Financial Management (PF1)	Business 5530
Strategic Financial Management (PA2)	Business – three unspecified credit hours

All students are required to complete Financial Accounting 4 (FA4), Professional Applications 1 (PA1) and two PACE option courses.

The minimum acceptable average for CGA equivalent courses completed at College of the North Atlantic or at Memorial University is 65%.

\* Transfer credit will only be awarded to students with a complete degree or diploma who are receiving transfer credits for all courses in Levels 1 to 3.

C - Challenge examination privilege only. All challenge examinations must be written within one year of enrolling in the CGA program. If the examination is not written or if it is failed, the students must complete the course in its entirety.

The association may deny transfer credits for courses that are deemed to be out of date.

---

These tables are to be read from sending to receiving institution **only**. See example on page 15. Transfers are not necessarily two-way.

### 2.2.3 Certified Management Accountant (CMA) Pre-Professional Program - Exemption Policy

The table below provides an overview of courses in selected provincial public post-secondary institutions which receive exemption from the CMA Pre-Professional program. Upon successful completion of the CMA Pre-Professional program, students are qualified to take the CMA entrance examination which is offered nationally in June of each year. Successful completion of this examination enables students to become candidates in the CMA accreditation program. For further information on the CMA Accreditation program, please contact:

Mr. Mark Bradbury, CMA  
 Executive Director  
 Society of Management Accountants of Newfoundland and Labrador

***Section 3: Program or Block Transfer***

### 3. Program or Block Transfer

For the most part, credit transfer involving public post-secondary institutions in this province occurs on a course-by-course basis. There are, however, program or block transfer arrangements also available to students (see following tables). **For more information consult the appropriate institutional calendar or Registrar/Student Service Offices.**

#### Within the Province

Sending Institution	Receiving Institution
Program or Block	Block of Credit Granted
Three-year Engineering Technology Diploma Program completed at the College of the North Atlantic or Fisheries and Marine Institute with an overall average of 75%.	First year university at Memorial University with eligibility for application to Term 1, Bachelor of Engineering degree program.
Three-year diploma program in Nursing Education - R.N. completed in hospital Schools of Nursing.	Forty-five unspecified credit hours in the Bachelor of Nursing program at Memorial University.
Graduates from MUN holding an appropriate Bachelor of Science Degree.	May be considered for advanced standing to the second year of the Medical Laboratory program at College of the North Atlantic. Limited spaces are available due to severe space restrictions.
A total of six years of training and work experience in an occupational area.	A maximum of thirty credit hours towards the diploma/degree of Bachelor of Education (post secondary) at Memorial University.
Three-year Engineering Technology Diploma program in Naval Architecture or Marine System Design completed at the Fisheries and Marine Institute with an overall average of at least 75%.	May be admitted to a bridging program offered by the Faculty of Engineering and Applied Science at Memorial University and if successful will be promoted to academic term four of the Ocean and Naval Architectural Engineering Degree program.
Completion of a diploma in either Nautical Science or Marine Engineering Technology at the Fisheries and Marine Institute.	Entry into a thirty-nine credit hour Bachelor of Maritime Studies (BMS) degree program at Memorial University.
Three-year Environmental Technology diploma completed at College of the North Atlantic (Corner Brook campus).	Forty-five unspecified credit hours and entry into year two of the Environmental Science, Bachelor of Science degree program offered at Sir Wilfred Grenfell College.
Completion of the two-year diploma in Community Recreation Leadership Program from College of the North Atlantic.	May be admitted with advanced standing to the Bachelor of Recreation (Co-op) degree program at Memorial University.

Sending Institution	Receiving Institution
Program or Block	Block of Credit Granted
<p>Graduates of a three-year accredited diploma from the Fisheries and Marine Institute or College of the North Atlantic in Health Sciences or Engineering Technology or a similar diploma taken from a recognized university/college and acceptable to the admissions committee. Signed articulation agreements are in place with the following institutions: Nova Scotia Community College, New Brunswick Community College (Bathurst, Moncton, St. John), Holland College (PEI), RCC College (ON), Cambrian College (ON), Red River College (MB) and Camosun College (BC).</p>	<p>Entry into a thirty-nine credit hour Bachelor of Technology degree program at Memorial University.</p>
<p>Graduates of a three-year Business Management diploma program from College of the North Atlantic.</p>	<p>May be considered for admission to term three of the Bachelor of Commerce (Cooperative) program at Memorial University may be considered for admission directly into the Bachelor of Business Administration or the Bachelor of Commerce (non-Cooperative) program. If admitted, they will be required to complete a <u>minimum</u> of forty-five credit hours beyond those used towards their college diploma.</p>
<p>Two-year Adventure Tourism diploma program completed at College of the North Atlantic (or who are in their final semester of the program).</p>	<p>Students who are entering the Environmental Studies program at Sir Wilfred Grenfell College will be given a total of sixty credit hours towards the one hundred and twenty credit-hour degree program.</p>
<p>Civil Engineering Technology diploma program from College of the North Atlantic with an overall average of at least 75%.</p>	<p>May be admitted to a bridging program offered by the Faculty of Engineering and Applied Science at Memorial University and if successful will be promoted to academic term four of the Civil Engineering degree program.</p>
<p>Electrical Engineering Technology diploma program or Electronics Engineering Technology diploma program from College of the North Atlantic with an overall average of at least 75%.</p>	<p>May be admitted to a bridging program offered by the Faculty of Engineering and Applied Science at Memorial University and if successful will be promoted to academic term four of the Electrical or Computer Engineering degree program.</p>

Sending Institution	Receiving Institution
Program or Block	Block of Credit Granted
<p>Three-year Business Management diploma completed at College of the North Atlantic.</p>	<p>Qualified graduates may be admitted* to the Bachelor of Business Administration program at Memorial University. Admission will be on the basis of block transfer with course requirements for completion of the BBA specified for each of the college business diploma programs. Diploma program graduates will be required to complete a minimum of forty-five credit hours beyond those used for their college diploma.</p> <p>* Admission is limited and competitive and is based on overall academic performance.</p>
<p>Mechanical Engineering Technology (Power) diploma program or Mechanical Engineering Technology (HVAC) diploma program from College of the North Atlantic with an overall average of at least 75%.</p>	<p>May be admitted to a bridging program offered by the Faculty of Engineering and Applied Science at Memorial University and if successful will be promoted to academic term four of the Mechanical Engineering degree program.</p>

***Outside the Province***

<b>Sending Institution</b>	<b>Receiving Institution</b>
<b>Program or Block</b>	<b>Block of Credit Granted</b>
Primary Technology Common First Year completed at College of the North Atlantic and Fisheries and Marine Institute.	Twelve credits toward study at the Nova Scotia Agricultural College.
Three-year Petroleum Engineering Technology Program completed at College of the North Atlantic.	Sixty-five credits toward a Bachelor of Technology at Montana College of Mineral Science and Technology.
Two-year Environmental Technology program completed at College of the North Atlantic.	Two years of the three-year Environmental Technology Program at the University College of
Two-year Forestry Resources Technology program completed at College of the North Atlantic.	Advanced standing (eleven courses) towards Bachelor of Science (Honors) in Forestry at Lakehead
Courses completed during first two years at universities/colleges that are ordinary members of the Association of Universities and Colleges of Canada	Course for course credit transfer at Memorial University to a maximum of sixty credit hours in accordance with the Pan-Canadian Protocol on the
Diploma of Applied Arts - Community Studies completed at College of the North Atlantic.	One year of three-year Bachelor of Arts - Community Studies at the University College of Cape Breton.
Diploma of Applied Arts - Visual Arts completed at College of the North Atlantic.	Up to two years of four-year Bachelor of Fine Arts at the Nova Scotia College of Art and Design.
Two-year Adventure Tourism program completed at College of the North Atlantic with an overall average of 80% and two letters of recommendation.	Eligible for admission of this second year of the four-year Outdoor Adventure Leadership program in the Bachelor of Physical and Health Education Degree at Laurentian University.
Completion of College of the North Atlantic Occupational Therapist Assistant program with an overall 80% average.	May be awarded for purposes of application to the Bachelor of Science (O.T.) program at Dalhousie University, the transfer equivalence of 3.0 credits.
Diploma in Business Management (Accounting, Human Resource Management, Marketing Options) completed at College of the North Atlantic.	Block Transfer of three years to the four year Bachelor of Business Administration Degree in Management at Northwood University, Michigan
Diploma in Business Administration (Accounting, General, Human Resource Management, Marketing Options) completed at College of the North Atlantic.	Block Transfer of two years to the four year Bachelor of Business Administration Degree in Management at Northwood University, Michigan
Three-year Business Management Program (Accounting, Human Resource Management, Marketing options) completed at the College of the North Atlantic.	Graduates of the three-year Business Management programs are eligible to enter the Bachelor of Business Administration program at University College of Cape Breton at the appropriate level and complete the BBA degree normally within one calendar year.

Any two-year diploma program at College of the North Atlantic, with a cumulative grade point average of 3.0 or greater.	Block transfer of two years of the four-year Bachelor of Applied Management (BAM) at the University of New Brunswick, Saint John.

\*Students who have completed this program before or after the credential (2004) year may have their credit adjusted if the program completed differs from the program presented for articulation.

***Section 4: Programs Linked to High School***

## 4.1 Advanced Placement (AP) Program

Advanced Placement is a program of college level courses and examinations for high school students. AP is administrated by the college entrance examination board, headquartered in New York City, New York with a Canadian office in Kelowna, British Columbia. Students who successfully complete examinations with a prescribed standing may, upon admission to a public post-secondary institution, be granted credit as outlined in the following table. **For more information consult the appropriate institutional calendar or Registrar/Student Service Offices.**

Sending Institution	Receiving Institution		
Advanced Placement Courses	Memorial University	College of the North Atlantic	Fisheries and Marine Institute of Memorial University
Biology	Biology 1001 and three unspecified credit hours with AP standing of 4 or 5.	Biology BL1170 <b>AND</b> BL1171 with AP standing of 4 or 5.	No credit recommended
Calculus AB	Mathematics 1000 with AP standing of at least 3.	Mathematics MA1100 <b>OR</b> MA1700 <b>AND</b> Mathematics MA1101 (with AP standing of 3 or more).	Mathematics 1100 <b>AND</b> 1101 <b>AND</b> 1200 (with AP standing of 3 or more).
Calculus BC	Mathematics 1000 with AP standing of at least 3.	Mathematics MA1101 <b>OR</b> MA1700 <b>AND</b> Mathematics MA 1101 (with AP standing of 3 or more).	Mathematics 1101 <b>AND</b> 1200 (with AP standing of 3 or more).
Chemistry	Chemistry 1050 <b>AND</b> 1051 <b>OR</b> 1200 and 1001 with AP standing of 5.  Chemistry 1010 <b>AND</b> 1011 <b>OR</b> 1200 with AP standing of 3 or 4.	Chemistry CH1120 <b>AND</b> CH1121 with AP standing of 3 or 4.  Chemistry CH1140 <b>AND</b> CH1141 with AP standing of 5.  Chemistry CH1130 <b>AND</b> CH1131 with AP standing of 3 or 4.	Chemistry 1100 <b>AND</b> Chemistry 1200 with an AP standing of 3 or 4.
Computer Science A	Computer Science 1710 with AP standing of 3.		No credit recommended.

## 4.2 International Baccalaureate (IB) Program

The International Baccalaureate program is administered by the International Baccalaureate Organization headquartered in Geneva, Switzerland, with regional offices worldwide. IBO offers to schools programs at three levels: diploma - in the final two years of the secondary school (16-19 age group); middle years - for students aged 11-16; and primary years - for students aged 3-12. In this province, Holy Heart of Mary High School offers the IB diploma program.

These tables are to be read from sending to receiving institution **only**. See example on page 15. Transfers are not necessarily two-way.

### 4.3 Adult Basic Education Program

The Adult Basic Education program was designed to give adults an opportunity to complete their high school education or equivalent. ABE is offered at College of the North Atlantic and approved private training institutions.

To be eligible to transfer credits from the ABE program back to high school, students must be a **minimum of 19 years of age** (or 18 years of age and out of school 1 year) and **require six or fewer credits to graduate**.

To reflect the changes that have taken place in the high school curriculum in recent years, the ABE system has also undergone revisions.

Within the high school program there are regulations which apply to awarding of credit. These regulations would also apply for transferring of credit back to the high school system.

For example:

- (I) Credit will **NOT** be awarded for a course for which the student already has the equivalent high school course completed (e.g., a student who already has credit for Consumer Studies 1202 on his/her transcript, cannot transfer back credit received for IE 3211 Consumer Studies).
  
- (II) Credit will **NOT** be awarded for conflicting courses (e.g., a high school student with credit for English 2201 cannot receive credit for English 2202, therefore a student with credit for English 2201 will not be eligible to transfer English 2102A/B/C from the ABE system back to high school).

Regulations such as the above can be found in the high school certification manual or as updates, both of which can be found online at: <http://www.gov.nl.ca/edu/pub/hsc/hsc.htm>.

The best way to ensure each student is working on a program that will be eligible for transfer back into high school, and secure high school graduation, is to request prior approval for courses from the Manager of High School Certification:

Phone: (709) 729-6261

Fax: (709) 729-0611

Once all courses are complete, they must be entered into the online Adult Basic Education database and the manager of High School Certification be notified. Please include the student's name, date of birth, and Social Insurance Number.

Below is a course “equivalency” matrix that is effective as of September 2008.

<b>ABE Course</b>	<b>High School Course Equivalent</b>

Math 2104 A/B/C	Math 2204
Math 3104 A/B/C	Math 3204
Math 2105 A/B/C - General	No Direct Equivalency
Math 3107 A/B/C - General*	No Direct Equivalency
Math 3109 A/B/C - General*	No Direct Equivalency

\* Math 3107 and 3109 awarded the same HS equivalency credit

---

These tables are to be read from sending to receiving institution **only**. See example on page 15. Transfers are not necessarily two-way.

## ***Section 5: Explanation of Terms***

## 5. Explanation of Terms

<u>Terminology</u>	<u>Explanation</u>
<b>Advanced Standing:</b>	The amount of exemption from a unit or units of an educational program granted to a student on the basis of previous study, relevant work experience, or life skills.
<b>Apprentice:</b>	An individual working full-time in an apprenticeable trade and registered as an apprentice with the Government of Newfoundland and Labrador.
<b>Challenge for Credit:</b>	Credit for past experience or documented skills can be earned through completion of a challenge examination or a variety of possible types of evaluation.
<b>Course:</b>	<p><i>Memorial University of Newfoundland including the Marine Institute</i> defines a course as a unit of work in a particular subject normally extending through one semester (or session), the completion of which normally carries credit toward the fulfilment of the requirements of certain degrees, diplomas or certificates. A prerequisite course is a course which must be successfully completed prior to registration in the course for which it is required. A corequisite course is a course which must be taken concurrently with the course for which it is required. In the event that a student drops a course required as a corequisite, the student will be required to drop the course for which that corequisite is required. In particular cases, a department head may convert a prerequisite to a corequisite or waive it altogether.</p> <p><i>College of the North Atlantic</i> defines a course as a recognized body of instruction normally assigned a credit value of 3 or 4 with a minimum of 2.</p>
<b>Credit:</b>	<p><i>College of the North Atlantic</i> defines a credit as the value assigned to a recognized body of instruction or content consisting of 1 hour of lecture/week/semester (i.e., a 3 hour lecture is equivalent to 3 credits).</p> <p><b>or</b></p> <p>A recognized laboratory experience as follows:            2-4 hours of lab/week/semester equivalent to 1 credit; 5-7 hours of lab/week/semester equivalent to 2 credits; and 8-10 hours of lab/week/semester equivalent to 3 credits.</p> <p>A credit at the <i>Marine Institute</i> is awarded for each course completed in which the student obtains at least the minimum passing grade.</p>
<b>Credit Hour:</b>	<i>Memorial University of Newfoundland</i> defines a credit hour as the measure used to reflect the relative weight of a given course towards fulfilment of appropriate degree, diploma, certificate, major, minor, or other program requirements. Normally, a course has a credit value of three credit hours. A weight of 1 credit hour normally means that the course meets for lectures one hour per week for the duration of the semester or two hours per week for the duration of a session. The number of hours of required instruction, outside of lecture time, such as laboratory instruction, tutorials, etc., may or may not impact on the number of credit hours assigned to a particular course, and academic units may recommend to the Senate a greater or lesser whole number of credit hours for a particular course.

<b>Credit Transfer:</b>	The granting of credit by an institution (either in the same or different area of study as that of the original institution) to students on the basis of previous study undertaken in another institution.
<b>(I) Exemption:</b>	The waiving of completion of a body of instruction or unit of work by a receiving institution for satisfactory standing obtained in a similar body of instruction or unit of work at a sending institution.
<b>(II) Transfer of credit (Course grade is transferred):</b>	<i>College of the North Atlantic</i> - Course for course transfer whereby the grade previously attained is recorded and computed in grade-point average by the receiving institution.
<b>(III) Transfer of credit (Course grade is not transferred):</b>	<i>Memorial University of Newfoundland including Fisheries and Marine Institute</i> – Course-for-course transfer but grade is not recorded by receiving institution.
<b>Prior Learning Assessment &amp; Recognition (PLAR):</b>	A process whereby previous learning is recognized and credited (the basic premise is that credit is not awarded for experience, but for the learning that has resulted from an experience).
<b>Program:</b>	<p><i>Memorial University of Newfoundland</i> defines a program as a series of courses, the completion of which, if other requirements are met, qualifies the candidate for a degree or diploma.</p> <p><i>College of the North Atlantic and the Fisheries and Marine Institute</i> define:</p> <p>A <i>certificate</i> is a prescribed combination of courses that address occupational skills development, academic or general study, and self-interest or personal growth. These courses will normally be offered over a 2 semester period; be comprised of a minimum of 40 credits; and consist of a maximum of 7 courses per semester.</p> <p>A <i>vocational certificate</i> prepares graduates for employment as operating or service technicians in specific trade areas. Programs are normally 9-12 months in length.</p> <p>A <i>technical certificate</i> provides training in specific technical areas. Programs may be modular, full or part-time and of variable duration, but not less than one academic term or its equivalent.</p> <p>A diploma is a prescribed combination of courses that address occupational skills development, academic or general study, and self-interest or personal growth. Courses will normally be offered over a minimum of 4 semesters; be comprised of a minimum of 80 credits; and consist of a maximum of 7 courses per semester.</p> <p>An <i>advanced diploma</i> provides in-depth training in a specific technical area to graduates of at least a first degree or 3 year technology diploma programs. These are normally one academic year in length, except that work terms or job placement requirements may extend programs beyond this time.</p> <p>A <i>diploma of technology</i> is designed to prepare graduates for employment as technologists. These programs are normally 3 academic years in length. However, some programs may extend beyond this time as a result of work term or job experience requirements. A <i>technician diploma</i> is designed to prepare graduates for</p>

employment as technicians. These programs are normally 2 years in length.

A *post diploma/post degree* is a program of study that requires completion of either a diploma or undergraduate degree prior to acceptance into the program.

---

**Receiving Institution:** Any post-secondary institution *to* which students are transferring.

**Semester:** *Memorial University of Newfoundland* defines a semester as a period of approximately 14 consecutive weeks during which the university is in regular session and in which period there are at least twelve teaching weeks as defined by Senate. Normally, the fall semester commences in early September; the winter semester in early January; and the spring semester in early May.

*College of the North Atlantic and the Marine Institute* define a semester as a 15-week period which includes class/learning time as well as administrative and evaluation time.

**Sending Institution:** Any post-secondary institution *from* which students are transferring.

**Session:** *Memorial University of Newfoundland* defines a session as a period of approximately seven consecutive weeks during which the university is in regular session in the spring semester and in which period there are at least six teaching weeks as defined by senate. The first half of the spring semester is designated as intersession; the second half of the spring semester will be designated as summer session.

*College of the North Atlantic and the Marine institute* defines an intersession as an instructional period, of a minimum of 5 weeks duration.

---

***Section 6: Institutional and Transfer Policy***

## 6.1

Headquarters: Stephenville

Campus Locations:

Baie Verte	Happy Valley-Goose Bay
Bonavista	Labrador City
Burin	Placentia
Carbonear	Port aux Basques
Clarenville	Seal Cove
Corner Brook	Stephenville
Gander	St. Anthony
Grand Falls-Windsor	St. John's

### Applications

Applications from interested persons for entrance to any college course or program will be received by College of the North Atlantic at any time during the calendar year. Applications should be submitted to the campus offering the program. The college calendar is available at [www.cna.nl.ca](http://www.cna.nl.ca).

### Admission Requirements

*Certificate-level programs:*

A provincial high school graduation certificate or equivalent.

*Diploma-level programs:*

A provincial high school graduation certificate or equivalent including program specific requirements in English, math, and/or science. Please consult with the college calendar for the requirements of individual programs.

*Mature Students:*

Applicants 19 years of age or older who do not meet the educational prerequisite may be considered on an individual basis under the mature student clause.

### Entrance Equivalencies

The following high school equivalency certificates will be considered for acceptance into any college program:

1. Basic Training for Skill Development (BTSD)
2. Adult Basic Education Level 3 Certificate

### 3. General Educational Development Test (GED)

Persons holding those certificates will be accepted without further evaluation into vocational certificate programs. Persons holding those certificates and seeking entrance to diploma programs may be required to report for evaluation before acceptance is established, and upon being accepted those applicants may be required to complete additional courses before entering the diploma program of their choice.

#### Transfer Policy

A student may apply for credit for courses completed at another post-secondary institution, related work experience, and/or courses completed in other programs at the college. Applicants must submit an application accompanied by official transcripts and, if required, calendar descriptions of the courses claimed for credit/exemption.

Applications should be submitted to the Registrar's/ Student Services Office at the campus offering the program.

Prior Learning Assessment in any of its forms may be implemented to ascertain credit earned in the student's program of studies.

#### Selection of Students

Upon meeting admission requirements selection is based on a first-come, first-served policy.

## 6.2

**Campus Location:**

Main Campus - Ridge Road (St. John's),  
Offshore Safety & Survival Centre (Foxtrap),  
South Side (St. John's)

The Marine Institute calendar is available at [www.mi.mun.ca](http://www.mi.mun.ca)

**Admission Requirements***Degree Programs:*

All candidates for the Bachelor of Maritime Studies or Bachelor of Technology programs must meet the general admission requirements of the university.

Candidates who are graduates of nationally accredited technology diploma programs (Canadian Technology Accreditation Board or Canadian Medical Association) must provide a college/institute transcript and confirmation of graduation.

Candidates wishing to take university courses concurrently with college diploma courses, prior to college/institute graduation must also meet the admission requirements of the Marine Institute.

All applicants must submit to the university's Admissions Office:

- an application for admission to the university
- an application for admission to the Bachelor of Maritime Studies or Bachelor of Technology (available on-line at [www.mi.mun.ca/bms/](http://www.mi.mun.ca/bms/) or [www.mi.mun.ca/btech/](http://www.mi.mun.ca/btech/))
- transcripts from colleges(s) attended and proof of diploma
- application fee

*Non-degree Programs:*

The admission requirements are listed separately for four categories of programs:

*Advanced Diploma Programs:*

Candidates for advanced diploma programs must have attained a three-year diploma from a recognized college or institute or a degree from a recognized university or polytechnical institute. The candidate's work experience may also be considered. Candidates may be required to attend an interview.

Mature students will be assessed on an individual basis.

*Diploma of Technology & Technician Diploma Programs:*

Candidates seeking admission must show documentary proof of one of the following:

a. Applicants shall have completed graduation requirements for high school as set down by the Department of Education and obtained credits in each of the following, with a minimum combined average of 60% in Level III mathematics, English, and science:

Mathematics: 4 math credits 2 of which must be either Math 2204 or Math 2205; and 2 credits from either 3204\* or 3205.

\* a minimum of 60% must be achieved in this subject.

English: 2 credits from English 3201.

Science: 4 credits 2 of which must be from either Biology 3201, or Chemistry 3202, or Physics 3204, or Earth Systems 3209.

b. A Grade XI public examinations matriculation certificate with an average of 60 percent.

c. A certificate of attainment in one of the following:

i) B.T.S.D. - technical option;

ii) Adult Basic Education Level 3 certificate (specific courses may be required).

These are minimum requirements. Students who exceed these requirements will be better prepared to succeed at the Institute. All admissions are subject to the approval of the admissions committee.

*Vocational Certificate Programs:*

Applicants must submit proof of senior high school graduation or a certificate of attainment in one of the following:

i) B.T.S.D.;

ii) Adult Basic Education (Level III).

*Continuing Education Programs:*

The Marine Institute offers a wide variety of programs designed to meet the needs of industry. Admission requirements for programs in this category vary greatly and all applicants should refer to the Marine Institute calendar for further explanation.

### Mature Students

Applications will be considered from mature individuals (i.e., persons 21 years of age within one month of the start of the program) who have gained technical or practical expertise, or a combination of both, in the intended field of study.

Applications should be submitted with a résumé listing all associated experience, together with letters of recommendation from employers or other individuals who can substantiate the applicant's qualifications. Applicants must submit official academic transcripts and a birth certificate or other proof of age. Applications from mature students who do not meet the Marine Institute's minimum entrance requirements for the program applied for will be evaluated on an individual basis to determine that the applicant holds appropriate qualifications to succeed in the program and courses in question. Applications will be evaluated by the admission's committee on an individual basis.

### Transfer Policy

Students may be awarded credit for courses completed at other institutions. Credit applications must be submitted to the registrar along with a certified copy of the student's transcript containing the grades for related courses. Students may also be required to submit course descriptions.

### Challenge Examination

A challenge examination may be written by a student who wishes to seek credit in a course by a procedure other than normal class instruction. To be eligible to write a challenge examination the student must have obtained previous education or work experience which he/she can demonstrate, to the satisfaction of the school, has given him/her knowledge required to achieve a passing grade in a particular course. Students will be required to show documented proof of having received the experience. The school shall evaluate each student's application and determine which courses may be challenged, subject to certain regulations.

### Residency Requirements

In order to receive a Marine Institute diploma or certificate, students must have obtained a minimum of 50% of the credits for their program at the Marine Institute.

### Contact

Further information regarding admission to the Marine Institute can be obtained by contacting:

Admissions Officer

Office of the Registrar

Fisheries and Marine Institute of Memorial University

P.O. Box 4920, St. John's, NL

A1C 5R3

Phone: (709) 778-0380

Fax: (709) 778-0322

E-mail: [admissions@mi.mun.ca](mailto:admissions@mi.mun.ca)

The Marine Institute reserves the right to refuse admission to any applicant.

## 6.3

# Memorial

University of Newfoundland

## Admission/Re-admission Information

The deadlines for the submission of applications for general admission are:

Mar. 1 (for the fall semester)

Oct. 1 (for the winter semester)

Feb. 1 (for the spring semester, intersession and summers sessions)

**Note:** Other deadlines may apply for some faculty or school programs. Please consult the appropriate faculty or school regulations in the current university calendar for further details.

Applications received later or post-marked later than the stated deadline dates will be processed as time and resources permit. Applicants may apply for admission, download and print a paper copy of the application, request an information package, or browse for information regarding their program of interest at [www.mun.ca](http://www.mun.ca). Application forms and other information may also be obtained by contacting the Office of the Registrar in writing, by e-mail, or by phone. See contact information below.

Each application must be accompanied by a \$40 application processing fee. An additional application processing fee of \$40 is required from non-Canadian applicants or applicants transferring from post-secondary institutions outside of Newfoundland and Labrador. Neither fee is refundable nor will it be credited to the applicant's financial account under any circumstances. Information regarding other fees and charges is specified under the fees and charges section in the university calendar.

Applicants who have previously attended Memorial University of Newfoundland and have not registered for courses for the past two consecutive semesters (fall, winter, spring) are required to submit a new application for admission/re-admission, together with the appropriate application processing fee. Applicants seeking admission to a particular faculty or school may be required to submit a supplemental faculty or school application in addition to the application for admission/re-admission, and should refer to appropriate faculty or school regulations in the university calendar for procedures, deadlines, admission requirements and further information.

The admission criteria required of each category of applicant is specified under categories of applicants, admission criteria, and required documentation.

Admission to some courses, programs and/or the university may be limited by the university when it deems the facilities and resources available are not adequate to provide for additional students. Consequently possession of the minimum requirements does not guarantee that an applicant will be granted admission to a course, a program and/or the university.

The university may set its own matriculation examinations either in separate subjects or in all those required for matriculations, and may refuse admission to any applicant failing to attain a satisfactory standard in these examinations.

The university reserves the right to refuse admission to any applicant.

Applicants may be required to provide medical evidence of their fitness to pursue university studies.

### **English Language Proficiency Requirements**

Because English is the primary language of instruction at this university, all applicants seeking admission to Memorial University of Newfoundland must possess an adequate knowledge of written and spoken English as a prerequisite to admission. Regardless of country or origin or of citizenship status, applicants will be required to provide proof of proficiency in the English language. For more information, please consult the university calendar.

### **Categories of Applicants, Admission Criteria, and Other Information**

The categories of applicants applying for admission/re-admission as well as the admission criteria and other related information is listed below. Before a final admissions decision can be reached all required documents must be received. All documents must be official and be forwarded directly to the Admissions Office, Office of the Registrar, from the appropriate institution(s) or source(s). Photocopied documents are not acceptable unless duly certified.

#### **1. Applicants Who Have Followed the High School Curriculum of Newfoundland and Labrador**

##### **Admission Criteria**

The courses below are courses designed for students who intend to seek post-secondary education at Memorial University or other institutions whose programs demand levels of proficiency equivalent to those required by the university. Applicants shall have completed graduation requirements for high school as set down by the Department of Education and obtained credits in the following subjects, with an overall average of not less than 70% compiled from the grades received in those courses at the 3000-level.

**English:** English 3201 (two credits)

**Academic or Advanced Mathematics\*\*:** Mathematics 2204 or 2205 (two credits) and Mathematics 3204 or 3205 (two credits).

\*\*The Department of Mathematics recommends the completion of Mathematics 3207 and 3103 for those students intending to complete a program that requires the completion of first year mathematics at the university level. These two courses are not required for general university admission.

**Laboratory Science:** Four credits in laboratory science (i.e., biology, chemistry, earth systems, physics), including at least two credits at the 3000-level chosen from one of Biology 3201, Chemistry 3202, Earth Systems 3209, or Physics 3204 (valued at two credits each). The remaining two credits may be selected from 2000-level courses in the above-noted subject areas or from Science 1206.

**Social Science/Modern or Classical Language:** Two credits at the 3000-level in a social science area or in a modern or classical language.

**Electives:** Two credits at the 3000-level in elective courses chosen from the subjects above or from additional courses approved by the Department of Education for offering at the 3000-level for certificate purposes.

### **Other Information**

**Early Final Acceptance:** Applicants in their final year of high school who have achieved a minimum overall average of not less than 85% in select 2000-level courses in the core subjects of English, mathematics and laboratory science may be granted final admission prior to the release of final high school results. This does not preclude the application of selective admission criteria for particular faculty/school programs.

**Provisional Acceptance:** Applicants in their final year of high school who have completed or who are completing a slate of courses which meets the course requirements as specified in section 1 may be granted provisional acceptance prior to the writing of their final examinations. This provisional acceptance will remain valid until the public examination results are released by the Department of Education, at which time a final determination of each applicant's admission status will be made. Provisionally accepted students who meet all requirements will be granted a final acceptance whereas applicants who fail to meet all requirements will have their provisional acceptance revoked.

**Advanced Placement:** Applicants completing Advanced Placement courses through the Advanced Placement Program offered by the college board should refer to the Transfer Credit (Advanced Placement) category of this section.

## **2. Applicants Who Have Followed the High School Curricula of Other Provinces of Canada**

### **Admission Criteria**

Applicants from other provinces of Canada are required to have successfully completed Grade 12 in the University Preparatory Program (in the case of Quebec students, the Secondary V Certificate) with a passing mark in each of the following Grade XII academic or advanced-level subjects and an overall average of not less than 70% compiled from the grades received in the courses selected:

- English
- Mathematics

- Laboratory science (one of biology, chemistry, earth systems, geology or physics)
- Social science/modern or classical language
- Elective

For further information concerning specific provinces, applicants may contact the Office of the Registrar in writing, by e-mail, or by phone. See contact information below.

### Other Information

**Early Final Acceptance:** Applicants in their final year of high school who have achieved a minimum overall average of not less than 85% in select Grade 11 courses in the core subjects of English, mathematics and laboratory science may be granted final admission prior to the release of final high school results. This does not preclude the application of selective admission criteria for particular faculty/school programs.

**Provisional Acceptance:** Students in their final year of high school who have completed or who are completing a slate of courses which meets the course requirements as specified above may be granted provisional acceptance prior to writing their final exams. This provisional acceptance will remain valid until the final examination results are released by the appropriate authorities, at which time a final determination of the applicant's admission status will be made. Provisionally accepted applicants who meet all requirements above will be granted a final acceptance whereas applicants who fail to meet all requirements above will have their provisional acceptance revoked.

**Advanced Placement:** Applicants completing Advanced Placement courses through the Advanced Placement Program offered by the college board should refer to the Transfer Credit (Advanced Placement (AP)) category of this section.

Applicants seeking credit for enriched high school Grade XII courses or Ontario Grade XIII/OAC courses should refer to the Transfer Credit (Enriched Courses and Ontario Grade XIII/OAC) category of this section.

### 3. Applicants for Concurrent Studies

#### Admission Criteria

Applicants in or about to enter their final year of high school with a superior academic record (i.e., normally an overall average of 85 per cent or above) may apply to enrol in university courses (excluding distance education courses). The applicant for concurrent studies must be enrolled in a high school and completing a slate of courses that meets the course requirements for admission to the university as specified in section 1.

Applicants will be required to submit a letter requesting enrolment in a specific course, an official high school transcript, and a letter from the high school principal or guidance counsellor clearly recommending admission for concurrent studies.

Applicants must submit a completed application for admission/re-admission together with the appropriate fee. For further information refer to the fees and charge section in the university calendar.

An applicant for concurrent studies wishing to enrol in courses at the St. John's campus will be permitted to do so based on the recommendation of the University Committee on Admissions.

Applicants wishing to enrol in courses at the Corner Brook campus will be permitted to do so based on the recommendation of the Special Admissions Committee at Grenfell College. Eligibility to enrol is limited to one semester but may be renewed on the recommendation of the relevant committee.

Enrolment for concurrent studies students will normally be limited to three credit hours in a given semester. Fees and deadlines are the same as for regularly admitted students. University credit will be awarded after successful completion of the course(s) and successful completion of the requirements for admission to the university.

#### **4. Applicants Who Have Followed the Adult Basic Education Program**

##### **Admission Criteria**

Applicants shall have completed the Level III Adult Basic Education certificate with the approved combination of thirty-six credits set down by the Department of Education and successfully completed, with an overall average of not less than 70 per cent, the following courses as outlined below:

**Communication Skills:** IC 3112 and IC 3321.

**Mathematics:** One of the following groups: Mathematics: IM 3115, 3211, 3212, 3213 and 3216 **OR** Mathematics: IM 3218, 3219 and 3221

**Science:** One of the following patterns: Biology: IB 3113, 3115, 3211, 3212A/B, 3214, 3316 **OR** Chemistry: IH 3111, 3112, 3113, 3114, 3116, 3117, 3118, 3215 **OR** Geology: IS 3212 **OR** Physics: IP 3111, 3112, 3213, 3215, 3216

#### **5. Applicants for Mature Students Status**

##### **Admission Criteria**

An applicant, 21 years of age or older within one month after the beginning of the semester or the session to which the admission is being sought, who has not fulfilled the requirements outlined in any of the above categories may be admitted to the university with the approval of the University Committee on Admissions.

Applicants for mature student status will be required to submit proof of age, two letters of reference from persons competent to assess the candidate's ability to proceed with university studies, a letter from the applicant outlining the grounds for requesting special consideration, high school marks, and marks

from post-secondary institutions, if applicable.

Applicants will be required to submit a completed application for admission/re-admission together with the appropriate fee. For further information, refer to the fees and charges section of the university calendar.

Applicants for mature student status may be required to show through an interview that they possess the potential to proceed with university studies. Since admission as a mature student is not on the grounds of age alone, the University Committee on Admissions reserves the right to refuse admission to any applicants.

### **6. Applicants Who Are Senior Citizens**

An applicant, 60 years of age or older within one month after the beginning of the semester/session to which admission is being sought, may be admitted to the university as a senior citizen, upon submission of a birth certificate or other proof of age.

### **7. Applicants From Other Countries**

Applicants from other countries should consult the university calendar for further details. In addition, applicants may contact the Office of the Registrar in writing, by e-mail, or by phone. See contact information below.

### **8. Applicants Transferring From Other Recognized Universities or Colleges**

Applicants transferring from other recognized universities or colleges should consult the university calendar at [www.mun.ca](http://www.mun.ca) for further details. In addition, applicants may contact the Office of the Registrar in writing, by e-mail, or by phone. See contact information below.

### **9. Applicants Who Are Requesting Special Admission**

Where circumstances warrant, applicants not meeting the regulations for admission/re-admission to the university may be admitted to Memorial University with the approval of the University Committee on Admissions.

#### **Admission Criteria**

Applicants must submit a completed application for admission/re-admission together with the appropriate fee. For further information refer to the fees and charges section in the university calendar.

Applicants must submit a letter to the committee outlining the grounds for requesting special consideration and provide a letter from a school principal, guidance counsellor, employer or other responsible person substantiating those grounds.

In order to allow sufficient time for reasonable and consistent consideration of special cases, supporting letters must be received at least one week prior to the beginning of the semester to which admission is being sought.

### **English Language and Mathematics and Placement Tests**

In addition to the following, more detailed information regarding the English language and mathematics placement tests is available from the Department of English Language and Literature and the Department of Mathematics and Statistics respectively.

#### **English Language Placement Test**

With the exception of applicants who demonstrate English language proficiency under the regulations, English language proficiency requirements (English language secondary institution and English language post-secondary institution), all other applicants will be required to write a placement test in English language. This test must be taken prior to the commencement of classes to determine the appropriate English course for which an applicant should register. For further information concerning English language proficiency requirements refer to English language proficiency requirements in the university calendar.

Student whose performance in the placement test in English language indicates that appropriate placement is in English 102F will be required to register and successfully complete English 102F before registering in higher level courses in English.

#### **Mathematics Placement Test**

Applicants intending to register for the first time in any 1000 level mathematics course must submit a score for either an advanced placement calculus examination or other standardized tests acceptable to the Department of Mathematics and Statistics.

Students whose score in the advanced placement calculus examination or other standardized test is not acceptable to the Department of Mathematics and Statistics will be required to register in a mathematics course determined by the Department of Mathematics and Statistics.

#### **Transfer Credit**

Applicants wishing to be considered for advanced standing or transfer credit must submit, in addition to the application for admission/re-admission, an application for transfer credit evaluation which can be obtained from the Office of the Registrar.

Official transcript(s) and calendar descriptions and/or outlines of courses claimed for credit are also required and should be sent directly to Memorial from the institution attended.

To allow sufficient time for evaluation, these documents should be received at least two months prior to

the commencement of the semester to which the applicant is seeking admission. It is the student's responsibility to provide the pertinent documents, and until they are received, the Office of the Registrar is unable to commence an evaluation or to advise students of their standing at this university.

When transfer credit is awarded for work completed at another institution, only equivalent Memorial University course(s) and credit(s) are recorded on the Memorial University of Newfoundland transcript. Grades received from other institutions are not recorded nor included in averages.

Applicants who have not received the results of a transfer credit evaluation prior to the assigned registration time for the semester in which they propose to begin studies should contact the Admissions Office for further assistance.

### **Advanced Placement**

Memorial University of Newfoundland may recognize for transfer credit certain courses completed through the advanced placement program offered by the college board. Award of credit for AP courses will be subject to the achievement of a minimum grade of 3 in each subject claimed for credit (in certain subjects a minimum grade of 4 may be required).

Award of credit for AP courses will be subject to evaluation and recommendation by the appropriate university academic unit and university regulations.

The applicability of all transfer credits, whether specified or unspecified, is subject to appropriate program regulations.

Information regarding course equivalencies can be obtained from the Admissions Office, Office of the Registrar.

### **Enriched Courses and Ontario Grade XIII/OAC**

Certain Grade XII enriched courses and certain Ontario Grade XIII/OAC subjects may be recognized for introductory (normally first year) credits, where applicable, provided that the subjects claimed for credit are recommended as equivalent to Memorial University courses by the relevant academic unit(s). In addition, the applicant must have obtained an overall average in these courses of not less than 65% with a passing grade in each subject claimed for credit. Applicants who have not obtained the overall average requirement will be required to have obtained a mark of not less than 65% in individual subjects claimed for credit.

Award of credit for Grade XII enriched and Ontario Grade XIII/OAC courses will be subject to evaluation and recommendation by the appropriate university academic unit(s) and university regulations.

The applicability of all transfer credits, whether specified or unspecified, is subject to appropriate program regulations.

Information regarding course equivalencies can be obtained from the Admissions Office, Office of the Registrar.

### **Advanced or Higher Levels**

The advanced level subjects of the General Certificate of Education will generally be accepted for credit to a maximum of 12 credit hours in each subject provided that a minimum grade of D in each subject claimed for credit has been obtained.

The higher level subjects of the Scottish Leaving Certificate will generally be accepted for credit at the first-year level.

Award of credit will be subject to evaluation and recommendation by the appropriate academic unit(s) and university regulations. The applicability of all transfer credits, whether specified or unspecified, is subject to appropriate program regulations. Information regarding course equivalencies can be obtained from the Admissions Office, Office of the Registrar.

### **International Baccalaureate Diploma**

Memorial will consider for transfer credit the higher level subjects and certain standard or subsidiary level subjects, provided that the subjects claimed for credit are recommended as equivalent to Memorial's courses by the relevant university academic unit(s), and the candidate has achieved a minimum grade of 4 in individual subjects claimed for credit. In certain subjects a minimum grade of 5 may be required.

The applicability of all transfer credits, whether specified or unspecified, is subject to appropriate program regulations. Information regarding course equivalencies can be obtained from the Admissions Office, Office of the Registrar.

### **Member Institutions of the Association of Universities and Colleges of Canada (AUCC)**

All university-level course work completed by transfer students during the first two years of university study taken at universities/colleges that are ordinary members of the Association of Universities and Colleges of Canada will be recognized for transfer credit. In the first instance, the evaluation of such course work for appropriate credit will be conducted by university academic units. In instances where appropriate credit cannot be granted by academic units or where no university academic unit exists at this university for the evaluation of particular transfer credits, the Office of the Registrar will award the appropriate unspecified credits in an unspecified discipline.

Applicants who have completed course work beyond the first two years of university study may be considered for further transfer credit subject to evaluation and recommendation by the appropriate academic unit(s) and university regulations.

The applicability of all transfer credits, whether specified, unspecified or in an unspecified discipline, is subject to appropriate program regulations.

Information regarding course equivalencies can be obtained from the Admissions Office, Office of the Registrar.

### **Other Universities, Colleges and Institutes**

Memorial may recognize for transfer credit certain courses offered by College of the North Atlantic, the Marine Institute, and certain other community colleges, technical colleges, institutes and CEGEPs.

Award of credit will be subject to evaluation and recommendation by the appropriate academic unit(s) and university regulations.

The applicability of all transfer credits, whether specified or unspecified, is subject to appropriate program regulations.

Information regarding course equivalencies can be obtained from the Admissions Office, Office of the Registrar. See contact information below.

### **Challenge for Credit**

Memorial recognizes that some students may have achieved competence in certain subject areas through experience gained elsewhere. This experience, which may warrant consideration for academic credit at the undergraduate level, may consist of courses taken at non-university institutions or skills acquired from work or learning outside the university. It should be noted that challenge for credit is not offered for work terms or internships.

Since course challenge is not offered by all academic units nor for all courses within a unit, students are advised to consult with the appropriate academic unit to determine whether or not a particular course is offered for challenge.

Where challenge for credit is offered, it is available under the following conditions:

- Challenge for credit is available only to those students who have applied for admission or who are currently registered at the university.
- Applications to challenge for credit are available at the Office of the Registrar. Completed applications must be submitted to the Office of the Registrar and must receive approval from the

head of the academic unit offering the course(s). The academic unit may require documentary material from the student and/or an interview before making its decision whether or not to accept the challenge. The academic unit involved will be responsible for deciding the scheduling and appropriate method of evaluation, which may consist of a variety of possible modes of evaluation including written, practical and oral.

- A student who has applied for transfer credit evaluation may not apply to challenge for credit until the transfer credit evaluation has been completed.
- Memorial University will consider for credit courses that have been granted credit through a challenge for credit process by another recognized university or college. Award of credit will be subject to evaluation and recommendation by the appropriate academic unit(s) and university regulations.
- For the purpose of satisfying the regulations for residence requirements for a first degree and residence requirements for a second degree (under general academic regulations), a successful challenge for credit shall be considered the equivalent of a transfer credit and shall be recorded on the transcript as a pass. Challenge grades are not included in averages. For further information refer to residence requirements for a first degree and residence requirements for a second degree.
- The appropriate fee must be paid at the time of application. For further information refer to the fees and charges. If the application is accepted for consideration, the fee is not refundable nor is the student permitted to withdraw the challenge.
