6.3 Memorial University of Newfoundland	90

Introduction

The Transfer Guide is an annual publication of the Department of Advanced Education and Skills. The Transfer Guide was designed as a guidance tool to be used in conjunction with other post-secondary education and training planning resources. The guide lists established transfer of credit precedents available to students in Newfoundland and Labrador. The Transfer Guide is available online through the Department of Advanced Education and Skills at: <http://www.gov.nl.ca/aes/>.

The arrangements for transfer credit recorded in this Transfer Guide apply to courses or programs taken during the 2011-2012 academic year (September 1, 2011 to August 31, 2012). Credit for courses taken previously is normally governed by the appropriate Transfer Guide for the year in which courses were taken. Students who have interrupted their studies or spread them out over a longer period of time should seek advice from the institution which the student wishes to enter to determine the current status of transfer arrangements.

Registrars, guidance counselors, high school teachers, instructors and most importantly students at the secondary and post-secondary levels will find the Transfer Guide to be an important reference source to inform and assist in matters relating to the transfer of credit from one institution to another within the public post-secondary system. The Transfer Guide should prove to be a relevant resource for all those involved in post-secondary education and training in this province.

Copies of this Transfer Guide can be obtained by contacting Registrar/Student Service offices of public post-secondary institutions or the Department of Advanced Education and Skills.

Your comments and suggestions for future publications are welcomed. If you have any questions or concerns please contact the Department of Advanced Education and Skills at:

Fax: (709) 729-3590

How to Use the Transfer Guide

To use the Transfer Guide refer to the information below:

Section One: provides an overview of the public post-secondary system in the province.

Section Two: of the Transfer Guide lists credit transfer arrangements on a sending institution basis. Due to the fact that transfer agreements between the public post-secondary institutions are not necessarily two-way, the tables in section two are to be read from sending to receiving institution only.

Example one: A student has successfully completed some courses at College of the North Atlantic and wishes to find out if he/she can transfer any of those credits to Memorial University. In this case, College of the North Atlantic is the sending institution and Memorial University is the receiving institution.

Here's how to find out if there are any credit transfer possibilities:

- ☞ Go to **Section 2.1.1** where College of the North Atlantic is the sending institution.
- ☞ Look to see if any courses successfully completed are listed in the sending column.
- ☞ If so, go across to where Memorial University is the receiving institution and the corresponding course to which credit transfer is granted.

Example two:

A student has successfully completed some courses at Memorial University and wishes to find out if he/she can transfer any of those credits to College of the North Atlantic. In this case, the university is the sending institution and College of North Atlantic is the receiving institution.

Here's how to find out if there are any credit transfer possibilities:

- ☞ Go to **Section 2.1.4** where Memorial University is the sending institution.
- ☞ Look to see if courses successfully completed are listed in the sending column.
- ☞ If so, go across to where College of the North Atlantic is the receiving institution and the corresponding course to which credit transfer is granted.
- ☞ For more information refer to **Section 2.1**.

IMPORTANT NOTE: The courses listed in section 2.1 are not necessarily available at all university and college campuses. Please consult the appropriate institutional calendar for more information.

Section Three: provides a listing of groups of courses which are transferable as a block to other post-secondary institutions.

Section Four: provides transfer of credit information for three programs linked to high school: the Advanced Placement program, the International Baccalaureate program and the Adult Basic Education program.

Section Five: provides an explanation of terms related to credit transfer.

Section Six: provides a brief description of the admission requirements and transfer policies of each public post-secondary institution.

It should be noted that:

1. The Transfer Guide identifies where special transfer agreements exist for *similar* courses.
2. The Transfer Guide indicates the *minimum* transfer of credit which is available for prior post-secondary educational experience upon admission to another post-secondary institution. Additional transfer of credit may be available on an individual basis.
3. The tables in **Section Two** are to be read from sending institution to receiving institution *only*. Transfer agreements are not necessarily two-way (see previous page).
4. The information in this Transfer Guide is the most recent available at the time of publication. However, due to ongoing negotiations between institutions there may be instances where information is incomplete. Updated information will be provided online at <http://www.gov.nl.ca/aes/>. Should questions arise, the user is encouraged to reference institutional calendars and consult with Registrar/Student Service Offices.
5. Transfer is sometimes possible for courses or programs not contained in this Transfer Guide. Such arrangements are generally considered on an individual basis. Students seeking special consideration are advised to consult the Registrar/Student Service Offices at both the sending and receiving institutions.
6. Where no entry or a blank space appears in the receiving institution column of the course-by-course tables in **Section Two** of the guide, this indicates that no formal transfer arrangement or established precedent has been identified between the sending and receiving institution at the time of publication.

Section 1: Overview of the Public Post-Secondary System

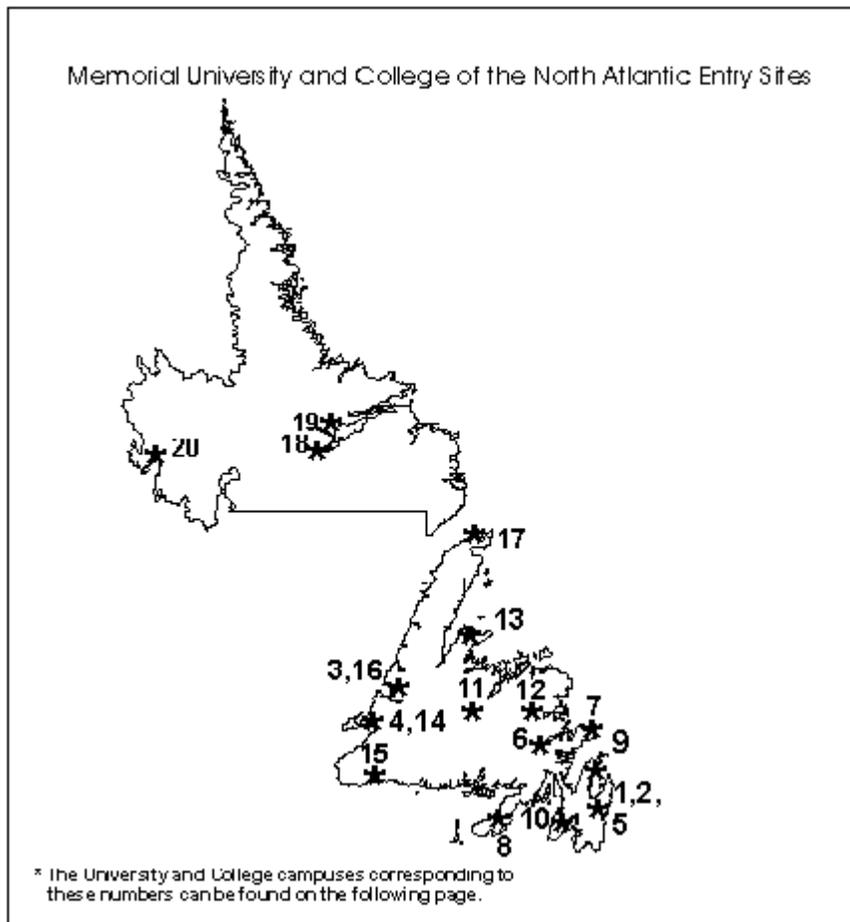

1.1 Recommended Points of First Contact

The province's public post-secondary education system includes:

- Memorial University of Newfoundland including Grenfell Campus, the Fisheries and Marine Institute; and,
- College of the North Atlantic.

Other sectors of the post-secondary education system include:

- Apprenticeship training; and,
- Private training institutions.

1.2 College of the North Atlantic

College of the North Atlantic is governed by a single provincial board and administered by a main executive office with campus locations across the province.

The Comprehensive Arts and Science transfer program (formerly known as the College-University Transfer Year) is a certificate program offered at the Burin, Carbonear, Grand Falls-Windsor, Happy Valley-Goose Bay and Labrador City campuses. The program has been developed through an agreement with Memorial University of Newfoundland. It provides the opportunity to complete a suite of courses for which to gain credit from the college as well as from Memorial University. For more information please refer to **Section 2.1.2**.

College of the North Atlantic is responsible for delivering educational services throughout the province. These include:

1. two and three-year programs leading to a diploma;
2. one-year post-graduate programs leading to an advanced diploma;
3. full-time, occupational courses leading to a certificate;
4. basic literacy and academic upgrading programs (e.g., Adult Basic Education);
5. career enhancement and personal development programs;
6. courses conducted in formal institutional settings, and courses delivered in communities to meet local needs;
7. various skills training programs funded by Service Canada;
8. applied research and technology transfer;
9. courses conducted in partnership with other institutions such as Memorial University, the Marine Institute, community agencies, and the private sector; and,
10. special interest, hobby and craft courses on evening, part-time, or workshop basis.

1.3 Memorial University of Newfoundland

Memorial University is the province's only university. It comprises the **St. John's Campus** and the **Fisheries and Marine Institute** located in St. John's; **Grenfell Campus** located in Corner Brook; a residential campus in **Harlow, England**, and the **Institute Frecker** on the island of St. Pierre. Founded in 1925, Memorial University College was established to honour Newfoundland soldiers who died in the First World War. The college became a full-fledged university 24 years later. Today, Memorial University is one of Canada's most prominent centres of research and learning, educating students at the undergraduate and graduate levels.

The university has **six faculties, seven schools, and one institute** offering degrees at various levels:

<u>Faculties:</u>	Arts Business Administration Education	Engineering and Applied Science Medicine Science
<u>Schools:</u>	Fine Arts (Grenfell Campus) Graduate Studies Music Nursing	Pharmacy Human Kinetics and Recreation Social Work
<u>Institute:</u>	Technology (Fisheries and Marine Institute) Maritime Studies (Fisheries and Marine Institute)	

Certificate and **diploma** programs available through the Division of Lifelong Learning in selected areas include the following:

- Business Administration
- Criminology
- Information Technology
- Library Studies
- Newfoundland Studies
- Public Administration

Memorial's Campuses:

The **St. John's Campus** of Memorial University is the largest of the five campuses where students may pursue studies in six faculties - Arts, Science, Education, Medicine, Engineering and Applied Science and Business Administration - and six schools - Nursing, Pharmacy, Human Kinetics and Recreation, Social Work, Music and Graduate Studies.

The **Fisheries and Marine Institute of Memorial University** offers degree, diploma, certificate and other programs in the areas of fisheries and marine science and technology, including Canada's only degree program in maritime studies.

Grenfell Campus offers a variety of four-year degree programs in Arts (English, environmental studies, historical studies, humanities, psychology, social/cultural studies and tourism studies), Business (business administration), Education (primary/elementary, consecutive delivery option only), Fine Arts (theatre, visual arts), Nursing, Resource Management (sustainable resource management) and Science (environmental science, biology or chemistry, general science, psychology).

Memorial's campus in **Harlow, England** hosts co-op students in Business and Engineering, and Education students during the professional year of their program. Specialized programs are also offered for students in nursing, the humanities and the social sciences.

Memorial also has study abroad programs in St. Pierre - Miquelon and Europe, and formal exchange programs with universities in Canada and abroad.

A variety of credit and non-credit courses are available from Memorial using distance techniques and technology. For information on Memorial's distance education courses, please contact Distance Education and Learning Technologies at (709) 864-8700 or 1-866-435-1396 (outside St. John's).

Bachelor of Nursing (Collaborative) Program:

The Bachelor of Nursing (Collaborative) program prepares nurses to meet the future challenges of nursing practice. This program is offered at three locations: Memorial University of Newfoundland School of Nursing (St. John's), the Centre for Nursing Studies (St. John's) and Western Regional School of Nursing (Corner Brook). The Centre for Nursing Studies and the Western Regional School of Nursing offer other programs in addition to the Bachelor of Nursing (Collaborative) program.

For further information regarding the Bachelor of Nursing (Collaborative) program please contact:

- E-mail: nursingadmissions@mun.ca
- Phone: (709) 864-6871

1.4 Apprenticeship Training

Apprenticeship training involves on-the-job training under the supervision of a certified journey person, and periods of in-school training to learn the technical knowledge required to become competent in an occupation. The number and the length of on-the-job and in-school technical training periods vary depending upon the occupation. When training in an occupation through the apprenticeship system, the individual becomes an apprentice by having an apprenticeship Memorandum of Understanding registered with the Institutional and Industrial Education Division, Department of Advanced Education and Skills. For more information on apprenticeship training please contact the Division of Institutional and Industrial Education at (709) 729-2729 or 1-877-771-3737, or e-mail: app@gov.nl.ca.

1.5 Private Training Institutions

A complete list of private training institutions can be obtained by contacting the Department of Advanced Education and Skills at (709) 729-3026, or on the Department of Advanced Education and Skills web site at <http://www.gov.nl.ca/aes/>.

Section 2: Transfer of Credit Arrangements by Sending Institution

2.1 Course-by-Course Transfer of Credit Arrangements between Public Post-Secondary Institutions

The transfer arrangements in **Section Two** apply to courses or programs taken during the 2011-2012 academic year (September 1, 2011 to August 31, 2012). Credit for courses taken previously is normally governed by the appropriate Transfer Guide for the year in which courses were taken. Students who have interrupted their studies or spread them out over a longer period of time should seek advice from the institution which the student wishes to enter to determine the current status of transfer arrangements. The tables in **Section Two** are to be read from sending to receiving institution *only*. Transfers are not necessarily two-way.

Sending Institution	Receiving Institution	
College of the North Atlantic	Fisheries and Marine Institute of Memorial University	Memorial University (St. John's/Grenfell Campuses)
Biology BL1500	Biology 1100	¹ Biology 1001

Here's how this table is read, from sending to receiving

☞ A student who has successfully completed Biology BL1500 at College of the North Atlantic will receive credit for Biology 1100 at the Fisheries and Marine Institute of Memorial University or ¹Biology 1001 at Memorial University.

This does not necessarily mean that

☞ A student who has successfully completed Biology 1100 at the Fisheries and Marine Institute of Memorial University or ¹Biology 1001 at Memorial University will receive credit for Biology BL1500 at College of the North Atlantic.

In order to determine if the reverse is true, go to **Section 2.1.3** where the Fisheries and Marine Institute of Memorial University is the sending institution and to **Section 2.1.4** where Memorial University is the sending institution, and look across to see if there is any corresponding credit transfer at College of the North Atlantic (the receiving institution). *Note:* The courses listed in the following tables are not necessarily available at all university and college campuses. Please consult the appropriate institutional calendar for more information.

2.1.2 Comprehensive Arts and Science Transfer: College-University Credit Transfer Agreements

The Comprehensive Arts and Science transfer program (formerly known as the College-University Transfer Year) is a certificate program offered at the Burin, Carbonear, Grand Falls-Windsor, Happy Valley-Goose Bay and Labrador West campuses of College of the North Atlantic. The program has been developed through an agreement with Memorial University. It provides students with the opportunity to complete a suite of courses for which they will gain credit from College of the North Atlantic as well as from Memorial University. The following table provides a list of the college courses within the program that are transferable to Memorial University and constitute the equivalent of a first year of university studies. For more information on the program and its courses, please contact College of the North Atlantic at 1-888-982-2268.

Note: In areas of curriculum content and testing methodologies, these courses are identical to Memorial's

Sending Institution		Receiving Institution	
College of the North Atlantic	Prerequisite(s) for College Course	Memorial University (St. John's/Grenfell Campuses)	Fisheries and Marine Institute of Memorial University
Anthropology			
Anthropology EL1360	No prerequisite	Anthropology 1031	
Biology			
Principles of Biology I BL1170	No prerequisite	Biology 1001	Biology 1100
Principles of Biology II BL1171	College Biology BL1170 OR BL1500 OR Memorial Biology 1001	Biology 1002	
Chemistry			
Chemistry CH1130	None, but high school Chemistry is recommended. Strong mathematical skills are required, and students with low marks in high school Academic Mathematics (less than 70 percent) are strongly recommended to upgrade their mathematics background.	Chemistry 1010/1200	Chemistry 1100
Introductory Chemistry II CH1131	College Chemistry CH1130 OR Memorial Chemistry 1010	Chemistry 1011/1001	Chemistry 1200

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

Sending Institution		Receiving Institution	
College of the North Atlantic	Prerequisite(s) for College Course	Memorial University (St. John's/Grenfell Campuses)	Fisheries and Marine Institute of Memorial University
General Chemistry I CH1140	At least 75 percent in high school Chemistry 3202 and a pass in high school Advanced Mathematics 3205. Co-requisite: College Mathematics MA1130 (Memorial Mathematics 1000) OR MA2100. A Physics course would be helpful especially for students who did not take Physics in high school.	Chemistry 1050	Chemistry 1100
General Chemistry II CH1141	College Chemistry CH1140 AND Mathematics MA1130 OR MA2100; OR Memorial Chemistry 1050 AND Mathematics 1000 OR 1081	Chemistry 1051	Chemistry 1200
Introductory Chemistry III CH1150	College Chemistry CH1131 OR Memorial Chemistry 1011	Chemistry 1031	
Earth Sciences			
Earth Systems EH1100	No Prerequisite	Earth Sciences 1000	
Concepts and Methods in Earth Sciences EH1102	College Earth Sciences EH1100 OR Memorial Earth Sciences 1000	Earth Sciences 1002	
Economics			
Introduction to Microeconomics EC1140	Preferably the same prerequisites as College Mathematics 1104 OR Memorial Mathematics 1090	Economics 2010	
Introduction to Macroeconomics EC1150	Preferably the same prerequisites as College Mathematics 1104 OR Memorial Mathematics 1090	Economics 2020	
English			
Critical Reading and Writing I CM1120	Minimum of 60 percent in high school English 3201 (or equivalent) OR meet Memorial's admission requirements OR CM1061	English 1080/1000	
Critical Reading and Writing II (Fiction) CM1135	College English CM1120 OR Memorial English 1080/1000	English 1101/1001	

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

Sending Institution		Receiving Institution	
College of the North Atlantic	Prerequisite(s) for College Course	Memorial University (St. John's/Grenfell Campuses)	Fisheries and Marine Institute of Memorial University

2.2 Credit Transfer Involving Other Agencies and Organizations

The following tables provide information on the exemption policies and/or credit transfer arrangements extended to provincial public post-secondary institutions by other agencies and organizations.

2.2.1 Department of Advanced Education and Skills, Apprenticeship and Trades Certification Division

The Department of Advanced Education and Skills through the Division of Institutional and Industrial Education is responsible for the registration of apprentices in Newfoundland and Labrador. Course credits will be awarded to apprentices registered in a program offered at a recognized training institution. For more information on apprenticeship training, please contact the Division of Institutional and Industrial Education at (709) 729-2729, or e-mail: app@gov.nl.ca.

Section 3: Program or Block Transfer

3. Program or Block Transfer

For the most part, credit transfer involving public post-secondary institutions in this province occurs on a course-by-course basis. There are, however, program or block transfer arrangements also available to students (see following tables). **For more information consult the appropriate institutional calendar or Registrar/Student Service Offices.**

Within the Province

Sending Institution	Program or Block	Receiving Institution	Program or Block (Credits)
College of the North Atlantic	Adventure Tourism Program	Memorial University (Grenfell Campus)	Students who have graduated from the two-year Adventure Tourism program, or who are in their final semester of the program, can apply for entry with advanced standing into the Bachelor of Arts Degree with a Major in Environmental Studies Degree Program. (60 credit hours towards the 120 credit hours degree program).
College of the North Atlantic	Adventure Tourism Program	Memorial University (Grenfell Campus)	Students who have graduated from the two-year Adventure Tourism program, or who are in their final semester of the program, can apply for entry with advanced standing into the Bachelor of Arts Degree with a Major in Tourism Studies Degree Program. (54 credit hours towards the 120 credit hour degree program).
Memorial University	Bachelor of Science Degree	College of the North Atlantic	May be considered for advanced standing to the second year of Medical Laboratory program. Limited spaces are available due to severe space restrictions.
College of the North Atlantic	Business Management Diploma (three years)	Memorial University	May be considered for admission directly into the Bachelor of Business Administration. If admitted, will be required to complete a <u>minimum</u> of forty-five credit hours beyond those used towards the college diploma.
College of the North Atlantic	Community Recreation Leadership Diploma program (two years)	Memorial University	May be admitted with advanced standing to the Bachelor of Recreation (Co-op) degree program.

Sending Institution	Program or Block	Receiving Institution	Program or Block (Credits)
College of the North Atlantic	Comprehensive Arts & Science College-University Transfer Year	Memorial University	One for one credit transfer equivalent to first year university.
College of the North Atlantic	Engineering Technology (three year accredited diploma programs) with an overall average of 75 percent	Memorial University	First year university at Memorial University with eligibility for application to Term One, Bachelor of Engineering degree program.
College of the North Atlantic	Engineering Technology (three year programs) accredited by the Canadian Technology Accreditation Board	Memorial University (Marine Institute)	Admission to the Bachelor of Technology program (Subject to meeting the English language proficiency requirement).
College of the North Atlantic	Environmental Technology (three years)	Memorial University	Bachelor of Technology program (subject to meeting the language proficiency requirement).
College of the North Atlantic	Environmental Technology (three year program) at the Grenfell campus	Memorial University (Grenfell Campus)	Environmental Science Degree program (45 credit hours towards the 120 credit-hour program). Students will enter the second year of either stream of the Environmental Science degree program.
College of the North Atlantic	Fish and Wildlife Technician	Memorial University (Grenfell Campus)	Graduates who enter the Bachelor of Resource Management (B.R.M.) program will receive 60 credit hours towards the 120 credit hours B.R.M . degree.
College of the North Atlantic	Forest Resources Technician	Memorial University (Grenfell Campus)	Graduates who enter the Bachelor of Resource Management (B.R.M.) program will receive 60 credit hours towards the 120 credit hours B.R.M . degree.
College of the North Atlantic	Health Sciences (three year accredited diploma program) or a similar diploma taken from a recognized university/ college acceptable to the admissions committee.	Memorial University	Bachelor of Technology Program - entry into the thirty-nine credit hour program. (subject to meeting the language proficiency requirement.)

Sending Institution	Program or Block	Receiving Institution	Program or Block (Credits)
College of the North Atlantic	Hospitality Tourism Management Diploma Program (two years)	Memorial University (Grenfell Campus)	Graduates of the two-year Hospitality Tourism Management program, or who are in their final semester of the program, can apply for entry with advanced standing into the Bachelor of Arts Degree with a Major in Tourism Studies Degree Program (45 credit hours towards the 120 credit-hour degree program; students will be required to complete an additional 75 credit hours).

Outside the Province

Sending Institution	Program or Block	Receiving Institution	Block of Credit (Credits)
College of the North Atlantic	Adventure Tourism – Outdoor Recreation Diploma (two years)	Athabasca University	Bachelor of Professional Arts - Communication Studies Program (60 credits)
College of the North Atlantic	Adventure Tourism (two years)	Laurentian University	Graduates who meet entrance requirements will be eligible to be admitted to year two of the four-year Outdoor Adventure Leadership specialty in the Bachelor of Physical and Health Education degree.
College of the North Atlantic	Adventure Tourism (two years)	Thompson Rivers University	51 credits toward Bachelor of Tourism Management
College of the North Atlantic	Architectural Engineering Technology	Athabasca University	Bachelor of Science Post Diploma degree (60 credits)
College of the North Atlantic	Architectural Engineering Technology	Cape Breton University	Bachelor of Technology – Emergency Management (completion in 12 months) or Environmental Studies (completion in eight months)

Sending Institution	Program or Block	Receiving Institution	Block of Credit (Credits)
College of the North Atlantic	Architectural Engineering Technology	Purdue University, Indianapolis	Transfer to a Two-Year program at Indiana University - Purdue University (IUPUI). Upon successful completion of the two year program, students will receive a Bachelor of Science Degree in Construction Engineering Management Technology and a Master of Science degree in Technology. Both degrees are conferred by Purdue University, U.S.A.
College of the North Atlantic	Business Administration Accounting Program (two years) with GPA of 3.0+	University of New Brunswick	Enter year three of the four year Bachelor of Applied Management – Accounting (BAMAC). In addition to the regular program, students will be expected to complete Economics 1023- Macroeconomics , BA3425 – Managerial Finance or their equivalents. In addition, due to exemptions, graduates would not be eligible to study for credit BA4237 – Income Tax, Math 2903 – Financial Mathematics or BA2001 – Business Communications.
College of the North Atlantic	Business Administration (two years) <ul style="list-style-type: none"> • Accounting • General • Human Resource Management • Marketing 	Athabasca University	Bachelor of Management three Yr PD (60 credits) Bachelor of Management four Yr PD (60 credits) Bachelor of Management with Major four Yr PD (60 credits) Bachelor of Commerce PD (60 credits) Bachelor of Commerce with Major PD (60 credits)
College of the North Atlantic	Business Administration (two years) <ul style="list-style-type: none"> • Accounting • General • Human Resource Management • Marketing 	Athabasca University	Bachelor of Human Resources and Labour Relations Post Diploma (60 credits)

Sending Institution	Program or Block	Receiving Institution	Block of Credit (Credits)
College of the North Atlantic	Business Administration Diploma (two years)	Northwood University	Bachelor of Business Administration Degree in Management (year two of four)
College of the North Atlantic	Business Administration Program (two years)	University of Lethbridge	Will receive a two year block transfer into year three of the Bachelor of Management program.
College of the North Atlantic	Business Management Diploma (three years) <ul style="list-style-type: none"> • Accounting • Human Resource Management • Marketing 	Athabasca University	Bachelor of Management three year PD (60-66 credits) Bachelor of Management four year PD (60-75 credits) Bachelor of Management with Major four year PD (60-66 credits) Bachelor of Commerce PD (60-75 credits) Bachelor of Commerce with Major PD (60-66 credits)
College of the North Atlantic	Business Management Diploma (three years) <ul style="list-style-type: none"> • Accounting • Human Resource Management • Marketing 	Athabasca University	Bachelor of Human Resources & Labour Relations Post Diploma (60-66 credits)
College of the North Atlantic	Business program (CAN six semester program)	Cape Breton University	Bachelor of Business Administration program (at the appropriate level) and be eligible to complete a BBA degree normally within one calendar year.
College of the North Atlantic	Business Management (three years) <ul style="list-style-type: none"> • Accounting • Human Resources Management • Information Technology • Marketing 	Cape Breton University	Bachelor of Business Administration Program (at the appropriate level) and be eligible to complete a BBA degree normally within one calendar year.
College of the North Atlantic	Business Management (three years) - (at CNA/ Beijing Union University) <ul style="list-style-type: none"> • Marketing 	Northwood University	Three years towards the four-year Bachelor of Business Administration Degree in Management. Three years towards the four-year Bachelor of Business Administration Degree in Marketing/ Management.
College of the North Atlantic	Business Management (three years) <ul style="list-style-type: none"> • Accounting • Human Resource Management • Marketing 	Northwood University	Three Years towards the Four-Year Bachelor of Business Administration Degree in Management.

Sending Institution	Program or Block	Receiving Institution	Block of Credit (Credits)
College of the North Atlantic	Business Management (three years) • Accounting, • Human Resource Management • Marketing	Okanagan College	With a minimum 67 percent grade average, entry into the fourth year of the Bachelor of Business Administration (BBA) degree program with a minimum of 30 (90 credits) articulated courses.
College of the North Atlantic	Civil Engineering Technology (three years)	Cape Breton University	Bachelor of Technology – Emergency Management (completion in 12 months) or Environmental Studies (completion in eight months) or Petroleum (completion in 16 months)
College of the North Atlantic	Community Recreation Leadership Diploma (two years)	Athabasca University	Bachelor of Professional Arts – Communication Studies (60 credits)
College of the North Atlantic	Community Studies Diploma (two years)	Athabasca University	Bachelor of Professional Arts – Communication Studies (60 credits)
College of the North Atlantic	Community Studies Diploma	Cape Breton University	One year of three year Bachelor of Arts (Community Studies)
College of the North Atlantic	Computer Science Diploma (two years)	Athabasca University	Bachelor of Science – Computing and Information Systems (CIS) Post Diploma program (60 credits)
College of the North Atlantic	Computer Support Specialist (two years)	Athabasca University	Bachelor of Science – Computing and Information Systems (CIS) Post Diploma program (39 credits)
College of the North Atlantic	Digital Animation Diploma (two years)	Athabasca University	Bachelor of Professional Arts – Communication Studies program (60 credits)
College of the North Atlantic	Early Childhood Education (two years)	Athabasca University	Bachelor of Professional Arts – Human Services program (60 credits)
College of the North Atlantic	Electrical Engineering Technology (three years) • Industrial Controls • Power & Controls	Athabasca University	Bachelor of Science Post Diploma Degree (60 credits)
College of the North Atlantic	Electrical Engineering Technology	Cape Breton University	Bachelor of Technology – Computer Systems Development (completion in 12 months) or Emergency Management (completion in 12 months) or Manufacturing (completion in 12 months) or Petroleum (completion in 16 months)

Sending Institution	Program or Block	Receiving Institution	Block of Credit (Credits)
College of the North Atlantic	Electronics Engineering Technology (three years) <ul style="list-style-type: none"> • Biomedical • Communications • Instrumentation 	Athabasca University	Bachelor of Science Post Diploma Degree (60 credits)
College of the North Atlantic	Electronics Engineering Technology (three years) <ul style="list-style-type: none"> • Biomedical 	Athabasca University	Bachelor of Science Human Science Post Diploma Degree (60 credits)
College of the North Atlantic	Electronics Engineering Technology (three years) Computers/Information Technology (Co-op)	Athabasca University	Bachelor of Science - Computing and Information Systems Post diploma (45 credits)
College of the North Atlantic	Electronics Engineering Technology (any option)	Cape Breton University	Bachelor of Technology – Computer Systems Development (completion in eight months) or Emergency Management (completion in 12 months) or Manufacturing (completion in 12 months) or Petroleum (completion in 16 months)
College of the North Atlantic	Engineering Technology – Common First Year	Nova Scotia Agricultural College	Twelve credits toward study at the Nova Scotia Agricultural College
College of the North Atlantic	Engineering Technology programs (three year program)	Lakehead University	May be admitted to a summer bridging program, and if successful will be promoted to year three of a related Engineering Degree program in Chemical, Civil, Electrical, or Mechanical Engineering.
College of the North Atlantic	Environmental Technology Co-op Diploma (three years)	Athabasca University	Bachelor of Science Post diploma program (60 credits)
College of the North Atlantic	Environmental Technology (3 years)	Cape Breton University	Bachelor of Technology – Emergency Management (completion in 12 months) or Environmental Health (completion in 16 months) or Environmental Studies (completion in 8 months) or Petroleum (completion in 16 months)
College of the North Atlantic	Environmental Technology Co-op Diploma (three years)	Royal Roads University	Eligible for block transfer into the third year of Bachelor of Science Degree –Environmental Science or Environmental Management program (provided all other entrance criteria are met & space is available)

Sending Institution	Program or Block	Receiving Institution	Block of Credit (Credits)
College of the North Atlantic	Environmental Technology Co-op. Northern Natural Resources Technician	Royal Roads University (RRU), Victoria, B.C.	Graduates of College of the North Atlantic's Environmental Technology, Northern Natural Resources
College of the North Atlantic	Fish & Wildlife Technician (two years)	Athabasca University	Bachelor of Science Post Diploma program (30 credits)
College of the North Atlantic	Fish & Wildlife Technician (two years)	Royal Roads University	Graduates with at least two chemistry courses and one math course (linear algebra or calculus) will be eligible for block transfer into the third year of Bachelor of Science Degree –Environmental Science or Environmental Management program.
College of the North Atlantic	Forest Resources Technician (two years)	Athabasca University	Bachelor of Science Post Diploma program (30 credits)
College of the North Atlantic	Forest Resources Technician (two years)	Royal Roads University	Graduates with at least two chemistry courses, one cellular biology/biochemistry course, and one math course (linear algebra or calculus) will be eligible for block transfer into the third year of Bachelor of Science Degree – Environmental Science or Environmental Management program.

Sending Institution	Program or Block	Receiving Institution	Block of Credit (Credits)
College of the North Atlantic	Forest Resources Technician (two years)	University of New Brunswick	<p>Graduates who meet admission requirements into FOREM's Bachelor of Science in Forestry (BScF) will be eligible for direct credit transfer provided grades attained in the listed transferrable courses are 70% or greater. <i>CNA Course - UNB Course = Credit Hours</i></p> <p>CM1400/EN2120 – ENR1001 = 3 ; CM1401/CM1401/PR2660 – ENR1002 = 3; BL1120 – BIOL1001/1006 = 5; FR1300/1331/2360/ SU1150– FOR1001/FOR2432 = 8; FR2350 – FOR4625 = 4; SU1550/1700 – FOR3303 = 3; MC1080 – FOR2973 = 2; MA1670 – STAT2253 = 3; SU3210 – FOR2281 = 2; EY2110/2200/2201 – FOR3445 = 4; GE1300/FR2340 – FOR2505 = 3; FR1400 – FE2803 = 3; FR1560/1561 – FE2703 = 3; FR2120/HR2200 – ENR2004 = 3; FT1401 – ENR1973 = 2; FY2210/FY2211 – FOR2425 = 4; FR2430/MN1800 – Unassigned FOR = 3; HR2200/EN2110 - Unassigned FOR = 3</p> <p>(Total possible 61 credit hours)</p>
College of the North Atlantic	Forest Resources Technician (two years)	Lakehead University	Eligible for admission consideration to second year of Honours Bachelor of Science in Forestry Degree
College of the North Atlantic	Geomatics Engineering Technology Co-op (three years)	Athabasca University	Bachelor of Science Post Diploma program (60 credits)
College of the North Atlantic	Geomatics Engineering Technology Co-op (three years)	Cape Breton University	Bachelor of Technology – Emergency Management (completion in 12 months) or Environmental Studies (completion in eight months) or Petroleum (completion in 16 months)
College of the North Atlantic	Graphic Design	Athabasca University	Bachelor of Professional Arts – Communication Studies Program (60 credits)

Sending Institution	Program or Block	Receiving Institution	Block of Credit (Credits)
College of the North Atlantic	Graphic Printing & Production Technology	Athabasca University	Bachelor of Professional Arts – Communication Studies Program (60 credits)
College of the North Atlantic	Hospitality Tourism Management program	Royal Roads University	With appropriate prerequisite qualifications, transfer into the Third Year of the Bachelor of Arts in International Hotel Management Degree. Entrance is on a competitive basis.
College of the North Atlantic	Industrial Engineering Technology Co-op (three years)	Athabasca University	Bachelor of Science Post Diploma Degree (60 credits)
College of the North Atlantic	Industrial Engineering Technology Co-op (three years)	Cape Breton University	Bachelor of Technology – Emergency Management (completion in 12 months) or Manufacturing (completion in 12 months) or Petroleum (completion in 16 months)
College of the North Atlantic	Journalism Diploma (two years)	Athabasca University	Bachelor of Professional Arts – Communication program (60 credits)
College of the North Atlantic	Journalism Post Diploma (one year)	Athabasca University	Bachelor of Professional Arts – Communication program (30 credits towards admission requirement of 60 credits)
College of the North Atlantic	Manufacturing Operations Technology (three years)	Athabasca University	Bachelor of Science Post Diploma Degree (60 credits)
College of the North Atlantic	Manufacturing Operations Technology (three years)	Cape Breton University	Bachelor of Technology – Emergency Management (completion in 12 months) or Petroleum (completion in 16 months)
College of the North Atlantic	Mechanical Engineering Technology (three years)	Cape Breton University	Bachelor of Technology – Emergency Management (completion in 12 months) or Manufacturing (completion in 12 months) or Petroleum (completion in 16 months)
College of the North Atlantic	Mechanical Engineering Technology – Manufacturing (three years)	Athabasca University	Bachelor of Science Post Diploma degree (60 credits)
College of the North Atlantic	Mechanical Engineering Technology Manufacturing (three years)	Cape Breton University	Bachelor of Technology – Emergency Management (completion in 12 months) or Manufacturing (completion in 8 months) or Petroleum (completion in 16 months)
College of the North Atlantic	Medical Laboratory Sciences	Athabasca University	Bachelor of Science (Post Diploma) Human Science Degree (60 credits)

Sending Institution	Program or Block	Receiving Institution	Block of Credit (Credits)
College of the North Atlantic	Medical Radiography	Athabasca University	Bachelor of Science (Post Diploma) Human Science Degree (60 credits)
College of the North Atlantic	Multimedia Courseware (two years)	Athabasca University	Bachelor of Professional Arts – Communication Studies program (60 credits)
College of the North Atlantic	Multimedia Internet Development (two years)	Athabasca University	Bachelor of Science – Computing and Information Systems Post Diploma (42 credits)
College of the North Atlantic	Music Industry & Performance (two years)	Athabasca University	Bachelor of Professional Arts – Communication Studies program (60 credits)
College of the North Atlantic	Natural Resources Technician Diploma	Royal Roads University	Graduates with at least two chemistry courses and one math course (linear algebra or calculus) will be eligible for block transfer into the third year of Bachelor of Science Degree –Environmental Science OR Environmental Management program.
College of the North Atlantic	Northern Natural Resources Technician Diploma (two years)	Athabasca University	Bachelor of Science Post Diploma program (30 credits)
College of the North Atlantic	Northern Natural Resources Technician Diploma	Royal Roads University	Graduates with at least two chemistry courses and one math course (linear algebra or calculus) will be eligible for block transfer into the third year of Bachelor of Science Degree –Environmental Science or Environmental Management program.
College of the North Atlantic	Nutrition & Food Service Management (two years)	Athabasca University	Bachelor of Professional Arts – Communication Studies Degree program (30 credits towards admission requirement of 60 credits)
College of the North Atlantic	Office Administration Diploma (two years) <ul style="list-style-type: none"> • Executive • Legal • Medical • Records/Information Management 	Athabasca University	Bachelor of Professional Arts – Communication Studies program (30 credits)
College of the North Atlantic	Petroleum Engineering Technology (three years)	Athabasca University	Bachelor of Science Post Diploma Degree (60 credits)

Sending Institution	Program or Block	Receiving Institution	Block of Credit (Credits)
College of the North Atlantic	Petroleum Engineering Technology (three years)	Cape Breton University	Bachelor of Technology – Emergency Management (completion in 12 months) or Environmental Studies (completion in eight months) or Petroleum (completion in eight months)
College of the North Atlantic	Petroleum Engineering Technology (three years)	Montana College	Bachelor of Technology Degree (65 credits)
College of the North Atlantic	Programmer Analyst - Business (two years)	Athabasca University	Bachelor of Science - Computing and Information Systems (CIS) Post Diploma Program (45 credits)
College of the North Atlantic	Programmer Analyst - Business Coop(three years)	Athabasca University	Bachelor of Science - Computing and Information Systems (CIS) Post Diploma Program (45 credits)
College of the North Atlantic	Programmer Analyst – Database Development (two years)	Athabasca University	Bachelor of Science - Computing and Information Systems (CIS) Post Diploma Program (63 credits)
College of the North Atlantic	Programmer Analyst – Networking (two years)	Athabasca University	Bachelor of Science - Computing and Information Systems (CIS) Post Diploma Program (45 credits)
College of the North Atlantic	Recording Arts Diploma (two years)	Athabasca University	Bachelor of Professional Arts – Communication Studies program (60 credits)
College of the North Atlantic	Respiratory Therapy	Athabasca University	Bachelor of Science (Post Diploma) Human Science Degree (60 credits)
College of the North Atlantic	Textile Studies (two years)	Athabasca University	Bachelor of Professional Arts – Communication Studies Degree program (30 credits towards admission requirement of 60 credits)
College of the North Atlantic	Tourism Studies Diploma (two years)	Athabasca University	Bachelor of Professional Arts – Communication Studies program (60 credits)
College of the North Atlantic	Visual Arts Diploma (two years)	Athabasca University	Bachelor of Professional Arts – Communication Studies program (60 credits)
College of the North Atlantic	Visual Arts Diploma (two years)	Nova Scotia College of Art and Design	Bachelor of Fine Arts (up to two years of the four-year program)
College of the North Atlantic	Website Administration (two years)	Athabasca University	Bachelor of Science - Computing and Information Systems (CIS) Post Diploma Program (45 credits)

Sending Institution	Program or Block	Receiving Institution	Block of Credit (Credits)
College of the North Atlantic	Welding Engineering Technology (two years)	Athabasca University	Bachelor of Science Post Diploma program (30 credits)
College of the North Atlantic	Any two year Diploma program (with GPA of 3.0+)	University of New Brunswick	Bachelor of Applied Management (BAM) (year three of four)

Section 4: Programs Linked to High School

4.1 Advanced Placement (AP) Program

Advanced Placement is a program of college level courses and examinations for high school students. AP is administrated by the college entrance examination board, headquartered in New York City, New York with a Canadian office in Kelowna, British Columbia. Students who successfully complete examinations with a prescribed standing may, upon admission to a public post-secondary institution, be granted credit as outlined in the following table. **For more information consult the appropriate institutional calendar or Registrar/Student Service Offices.**

Sending Institution	Receiving Institution		
Advanced Placement Courses	Memorial University (St. John's/Grenfell Campuses)	College of the North Atlantic	Fisheries and Marine Institute of Memorial University
Biology	Biology 1001 AND three unspecified credit hours with minimum standing of four	Principles of Biology I BL1170 AND Principles of Biology II BL1171 with AP standing of four or five	No credit recommended
Calculus AB	Mathematics 1000 with minimum standing of three	Mathematics MA1100 OR MA1700 AND Mathematics MA1101 (with AP standing of three or more)	Mathematics 1100 AND 1101 AND 1200 (with AP standing of three or more)
Calculus BC	Mathematics 1000 with minimum standing of three	Mathematics MA1101 OR MA1700 AND Mathematics MA 1101 (with AP standing of three or more)	Mathematics 1101 AND 1200 (with AP standing of three or more)
Chemistry	Chemistry 1050 AND 1051 OR 1200 AND 1001 with AP standing of five Chemistry 1010 AND 1011 OR 1200 with minimum standing of three	Chemistry CH1120 AND CH1121 with AP standing of three or four General Chemistry I CH1140 AND General Chemistry II CH1141 with AP standing of five Chemistry CH1130 AND Introductory Chemistry II CH1131 with AP standing of three or four	Chemistry 1100 AND Chemistry 1200 with an AP standing of three or four

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

Sending Institution	Receiving Institution		
Advanced Placement Courses	Memorial University (St. John's/Grenfell Campuses)	College of the North Atlantic	Fisheries and Marine Institute of Memorial University
Computer Science A	Computer Science 1710 with minimum standing of three		No credit recommended
Computer Science AB	Computer Science 1710 AND 2710 with minimum standing of three		
Economics (Micro Economics)	Economics 2010 with minimum standing of three		
Economics (Macro Economics)	Economics 2020 with minimum standing of three		
English Language and Composition	No credit recommended	Writing Fundamentals CM1100	No credit recommended
English Literature and Composition	English 1080 OR 1000 with minimum standing of four	Critical Reading and Writing I CM1120 with AP standing of four or more	No credit recommended
Environmental Science	Environmental Science 1000 with minimum standing of three		No credit recommended
European History	History 2300 AND 2310 with minimum standing of three		No credit recommended
Fine Arts (Art History)	Visual Arts/History 2700 AND 2701 with minimum standing of three		No credit recommended
Fine Arts (Studio Art)	Visual Arts 1000 with minimum standing of three		No credit recommended.

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

Sending Institution	Receiving Institution		
Advanced Placement Courses	Memorial University (St. John's/Grenfell Campuses)	College of the North Atlantic	Fisheries and Marine Institute of Memorial University
French Language	French 1500 with minimum standing of three French 1500 AND 1501 with minimum standing of four French 1501 AND 1502 with AP standing of five		No credit recommended
French Literature	French 2601 + three unspecified credit hours (second year level) with AP standing of five French 2601 with minimum standing of four		
German	German 1000, 1001 with AP standing of five. German 1000 with minimum standing of four		
Geography	Geography 1050 with minimum standing of three		No credit recommended
Music Theory	Music 1120 with minimum standing of four Music 1120 AND 1116 with AP standing of five		No credit Recommended
Physics B	Physics 1020 AND 1021 with minimum standing of three	Physics PH1101, PH1200, 1325 AND 1327	Physics 1100
Physics C	Physics 1050 with minimum standing of three		

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

Sending Institution	Receiving Institution		
Advanced Placement Courses	Memorial University (St. John's/Grenfell Campuses)	College of the North Atlantic	Fisheries and Marine Institute of Memorial University
Political Science US Govt. and Politics Comparative Govt and Politics	Political Science – three unspecified credit hours with minimum standing of four Political Science – three unspecified credit hours with minimum standing of four		
Psychology	Psychology 1001 with minimum standing of four Note: With AP standing of five, a student may substitute a 2000 level non-restricted psychology course for Psychology 1000		No credit recommended
Statistics	Statistics 2500 with a minimum standing of three		
U.S. History	History 2600 AND 2610 with a minimum standing of three		No credit recommended
World History	History 2500 AND 2510 with a minimum standing of three		

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

4.2 International Baccalaureate (IB) Program

The International Baccalaureate program is administered by the International Baccalaureate Organization headquartered in Geneva, Switzerland, with regional offices worldwide. IBO offers schools programs at three levels: diploma - in the final two years of the secondary school (16-19 age group); middle years (for students aged 11-16); and primary years (for students aged three-12). In this province, Holy Heart of Mary High School offers the IB diploma program.

POLICIES OF MEMORIAL UNIVERSITY DEPARTMENTS RESPECTING AWARDING OF CREDIT FOR THE INTERNATIONAL BACCALAUREATE PROGRAM

IB Subject	Memorial University (St. John's/Grenfell Campuses)	IB Standing Required
Anthropology <i>(Higher)</i>	Anthropology 1031	4
Anthropology <i>(Standard)</i>	Anthropology 1031	4
Biology <i>(Higher)</i>	Biology 1001 and 1002	5
Biology <i>(Higher)</i>	Biology 1001	4
Biology <i>(Standard)</i>	No credit	
Business <i>(Higher)</i>	Business 1000 + nine unspecified credit hours	4
Business <i>(Standard)</i>	Business 1000 + three unspecified credit hours	4
Chemistry <i>(Higher)</i>	Chemistry 1050, 1051	6
	Chemistry 1010, 1011 OR 1200, 1001	5

Chemistry <i>(Standard)</i>	Chemistry 1010 OR 1200	5
Computer Science <i>(Higher)</i>	To be evaluated on an individual basis.	4
Computer Science <i>(Standard)</i>	To be evaluated on an individual basis.	4
Design Technology <i>(Higher)</i>	No Credit	
Economics <i>(Higher)</i>	Economics 2010, 2020, 3030 + three unspecified credit hours (second year level)	4

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

IB Subject	Memorial University (St. John's/Grenfell Campuses)	IB Standing Required
Economics <i>(Standard)</i>	Economics - three unspecified credit hours (second year level)	4
English <i>(Higher)</i>	English 1080, 1101 OR 1000, 1001	4
English <i>(Standard)</i>	No credit	
Environmental Systems <i>(Standard)</i>	Environmental Science 1000 AND Environmental Studies 1000	4
French <i>(Higher)</i>	French 1500, 1501	4
French <i>(Standard)</i>	French 1500	4
Geography <i>(Higher)</i>	Geography 1050, 2001, 2102 + three unspecified credit hours (first year level)	4
Geography <i>(Standard)</i>	No credit	
German <i>(Higher)</i>	German – six unspecified credit hours (third year level)	4
History <i>(Higher)</i>	History - six unspecified credit hours (second year level)	4
History <i>(Standard)</i>	History - three unspecified credit hours (second year level)	4
Information Technology in a Global Society <i>(Higher)</i>	Computer Science – three unspecified credit hours (second year level)	4
Information Technology in a Global Society <i>(Standard)</i>	Computer Science – three unspecified credit hours (first year level)	4
Mathematics <i>(Higher)</i>	Math 1000, 1001	4
Mathematics <i>(Standard)</i>	No Credit. Permission granted by department to allow direct entry into Math 1000	4
Music <i>(Higher)</i>	Music 1120, 2012 + four unspecified credit hours (first year level) (Applied Music)	5
Music <i>(Standard)</i>	Music 2012	5
Philosophy <i>(Higher)</i>	Philosophy - six unspecified credit hours	4
Philosophy <i>(Standard)</i>	Philosophy - three unspecified credit hours	4

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

IB Subject	Memorial University (St. John's/Grenfell Campuses)	IB Standing Required
Physics (<i>Higher</i>)	Physics 1020, 1021	4
Physics (<i>Standard</i>)	No credit	
Psychology (<i>Higher</i>)	Psychology 1000, 1001 + three unspecified credit hours	4
Psychology (<i>Standard</i>)	Psychology 1000, 1001	4
Spanish (<i>Higher</i>)	Spanish 1000, 1001	4
Spanish (<i>Standard</i>)	Spanish 1000	4
Theatre Arts (<i>Higher</i>)	Theatre – six unspecified credit hours (first year level)	4
Theatre Arts (<i>Standard</i>)	No credit	
Visual Art (<i>Higher</i>)	To be evaluated on an individual basis	4
Visual Art (<i>Standard</i>)	Visual Arts 1000	4

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

4.3 Adult Basic Education Program

The Adult Basic Education (ABE) program was designed to give adults an opportunity to complete their high school education or equivalent. ABE is offered at College of the North Atlantic and approved private training institutions.

To be eligible to transfer credits from the ABE program back to high school, students must be a **minimum of 19 years of age** (or 18 years of age and out of school one year) and **require six or fewer credits to graduate**.

Additionally, to be considered for a transfer of credits back into the high school system, a student must have obtained a minimum of five Level III credits in the Newfoundland and Labrador high school system.

Note: Special admissions to the ABE program do not override section 4.3

Within the high school program there are regulations which apply to awarding of credit. These regulations would also apply for transferring of credit back to the high school system.

For example:

- (I) Credit will **NOT** be awarded for a course for which the student already has the equivalent high school course completed (e.g., a student who already has credit for Consumer Studies 1202 on his/her transcript, cannot transfer back credit received for IE 3211 Consumer Studies).
- (II) Credit will **NOT** be awarded for conflicting courses (e.g., a high school student with credit for English 2201 cannot receive credit for English 2202, therefore a student with credit for English 2201 will not be eligible to transfer English 2102A/B/C from the ABE system back to high school).
- (III) Credits that are transferred back into the high school system are given a fifth digit “9” designation (09 3294) which indicates the course is a transfer credit. Transfer credits are not given a numerical score when transferred back and hence cannot be used to calculate academic/honours graduation status.

Regulations such as the above can be found in the High School Certification Handbook or as updates, both of which can be found online at: <http://www.gov.nl.ca/edu>.

To ensure each student is working on a program that will be eligible for transfer back into high school and secure high school graduation, a request for prior approval should be obtained from

the Manager of Evaluation:

Phone: (709) 729-6261

Fax: (709) 729-0611

Email: bobjohnston@gov.nl.ca

Once all courses are complete, they must be entered into the online Adult Basic Education database and the Manager of Evaluation be notified. Please include the student's name and date of birth.

As courses that currently have equivalencies in the ABE system are de-listed from the high school curriculum, a transfer of credit from the ABE system to the high school system will no longer be possible.

Listed below are the only courses that currently have a transfer equivalency from ABE to the high school system. When these are transferred, a student receives credit for the course but no mark.

Below is a course equivalency matrix that is effective as of September 2009

ABE Course	High School Course Equivalent
English 1101 A/B/C	English 1201
English 1102 A/B/C - General	English 1202
English 2101 A/B/C	English 2201
English 2102 A/B/C - General	English 2202
English 3101 A/B/C	English 3201
English 3102 A/B/C - General	English 3202
World Literature 3101A/3101B	World Literature 3207
IG 3221 Human Geography	World Geography 3200
Economics 3101 A/B	Consumer Studies 1202
History 3201/3202	Canadian Studies 1297
IG 3119 Canadian Law (one credit)	Canadian Law 2104
Biology 2101 A/B/C	Biology 2201
Biology 3101 A/B/C	Biology 3201
Chemistry 2102 A/B/C	Chemistry 2202
Chemistry 3102 A/B/C	Chemistry 3202
Physics 2104 A/B/C	Physics 2204
Physics 3104 A/B/C	Physics 3204
Any three of: Biology 1101 Chemistry 1102 Physics 1104 Earth Systems 1109	Science 1206
Science 2100 A/B/C	Science 2200 (Basic Life Science)

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

ABE Course	High School Course Equivalent
Any three of: Sc. 3101 Matter and Chemical Change Sc. 3102 Simple Machines and Energy Sc. 3103 Electricity Sc. 3104 Intro. to Oceanography Sc. 3105 From Life to Lifestyle Sc. 3106 Disease Def. and Human Health	No Direct Equivalency (Basic Physical Science)
IS 3214 Environmental Science	Environmental Science 3205
Healthy Living 3101/3102/3103	Healthy Living 1200
Math 1104 A/B/C	Math 1204
Math 2104 A/B/C	Math 2204
Math 3104 A/B/C	Math 3204
Math 2105 A/B/C - General	No Direct Equivalency
Math 3107 A/B/C - General*	No Direct Equivalency

* Math 3107 **AND** 3109 awarded the same HS equivalency credit

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

Section 5: Explanation of Terms

5. Explanation of Terms

<u>Terminology</u>	<u>Explanation</u>
Advanced Standing:	The amount of exemption from a unit or units of an educational program granted to a student on the basis of previous study, relevant work experience, or life skills.
Apprentice:	An individual working full-time in an apprenticeable trade and registered as an apprentice with the Government of Newfoundland and Labrador.
Challenge for Credit:	Credit for past experience or documented skills can be earned through completion of a challenge examination or a variety of possible types of evaluation.
Course:	<p><i>Memorial University of Newfoundland</i> including the <i>Marine Institute</i> defines a course as a unit of work in a particular subject normally extending through one semester (or session), the completion of which normally carries credit toward the fulfilment of the requirements of certain degrees, diplomas or certificates. A prerequisite course is a course which must be successfully completed prior to registration in the course for which it is required. A corequisite course is a course which must be taken concurrently with the course for which it is required. In the event that a student drops a course required as a corequisite, the student will be required to drop the course for which that corequisite is required. In particular cases, a department head may convert a prerequisite to a corequisite or waive it altogether.</p> <p><i>College of the North Atlantic</i> defines a course as a recognized body of instruction normally assigned a credit value of three or four with a minimum of two.</p>
Credit:	<p><i>College of the North Atlantic</i> defines a credit as the value assigned to a recognized body of instruction or content consisting of 1 hour of lecture/week/semester (i.e., a three hour lecture is equivalent to three credits).</p> <p>or</p> <p>A recognized laboratory experience as follows: two-four hours of lab/week/semester equivalent to one credit; five-seven hours of lab/week/semester equivalent to two credits; and eight-ten hours of lab/week/semester equivalent to three credits.</p> <p>A credit at the <i>Marine Institute</i> is awarded for each course completed in which the student obtains at least the minimum passing grade.</p>
Credit Hour:	<i>Memorial University of Newfoundland</i> defines a credit hour as the measure used to reflect the relative weight of a given course towards fulfilment of appropriate degree, diploma, certificate, major, minor, or other program requirements. Normally, a course has a credit value of three credit hours. A weight of one credit hour normally means that the course meets for lectures one hour per week for the duration of the semester or two hours per week for the duration of a session. The number of hours of required instruction, outside of lecture time, such as laboratory instruction, tutorials, etc., may or may not impact on the number of credit hours assigned to a particular course, and academic units may recommend to the Senate a greater or lesser whole number of credit hours for a particular course.

Credit Transfer:	The granting of credit by an institution (either in the same or different area of study as that of the original institution) to students on the basis of previous study undertaken in another institution.
(I) Exemption:	The waiving of completion of a body of instruction or unit of work by a receiving institution for satisfactory standing obtained in a similar body of instruction or unit of work at a sending institution.
(II) Transfer of credit (Course grade is transferred):	<i>College of the North Atlantic</i> - Course for course transfer whereby the grade previously attained is recorded and computed in grade-point average by the receiving institution.
(III) Transfer of credit (Course grade is not transferred):	<i>Memorial University of Newfoundland</i> including <i>Fisheries and Marine Institute</i> – Course-for-course transfer but grade is not recorded by receiving institution.
Prior Learning Assessment and Recognition:	A process whereby previous learning is recognized and credited (the basic premise is that credit is not awarded for experience, but for the learning that has resulted from an experience).
Program:	<p><i>Memorial University of Newfoundland</i> defines a program as a series of courses, the completion of which, if other requirements are met, qualifies the candidate for a degree or diploma.</p> <p><i>College of the North Atlantic</i> and the <i>Fisheries and Marine Institute</i> define:</p> <p>A <i>certificate</i> is a prescribed combination of courses that address occupational skills development, academic or general study, and self-interest or personal growth. These courses will normally be offered over a two semester period; be comprised of a minimum of 40 credits; and consist of a maximum of seven courses per semester.</p> <p>A <i>vocational certificate</i> prepares graduates for employment as operating or service technicians in specific trade areas. Programs are normally nine-twelve months in length.</p> <p>A <i>technical certificate</i> provides training in specific technical areas. Programs may be modular, full or part-time and of variable duration, but not less than one academic term or its equivalent.</p> <p>A diploma is a prescribed combination of courses that address occupational skills development, academic or general study, and self interest or personal growth. Courses will normally be offered over a minimum of four semesters; be comprised of a minimum of 80 credits; and consist of a maximum of seven courses per semester.</p> <p>An <i>advanced diploma</i> provides in-depth training in a specific technical area to graduates of at least a first degree or three year technology diploma programs. These are normally one academic year in length, except that work terms or job placement requirements may extend programs beyond this time.</p>

A *diploma of technology* is designed to prepare graduates for employment as technologists. These programs are normally three academic years in length. However, some programs may extend beyond this time as a result of work term or job experience requirements. A *technician diploma* is designed to prepare graduates for employment as technicians. These programs are normally two years in length.

A *post diploma/post degree* is a program of study that requires completion of either a diploma or undergraduate degree prior to acceptance into the program.

Receiving Institution: Any post-secondary institution *to* which students are transferring.

Semester: *Memorial University of Newfoundland* defines a semester as a period of approximately 14 consecutive weeks during which the university is in regular session and in which period there are at least twelve teaching weeks as defined by Senate. Normally, the fall semester commences in early September; the winter semester in early January; and the spring semester in early May.

College of the North Atlantic and the *Marine Institute* define a semester as a 15-week period which includes class/learning time as well as administrative and evaluation time.

Sending Institution: Any post-secondary institution *from* which students are transferring.

Session: *Memorial University of Newfoundland* defines a session as a period of approximately seven consecutive weeks during which the university is in regular session in the spring semester and in which period there are at least six teaching weeks as defined by senate. The first half of the spring semester is designated as intersession; the second half of the spring semester will be designated as summer session.

College of the North Atlantic and the *Marine institute* defines an intersession as an instructional period, of a minimum of five weeks duration.

Section 6: Institutional and Transfer Policy

6.1

Headquarters: Stephenville

Campus Locations:

Baie Verte	Happy Valley-Goose Bay
Bonavista	Labrador City
Burin	Placentia
Carbonear	Port aux Basques
Clareville	Seal Cove
Corner Brook	Stephenville
Gander	St. Anthony
Grand Falls-Windsor	St. John's

Applications

Applications from interested persons for entrance to any college course or program will be received by College of the North Atlantic at any time during the calendar year. Applications should be submitted to the campus offering the program. The college calendar is available at www.cna.nl.ca.

Admission Requirements

Certificate-level programs:

A provincial high school graduation certificate or equivalent.

Diploma-level programs:

A provincial high school graduation certificate or equivalent including program specific requirements in English, math and/or science. Please consult with the college calendar for the requirements of individual programs.

Mature Students:

Applicants 19 years of age or older who do not meet the educational prerequisite may be considered on an individual basis under the mature student clause.

Entrance Equivalencies

The following high school equivalency certificates will be considered for acceptance into any college program:

1. Basic Training for Skill Development
2. Adult Basic Education Level III certificate

3. General Educational Development Test

Persons holding those certificates will be accepted without further evaluation into vocational certificate programs. Persons holding those certificates and seeking entrance to diploma programs may be required to report for evaluation before acceptance is established, and upon being accepted those applicants may be required to complete additional courses before entering the diploma program of their choice.

Transfer Policy

A student may apply for credit for courses completed at another post-secondary institution, related work experience, and/or courses completed in other programs at the college. Applicants must submit an application accompanied by official transcripts and, if required, calendar descriptions of the courses claimed for credit/exemption.

Applications should be submitted to the Registrar's/ Student Services Office at the campus offering the program.

Prior Learning Assessment in any of its forms may be implemented to ascertain credit earned in the student's program of studies.

Selection of Students

Upon meeting admission requirements selection is based on a first-come, first-served policy.

6.2

**Campus Location:**

Main Campus - Ridge Road (St. John's)
Offshore Safety and Survival Centre (Foxtrap)
South Side (St. John's)

The Marine Institute calendar is available at www.mi.mun.ca

Admission Requirements*Degree Programs:*

All candidates for the Bachelor of Maritime Studies or Bachelor of Technology programs must meet the general admission requirements of the university.

Candidates who are graduates of nationally accredited technology diploma programs (Canadian Technology Accreditation Board or Canadian Medical Association) must provide a college/institute transcript and confirmation of graduation.

Candidates wishing to take university courses concurrently with college diploma courses prior to college/institute graduation must also meet the admission requirements of the Marine Institute.

All applicants must submit to the university's Admissions Office:

- an application for admission to the university;
- an application for admission to the Bachelor of Maritime Studies or Bachelor of Technology (available on-line at www.mi.mun.ca/bms/ or www.mi.mun.ca/btech/);
- transcripts from colleges(s) attended and proof of diploma; and
- an application fee

Non-degree Programs:

The admission requirements are listed separately for four categories of programs:

Advanced Diploma Programs:

Candidates for advanced diploma programs must have attained a three-year diploma from a recognized college or institute or a degree from a recognized university or polytechnical institute. The candidate's work experience may also be considered. Candidates may be required to attend an interview.

Mature students will be assessed on an individual basis.

Diploma of Technology and Technician Diploma Programs:

Candidates seeking admission must show documentary proof of one of the following:

a. Applicants shall have completed graduation requirements for high school as set down by the Department of Education and obtained credits in each of the following, with a minimum combined average of 60 percent in Level III mathematics, English, and science:

Mathematics: four math credits two of which must be either Math 2204 or Math 2205; and two credits from either 3204* or 3205.

* a minimum of 60 percent must be achieved in this subject.

English: English 3201.

Science: four credits two of which must be from either Biology 3201, or Chemistry 3202, or Physics 3204, or Earth Systems 3209.

b. A Grade XI public examinations matriculation certificate with an average of 60 percent.

c. A certificate of attainment in one of the following:

- i) B.T.S.D. - technical option;
- ii) Adult Basic Education Level III certificate (specific courses may be required).

These are minimum requirements. Students who exceed these requirements will be better prepared to succeed at the institute. All admissions are subject to the approval of the admissions committee.

Vocational Certificate Programs:

Applicants must submit proof of senior high school graduation or a certificate of attainment in one of the following:

- i) B.T.S.D. or,
- ii) Adult Basic Education (Level III).

Continuing Education Programs:

The Marine Institute offers a wide variety of programs designed to meet the needs of industry. Admission requirements for programs in this category vary greatly and all applicants should refer to the Marine Institute calendar for further explanation.

Mature Students

Applications will be considered from mature individuals (i.e., persons 21 years of age within one month of the start of the program) who have gained technical or practical expertise, or a combination of both, in the intended field of study.

Applications should be submitted with a résumé listing all associated experience, together with letters of recommendation from employers or other individuals who can substantiate the applicant's qualifications. Applicants must submit official academic transcripts and a birth certificate or other proof of age. Applications from mature students who do not meet the Marine Institute's minimum entrance requirements for the program applied for will be evaluated on an individual basis to determine that the applicant holds appropriate qualifications to succeed in the program and courses in question. Applications will be evaluated by the admission's committee on an individual basis.

Transfer Policy

Students may be awarded credit for courses completed at other institutions. Credit applications must be submitted to the registrar along with a certified copy of the student's transcript containing the grades for related courses. Students may also be required to submit course descriptions.

Challenge Examination

A challenge examination may be written by a student who wishes to seek credit in a course by a procedure other than normal class instruction. To be eligible to write a challenge examination the student must have obtained previous education or work experience which he/she can demonstrate, to the satisfaction of the school, has given him/her knowledge required to achieve a passing grade in a particular course. Students will be required to show documented proof of having received the experience. The school shall evaluate each student's application and determine which courses may be challenged, subject to certain regulations.

Residency Requirements

In order to receive a Marine Institute diploma or certificate, students must have obtained a minimum of 50 percent of the credits for their program at the Marine Institute.

Contact

Further information regarding admission to the Marine Institute can be obtained by contacting:

Admissions Officer

Office of the Registrar

Fisheries and Marine Institute of Memorial University

P.O. Box 4920, St. John's, NL

A1C 5R3

Phone: (709) 778-0380

Fax: (709) 778-0322

E-mail: admissions@mi.mun.ca

The Marine Institute reserves the right to refuse admission to any applicant.

6.3

Memorial

University of Newfoundland

Admission/Re-admission Information

The deadlines for the submission of applications for general admission are:

Mar. 1 (for the fall semester)

Oct. 1 (for the winter semester)

Feb. 1 (for the spring semester, intersession and summers sessions)

Note: Other deadlines may apply for some faculty or school programs. Please consult the appropriate faculty or school regulations in the current university calendar for further details.

Applications received later or post-marked later than the stated deadline dates will be processed as time and resources permit. Applicants may apply for admission, request an information package, or browse for information regarding their program of interest at www.mun.ca.

Each application must be accompanied by a \$40 application processing fee. An additional application processing fee of \$40 is required from non-Canadian applicants or applicants transferring from post-secondary institutions outside of Newfoundland and Labrador. Neither fee is refundable nor will it be credited to the applicant's financial account under any circumstances. Information regarding other fees and charges is specified under the fees and charges section in the university calendar.

Applicants who have previously attended Memorial University of Newfoundland and have not registered for courses for the past two consecutive semesters (fall, winter, spring) are required to submit a new application for admission/re-admission, together with the appropriate application processing fee. Applicants seeking admission to a particular faculty or school may be required to submit a supplemental faculty or school application in addition to the application for admission/re-admission, and should refer to appropriate faculty or school regulations in the university calendar for procedures, deadlines, admission requirements and further information.

The admission criteria required of each category of applicant is specified under categories of applicants, admission criteria, and required documentation.

Admission to some courses, programs and/or the university may be limited by the university when it deems the facilities and resources available are not adequate to provide for additional students. Consequently, possession of the minimum requirements does not guarantee that an applicant will be granted admission to a course, a program and/or the university.

The university may set its own matriculation examinations either in separate subjects or in all those required for matriculations, and may refuse admission to any applicant failing to attain a satisfactory standard in these examinations.

The university reserves the right to refuse admission to any applicant.

Applicants may be required to provide medical evidence of their fitness to pursue university studies.

English Language Proficiency Requirements

Because English is the primary language of instruction at this university, all applicants seeking admission to Memorial University of Newfoundland must possess an adequate knowledge of written and spoken English as a prerequisite to admission. Regardless of country or origin or of citizenship status, applicants will be required to provide proof of proficiency in the English language. For more information, please consult the university calendar.

Categories of Applicants, Admission Criteria, and Other Information

The categories of applicants applying for admission/re-admission as well as the admission criteria and other related information are provided in the University Calendar available at www.mun.ca. Before an admissions decision can be reached all required documents must be received. All documents must be official and be forwarded directly to the Admissions Office, Office of the Registrar, from the appropriate institution(s) or source(s). Photocopied documents are not acceptable unless duly certified.

English Language and Mathematics Placement Tests

In addition to the following, more detailed information regarding the English language and mathematics placement tests is available from the Department of English Language and Literature and the Department of Mathematics and Statistics respectively.

English Language Placement Test

With the exception of applicants who demonstrate English language proficiency under the regulations, English language proficiency requirements (English language secondary institution and English language post-secondary institution), all other applicants will be required to write a placement test in English language. This test must be taken prior to the commencement of classes to determine the appropriate English course for which an applicant should register. For further information concerning English language proficiency requirements refer to English language proficiency requirements in the university calendar.

A student whose performance in the placement test in English language indicates that appropriate placement is in English 102F will be required to register and successfully complete English 102F before registering in higher level courses in English.

Mathematics Placement Test

Applicants intending to register for the first time in any 1000 level mathematics course must submit a score for either an advanced placement calculus examination or other standardized tests acceptable to the Department of Mathematics and Statistics.

Students whose score in the advanced placement calculus examination or other standardized test is not acceptable to the Department of Mathematics and Statistics will be required to register in a mathematics course determined by the Department of Mathematics and Statistics.

Transfer Credit

Applicants wishing to be considered for advanced standing or transfer credit must submit, in addition to the application for admission/re-admission, an application for transfer credit evaluation which can be obtained from the Office of the Registrar.

Official transcript(s) and calendar descriptions and/or outlines of courses claimed for credit are also required and should be sent directly to Memorial from the institution attended.

To allow sufficient time for evaluation, these documents should be received at least two months prior to the commencement of the semester to which the applicant is seeking admission. It is the student's responsibility to provide the pertinent documents, and until they are received, the Office of the Registrar is unable to commence an evaluation or to advise students of their standing at this university.

When transfer credit is awarded for work completed at another institution, only equivalent Memorial University course(s) and credit(s) are recorded on the Memorial University of Newfoundland transcript. Grades received from other institutions are not recorded nor included in averages.

Applicants who have not received the results of a transfer credit evaluation prior to the assigned registration time for the semester in which they propose to begin studies should contact the Admissions Office for further assistance.

Advanced Placement

Memorial University of Newfoundland may recognize for transfer credit certain courses completed through the advanced placement program offered by the college board. Award of credit for advanced placement courses will be subject to the achievement of a minimum grade of three in each subject claimed for credit (in certain subjects a minimum grade of four may be required).

Award of credit for advanced placement courses will be subject to evaluation and recommendation by the appropriate university academic unit and university regulations.

The applicability of all transfer credits, whether specified or unspecified, is subject to appropriate program regulations.

Information regarding course equivalencies can be obtained from the Admissions Office, Office of the Registrar.

Advanced or Higher Levels

The advanced level subjects of the General Certificate of Education will generally be accepted for credit to a maximum of 12 credit hours in each subject provided that a minimum grade of D in each subject claimed for credit has been obtained.

The higher level subjects of the Scottish Leaving Certificate will generally be accepted for credit at the first-year level.

Award of credit will be subject to evaluation and recommendation by the appropriate academic unit(s) and university regulations. The applicability of all transfer credits, whether specified or unspecified, is subject to appropriate program regulations. Information regarding course equivalencies can be obtained from the Admissions Office, Office of the Registrar.

International Baccalaureate Diploma

Memorial will consider for transfer credit the higher level subjects and certain standard or subsidiary level subjects, provided that the subjects claimed for credit are recommended as equivalent to Memorial's courses by the relevant university academic unit(s), and the candidate has achieved a minimum grade of four in individual subjects claimed for credit. In certain subjects a minimum grade of five may be required.

The applicability of all transfer credits, whether specified or unspecified, is subject to appropriate program regulations. Information regarding course equivalencies can be obtained from the Admissions Office, Office of the Registrar.

Member Institutions of the Association of Universities and Colleges of Canada

All university-level course work completed by transfer students during the first two years of university study taken at universities/colleges that are ordinary members of the Association of Universities and Colleges of Canada will be recognized for transfer credit. In the first instance, the evaluation of such course work for appropriate credit will be conducted by university academic units. In instances where appropriate credit cannot be granted by academic units or where no university academic unit exists at this university for the evaluation of particular transfer credits, the Office of the Registrar will award the appropriate unspecified credits in an unspecified discipline.

Applicants who have completed course work beyond the first two years of university study may be considered for further transfer credit subject to evaluation and recommendation by the appropriate academic unit(s) and university regulations.

The applicability of all transfer credits, whether specified, unspecified or in an unspecified discipline, is subject to appropriate program regulations.

Information regarding course equivalencies can be obtained from the Admissions Office, Office of the Registrar.

Other Universities, Colleges and Institutes

Memorial may recognize for transfer credit certain courses offered by College of the North Atlantic, the Marine Institute, and certain other community colleges, technical colleges, institutes and CEGEPs.

Award of credit will be subject to evaluation and recommendation by the appropriate academic unit(s) and university regulations.

The applicability of all transfer credits, whether specified or unspecified, is subject to appropriate program regulations.

Information regarding course equivalencies can be obtained from the Admissions Office, Office of the Registrar. See contact information below.

Challenge for Credit

Memorial recognizes that some students may have achieved competence in certain subject areas through experience gained elsewhere. This experience, which may warrant consideration for academic credit at the undergraduate level, may consist of courses taken at non-university institutions or skills acquired from work or learning outside the university. It should be noted that challenge for credit is not offered for work terms or internships.

Since course challenge is not offered by all academic units nor for all courses within a unit, students are advised to consult with the appropriate academic unit to determine whether or not a particular course is offered for challenge.

Where challenge for credit is offered, it is available under the following conditions:

- Challenge for credit is available only to those students who have applied for admission or who are currently registered at the university.
- Applications to challenge for credit are available at the Office of the Registrar. Completed applications must be submitted to the Office of the Registrar and must receive approval from the

head of the academic unit offering the course(s). The academic unit may require documentary material from the student and/or an interview before making its decision whether or not to accept the challenge. The academic unit involved will be responsible for deciding the scheduling and appropriate method of evaluation, which may consist of a variety of possible modes of evaluation including written, practical and oral.

- A student who has applied for transfer credit evaluation may not apply to challenge for credit until the transfer credit evaluation has been completed.
- Memorial University will consider for credit courses that have been granted credit through a challenge for credit process by another recognized university or college. Award of credit will be subject to evaluation and recommendation by the appropriate academic unit(s) and university regulations.
- For the purpose of satisfying the regulations for residence requirements for a first degree and residence requirements for a second degree (under general academic regulations), a successful challenge for credit shall be considered the equivalent of a transfer credit and shall be recorded on the transcript as a pass. Challenge grades are not included in averages. For further information refer to residence requirements for a first degree and residence requirements for a second degree.
- The appropriate fee must be paid at the time of application. For further information refer to the fees and charges. If the application is accepted for consideration, the fee is not refundable nor is the student permitted to withdraw the challenge.
