**The Newfoundland and Labrador Transfer Guide**  
Department of Advanced Education and Skills

---

**The arrangements for transfer credit recorded in this Transfer Guide apply to courses or programs taken during the 2013 - 2014 academic year (September 1, 2013 to August 31, 2014). Credit for courses taken prior to the above academic year are governed by the appropriate Transfer Guide for the year in which courses were taken.**

---

The information compiled involved numerous individuals in the province's public secondary and post-secondary institutions, and the Department of Advanced Education and Skills. The Department of Advanced Education and Skills extends its sincere gratitude to these individuals.

## ***Introduction***

The Transfer Guide is made available online by the Department of Advanced Education and Skills. The Transfer Guide is available annually and is designed as a guidance tool to be used in conjunction with other post-secondary education and training planning resources. The guide lists established transfer of credit precedents available to students in Newfoundland and Labrador.

The arrangements for transfer credit recorded in this Transfer Guide apply to courses or programs taken during the current academic year (September 1 to August 31). Credit for courses taken previously is normally governed by the appropriate Transfer Guide for the year in which courses were taken. Students who have interrupted their studies or spread them over a longer period of time should seek advice from the institution which the student wishes to enter to determine the current status of transfer arrangements.

Registrars, guidance counselors, high school teachers, instructors and students at the secondary and post-secondary levels will find the Transfer Guide to be an important reference source to inform and assist in matters relating to the transfer of credit from one institution to another within the public post-secondary system. The Transfer Guide is a relevant resource for all those involved in post-secondary education and training in this province.

To view or for a printable version of the current Transfer Guide, including access to the Online Transfer Guide Database, go to: <http://www.aes.gov.nl.ca/>

Your comments and suggestions for future versions are welcomed. If you have any questions or concerns please contact the Department of Advanced Education and Skills at:

Department of Advanced Education and Skills  
4th Floor, West Block, Confederation Building  
P.O. Box 8700  
St. John's, NL

Phone: (709) 729-6828  
Fax: (709) 729-3590

## *How to Use the Transfer Guide*

To use the Transfer Guide refer to the information below:

**Section One:** provides an overview of the public post-secondary system in the province.

**Section Two:** lists credit transfer arrangements on a sending institution basis. Due to the fact that transfer agreements between the public post-secondary institutions are not necessarily two-way, the tables in section two are to be read from sending to receiving institution only.

**Example one:** A student has successfully completed some courses at College of the North Atlantic and wishes to find out if he/she can transfer any of those credits to Memorial University. In this case, College of the North Atlantic is the sending institution and Memorial University is the receiving institution.

*Here's how to find out if there are any credit transfer possibilities:*

- ☞ Go to **Section 2.1.1** where College of the North Atlantic is the sending institution.
- ☞ Look to see if any courses successfully completed are listed in the sending column.
- ☞ If so, go across to where Memorial University is the receiving institution and the corresponding course to which credit transfer is granted.

**Example two:**

A student has successfully completed some courses at Memorial University and wishes to find out if he/she can transfer any of those credits to College of the North Atlantic. In this case, the university is the sending institution and College of North Atlantic is the receiving institution.

*Here's how to find out if there are any credit transfer possibilities:*

- ☞ Go to **Section 2.1.4** where Memorial University is the sending institution.
- ☞ Look to see if courses successfully completed are listed in the sending column.
- ☞ If so, go across to where College of the North Atlantic is the receiving institution and the corresponding course to which credit transfer is granted.
- ☞ For more information refer to **Section 2.1**.

**IMPORTANT NOTE:** The courses listed in section 2.1 are not necessarily available at all university and college campuses. Please consult the appropriate institutional calendar for more information.

**Section Three:** provides a listing of groups of courses which are transferable as a block to other post-secondary institutions.

**Section Four:** provides transfer of credit information for three programs linked to high school: the Advanced Placement program, the International Baccalaureate program and the Adult Basic Education program.

**Section Five:** provides an explanation of terms related to credit transfer.

**Section Six:** provides a brief description of the admission requirements and transfer policies of each public post-secondary institution.

It should be noted that:

1. The Transfer Guide identifies where special transfer agreements exist for *similar* courses.
2. The Transfer Guide indicates the *minimum* transfer of credit which is available for prior post-secondary educational experience upon admission to another post-secondary institution. Additional transfer of credit may be available on an individual basis.
3. The tables in **Section Two** are to be read from sending institution to receiving institution *only*. Transfer agreements are not necessarily two-way (see previous page).
4. The information in this Transfer Guide is the most recent at the time it is available online. However, due to ongoing negotiations between institutions there may be instances where information is incomplete. Should questions arise, the user is encouraged to reference institutional calendars and consult with Registrar/Student Service Offices.
5. Transfer is sometimes possible for courses or programs not contained in this Transfer Guide. Such arrangements are generally considered on an individual basis. Students seeking special consideration are advised to consult the Registrar/Student Service Offices at both the sending and receiving institutions.
6. Where no entry or a blank space appears in the receiving institution column of the course-by-course tables in **Section Two** of the guide, this indicates that no formal transfer arrangement or established precedent has been identified between the sending and receiving institution at the time of posting.

*Section 1: Overview of the Public Post-Secondary System*

## 1.1 Recommended Points of First Contact

The province's public post-secondary education system includes:

- College of the North Atlantic.
- Memorial University of Newfoundland including Grenfell Campus, the Marine Institute of Memorial University of Newfoundland

Other sectors of the post-secondary education system include:

- Apprenticeship training; and,
- Private training institutions.

## 1.2 College of the North Atlantic

College of the North Atlantic is governed by a single provincial board and administered by a main executive office with campus locations across the province.

The Comprehensive Arts and Science transfer program (formerly known as the College-University Transfer Year) is a certificate program offered at the Burin, Carbonear, Grand Falls-Windsor, Happy Valley-Goose Bay and Labrador City campuses. The program has been developed through an agreement with Memorial University of Newfoundland. It provides the opportunity to complete a suite of courses for which to gain credit from the college as well as from Memorial University. For more information please refer to **Section 2.1.2**.

College of the North Atlantic is responsible for delivering educational services throughout the province. These include:

1. two and three-year programs leading to a diploma;
2. one-year post-graduate programs leading to an advanced diploma;
3. full-time, occupational courses leading to a certificate;
4. basic literacy and academic upgrading programs (e.g., Adult Basic Education);
5. career enhancement and personal development programs;
6. courses conducted in formal institutional settings, and courses delivered in communities to meet local needs;
7. various skills training programs funded by Service Canada;
8. applied research and technology transfer;
9. courses conducted in partnership with other institutions such as Memorial University of Newfoundland, the Marine Institute of Memorial University of Newfoundland, community agencies, and the private sector; and,
10. the Office of Distributed Learning (DL) provides web-based online access to College credit courses as well as certificate and diploma programs.
11. special interest, hobby and craft courses on evening, part-time, or workshop basis.

### 1.3 Memorial University of Newfoundland

Memorial University is the province's only university. It comprises the **St. John's Campus** and the **Marine Institute of Memorial University of Newfoundland** located in St. John's; **Grenfell Campus** located in Corner Brook; a residential campus in **Harlow, England**, and the **Institute Frecker** on the island of St. Pierre. Founded in 1925, Memorial University College was established to honour Newfoundland soldiers who died in the First World War. The college became a full-fledged university 24 years later. Today, Memorial University is one of Canada's most prominent centres of research and learning, educating students at the undergraduate and graduate levels.

The university has **six faculties, seven schools, and one institute** offering degrees at various levels:

<u>Faculties:</u>	Arts Business Administration Education	Engineering and Applied Science Medicine Science
<u>Schools:</u>	Fine Arts (Grenfell Campus) Graduate Studies Music Nursing	Pharmacy Human Kinetics and Recreation Social Work
<u>Institute:</u>	Technology (Marine Institute of Memorial University of Newfoundland) Maritime Studies (Marine Institute of Memorial University of Newfoundland)	

**Memorial's Campuses:**

The **St. John's Campus** of Memorial University is the largest of the five campuses where students may pursue studies in six faculties - Arts, Science, Education, Medicine, Engineering and Applied Science and Business Administration - and six schools - Nursing, Pharmacy, Human Kinetics and Recreation, Social Work, Music and Graduate Studies.

The **Marine Institute of Memorial University of Newfoundland**, also located in St. John's, offers degree, diploma, certificate and other programs in the areas of fisheries and marine science and technology, including Canada's only degree program in maritime studies.

**Grenfell Campus**, located in Corner Brook, offers a variety of four-year degree programs in Arts (English, environmental studies, historical studies, humanities, psychology, social/cultural studies and tourism studies), Business, Education (primary/elementary as a second degree only), Fine Arts (theatre, visual arts), Nursing, Resource Management (sustainable resource management) and Science (environmental science {biology or chemistry}, computational mathematics, general science, physics, psychology).

Memorial's campus in **Harlow, England** hosts co-op students in Business and Engineering, and Education students during the professional year of their program. Specialized programs are also offered for students in nursing, the humanities and the social sciences.

Memorial also has study abroad programs in St. Pierre - Miquelon and Europe, and formal exchange programs with universities in Canada and abroad.

A variety of credit and non-credit courses are available from Memorial using distance techniques and technology. For information on Memorial's distance education courses, please contact Distance Education and Learning Technologies at (709) 864-8700 or 1-866-435-1396 (outside St. John's).

**Bachelor of Nursing (Collaborative) Program:**

The Bachelor of Nursing (Collaborative) program is offered at three locations: Memorial University of Newfoundland School of Nursing (St. John's), the Centre for Nursing Studies (St. John's) and Western Regional School of Nursing (Corner Brook). The Centre for Nursing Studies and the Western Regional School of Nursing offer other programs in addition to the Bachelor of Nursing (Collaborative) program.

For further information regarding the Bachelor of Nursing (Collaborative) program please contact the Nursing Consortium Office:

- E-mail: [nursingadmissions@mun.ca](mailto:nursingadmissions@mun.ca)
- Phone: (709) 864-6871

## **1.4 Apprenticeship Training**

Apprenticeship training involves on-the-job training under the supervision of a certified journey person, and periods of in-school training to learn the technical knowledge required to become competent in an occupation. The number and the length of on-the-job and in-school technical training periods vary depending upon the occupation. When training in an occupation through the apprenticeship system, the individual becomes an apprentice by having an Apprenticeship Memorandum of Understanding registered with the Apprenticeship and Trades Certification Division, Department of Advanced Education and Skills. For more information on apprenticeship training please contact the Apprenticeship and Trades Certification Division at (709) 729-2729 or 1-877-771-3737, or e-mail: [app@gov.nl.ca](mailto:app@gov.nl.ca).

## **1.5 Private Training Institutions**

A complete list of private training institutions can be obtained by contacting the Department of Advanced Education and Skills at (709) 729-3026, or on the Department of Advanced Education and Skills web site at <http://www.aes.gov.nl.ca/>.

***Section 2: Transfer of Credit Arrangements by Sending Institution***

## 2.1 Course-by-Course Transfer of Credit Arrangements between Public Post-Secondary Institutions

The transfer arrangements in **Section Two** apply to courses or programs taken during the 2013-2014 academic year (September 1, 2013 to August 31, 2014). Credit for courses taken previously is normally governed by the appropriate Transfer Guide for the year in which courses were taken. Students who have interrupted their studies or spread them out over a longer period of time should seek advice from the institution which the student wishes to enter to determine the current status of transfer arrangements. The tables in **Section Two** are to be read from sending to receiving institution *only*. Transfers are not necessarily two-way.

Sending Institution	Receiving Institution	
College of the North Atlantic	Marine Institute of Memorial University of Newfoundland	Memorial University (St. John's/Grenfell Campuses)
Statistics MA1670	Statistics 2107M, Statistics 2108M	Statistics 2500

Here's how this table is read, from sending to receiving:

☞ A student who has successfully completed Statistics MA1670 at College of the North Atlantic will receive credit for Statistics 2107M, Statistics 2108M at Marine Institute of Memorial University of Newfoundland or Statistics 2500 at Memorial University.

This does not necessarily mean that

☞ A student who has successfully completed Statistics 2107M, Statistics 2108M at Marine Institute of Memorial University of Newfoundland or Statistics 2500 at Memorial University will receive credit for Statistics MA1670 at College of the North Atlantic.

In order to determine if the reverse is true, go to **Section 2.1.3** where Marine Institute of Memorial University in Newfoundland is the sending institution and to **Section 2.1.4** where Memorial University is the sending institution, and look across to see if there is any corresponding credit transfer at College of the North Atlantic (the receiving institution).

*Note:* The courses listed in the following tables are not necessarily available at all university and college campuses. Please consult the appropriate institutional calendar for more information.

## 2.1.2 Comprehensive Arts and Science Transfer: College-University Credit Transfer Agreements

The Comprehensive Arts and Science transfer program (formerly known as the College-University Transfer Year) is a certificate program offered at the Burin, Carbonear, Grand Falls-Windsor, Happy Valley-Goose Bay and Labrador West campuses of College of the North Atlantic. The program has been developed through an agreement with Memorial University. It provides students with the opportunity to complete a suite of courses for which they will gain credit from College of the North Atlantic as well as from Memorial University. The following table provides a list of the college courses within the program that are transferable to Memorial University and constitute the equivalent of a first year of university studies. For more information on the program and its courses, please contact College of the North Atlantic at 1-888-982-2268.

**Note:** In areas of curriculum content and testing methodologies, these courses are identical to Memorial's

Sending Institution		Receiving Institution	
College of the North Atlantic	Prerequisite(s) for College Course	Memorial University (St. John's/Grenfell Campuses)	Marine Institute of Memorial University of Newfoundland

## 2.2 Credit Transfer Involving Other Agencies and Organizations

The following tables provide information on the exemption policies and/or credit transfer arrangements extended to provincial public post-secondary institutions by other agencies and organizations.

### 2.2.1 Apprenticeship and Trades Certification Division, Department of Advanced Education and Skills

The Department of Advanced Education and Skills through Apprenticeship and Trades Certification Division is responsible for the registration of apprentices in Newfoundland and Labrador. Course credits will be awarded to apprentices registered in a program offered at a recognized training institution. For more information on apprenticeship training, please contact Apprenticeship and Trades Certification Division at (709) 729-2729, or e-mail: app@gov.nl.ca.

65 percent	65 percent		Minimum Acceptable Grade	

To be eligible for transfer credits in BC1, you must obtain transfer credits in MS1, FN1, MA1, FA3 co-requisite and have a business diploma or business degree. If you have not received a transfer credit in all the above required courses prior to enrolment in the CGA program you must complete BC1 through CGA Newfoundland and Labrador.

\*TX1 transfer credit – must have been completed within the last 5 years with 65 percent or better

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

### 2.2.3 Certified Management Accountant (CMA) Pre-Professional Program - Exemption Policy

The table below provides an overview of courses in selected provincial public post-secondary institutions which receive exemption from the CMA Pre-Professional program. Upon successful completion of the CMA Pre-Professional program, students are qualified to take the CMA entrance examination which is offered nationally in June of each year. Successful completion of this examination enables students to become candidates in the CMA accreditation program. For further information on the CMA Accreditation program, please contact:

Mr. Mark Bradbury, CMA  
 Executive Director  
 Society of Management Accountants of Newfoundland and Labrador  
 Phone: (709) 726-3652 Fax: (709) 745-6216  
 E-mail: mbradbury@cma-nl.com

***Section 3: Program or Block Transfer***

### 3. Program or Block Transfer

For the most part, credit transfer involving public post-secondary institutions in this province occurs on a course-by-course basis. There are, however, program or block transfer arrangements also available to students (see following tables). For more information consult the appropriate institutional calendar or Registrar/Student Service Offices.

#### *Within the Province*

<b>Sending Institution</b>	<b>Program or Block</b>	<b>Receiving Institution</b>	<b>Program or Block (Credits)</b>
College of the North Atlantic	Adventure Tourism Program	Memorial University (Grenfell Campus)	Students who have graduated from the two-year Adventure Tourism program, or who are in their final semester of the program, can apply for entry with advanced standing into the Bachelor of Arts Degree with a Major in Environmental Studies Degree Program. (60 credit hours towards the 120 credit hours degree program).
College of the North Atlantic	Adventure Tourism Program	Memorial University (Grenfell Campus)	Students who have graduated from the two-year Adventure Tourism program, or who are in their final semester of the program, can apply for entry with advanced standing into the Bachelor of Arts Degree with a Major in Tourism Studies Degree Program. (54 credit hours towards the 120 credit hour degree program).
College of the North Atlantic	Bachelor of Business Administration (two-year program)	Memorial University (Grenfell Campus)	Students who have graduated with the two-year Bachelor of Business Administration Diploma (Accounting, Human Resources Management, Marketing or General) will be awarded a total of 60 credits hours towards the 120 credit hour BBA degree.
Memorial University	Bachelor of Science Degree	College of the North Atlantic	May be considered for advanced standing to the second year of Medical Laboratory program. Limited spaces are available due to severe space restrictions.

Sending Institution	Program or Block	Receiving Institution	Program or Block (Credits)
College of the North Atlantic	Business Administration Diploma	Memorial University (Grenfell Campus)	Students who have graduated from the two-year Business Administration (Accounting, Human Resource Management, Marketing or General) diploma program offered by the College of the North Atlantic and who are entering the Grenfell Campus Bachelor of Business Administration program will be given a total of 60 credit hours toward the 120 credit hour degree program.
College of the North Atlantic	Business Management Diploma (three-years)	Memorial University	May be considered for admission directly into the Bachelor of Business Administration. If admitted, will be required to complete a <u>minimum</u> of forty-five credit hours beyond those used towards the college diploma.
College of the North Atlantic	Community Recreation Leadership Diploma program (two-years)	Memorial University	May be admitted with advanced standing to the Bachelor of Recreation (Co-op) degree program.
College of the North Atlantic	Comprehensive Arts & Science College-University Transfer Year	Memorial University	One for one credit transfer equivalent to first year university.
College of the North Atlantic	Engineering Technology (three-year programs) accredited by the Canadian Technology Accreditation Board	Memorial University (Marine Institute of Memorial University of Newfoundland)	Admission to the Bachelor of Technology program (Subject to meeting the English language proficiency requirement).
College of the North Atlantic	Environmental Technology (three-years )	Memorial University	Bachelor of Technology program (subject to meeting the language proficiency requirement).

<b>Sending Institution</b>	<b>Program or Block</b>	<b>Receiving Institution</b>	<b>Program or Block (Credits)</b>
College of the North Atlantic	Environmental Technology (three-year program)	Memorial University (Grenfell Campus)	Environmental Science Degree program (45 credit hours towards the 120 credit-hour program). Students will enter the second year of either stream of the Environmental Science degree program.
College of the North Atlantic	Fish and Wildlife Technician	Memorial University (Grenfell Campus)	Graduates who enter the Bachelor of Resource Management (B.R.M.) program will receive 60 credit hours towards the 120 credit hours B.R.M degree.
College of the North Atlantic	Forest Resources Technician	Memorial University (Grenfell Campus)	Graduates who enter the Bachelor of Resource Management (B.R.M.) program will receive 60 credit hours towards the 120 credit hours B.R.M degree.
College of the North Atlantic	Health Sciences (three-year accredited diploma program) or a similar diploma taken from a recognized university/ college acceptable to the admissions committee.	Memorial University	Bachelor of Technology Program - entry into the thirty-nine credit hour program. (subject to meeting the language proficiency requirement.)
College of the North Atlantic	Hospitality Tourism Management Diploma Program (two-years )	Memorial University (Grenfell Campus)	Graduates of the two-year Hospitality Tourism Management program, or who are in their final semester of the program, can apply for entry with advanced standing into the Bachelor of Arts Degree with a Major in Tourism Studies Degree Program (45 credit hours towards the 120 credit-hour degree program; students will be required to complete an additional 75 credit hours).

***Outside the Province***

<b>Sending Institution</b>	<b>Program or Block</b>	<b>Receiving Institution</b>	<b>Block of Credit (Credits)</b>
College of the North Atlantic	Adventure Tourism – Outdoor Recreation Diploma (two-years)	Athabasca University	Bachelor of Professional Arts - Communication Studies Program (60 credits)
College of the North Atlantic	Adventure Tourism (two-years)	Laurentian University	Graduates who meet entrance requirements will be eligible to be admitted to year two of the four-year Outdoor Adventure Leadership specialty in the Bachelor of Physical and Health Education degree.
College of the North Atlantic	Adventure Tourism (two-years)	Thompson Rivers University	51 credits toward Bachelor of Tourism Management
College of the North Atlantic	Architectural Engineering Technology	Athabasca University	Bachelor of Science Post Diploma degree (60 credits)
College of the North Atlantic	Architectural Engineering Technology	Cape Breton University	Bachelor of Technology – Emergency Management (completion in 12 months) or Environmental Studies (completion in eight months)
College of the North Atlantic	Architectural Engineering Technology	Purdue University, Indianapolis	Transfer to a two-year program at Indiana University - Purdue University (IUPUI). Upon successful completion of the two-year program, students will receive a Bachelor of Science Degree in Construction Engineering Management Technology and a Master of Science degree in Technology. Both degrees are conferred by Purdue University, U.S.A.

<b>Sending Institution</b>	<b>Program or Block</b>	<b>Receiving Institution</b>	<b>Block of Credit (Credits)</b>
College of the North Atlantic	Business Administration (two-years) <ul style="list-style-type: none"> <li>• Accounting</li> <li>• General</li> <li>• Human Resource Management</li> <li>• Marketing</li> </ul>	Athabasca University	Bachelor of Management three-year PD (60 credits) Bachelor of Management four-year PD (60 credits) Bachelor of Management with Major four-year PD (60 credits) Bachelor of Commerce PD (60 credits) Bachelor of Commerce with Major PD (60 credits)

College of the North Atlantic	Electronics Engineering Technology (three-years) Computers/Information Technology (Co-op)	Athabasca University	Bachelor of Science - Computing and Information Systems Post diploma (45 credits)
College of the North Atlantic	Electronics Engineering Technology (any option)	Cape Breton University	Bachelor of Technology – Computer Systems Development (completion in eight months) or Emergency Management (completion in 12 months) or Manufacturing (completion in 12 months) or Petroleum (completion in 16 months)
College of the North Atlantic	Engineering Technology – Common First Year	Nova Scotia Agricultural College	Twelve credits toward study at the Nova Scotia Agricultural College
College of the North Atlantic	Engineering Technology programs (three-year program)	Lakehead University	May be admitted to a summer bridging program, and if successful will be promoted to year three of a related Engineering Degree program in Chemical, Civil, Electrical, or Mechanical Engineering.

<b>Sending Institution</b>	<b>Program or Block</b>	<b>Receiving Institution</b>	<b>Block of Credit (Credits)</b>
College of the North Atlantic	Environmental Technology Co-op Diploma (three-years)	Athabasca University	Bachelor of Science Post diploma program (60 credits)
College of the North Atlantic	Environmental Technology (three- years)	Cape Breton University	Bachelor of Technology – Emergency Management (completion in 12 months) or Environmental Health (completion in 16 months) or Environmental Studies (completion in 8 months) or Petroleum (completion in 16 months)
College of the North Atlantic	Environmental Technology Co-op Diploma (three-years)	Royal Roads University	Eligible for block transfer into the third year of Bachelor of Science Degree –Environmental Science or Environmental Management program (provided all other entrance criteria are met & space is available)
College of the North Atlantic	Environmental Technology Co-op. Northern Natural Resources Technician	Royal Roads University (RRU), Victoria, B.C.	Graduates of College of the North Atlantic’s Environmental Technology, Northern Natural Resources
College of the North Atlantic	Fish & Wildlife Technician (two-years)	Athabasca University	Bachelor of Science Post Diploma program (30 credits)
College of the North Atlantic	Fish & Wildlife Technician (two-years)	Royal Roads University	Graduates with at least two chemistry courses and one math course (linear algebra or calculus) will be eligible for block transfer into the third year of Bachelor of Science Degree –Environmental Science or Environmental Management program.
College of the North Atlantic	Forest Resources Technician (two-years)	Athabasca University	Bachelor of Science Post Diploma program (30 credits)
College of the North Atlantic	Forest Resources Technician (two-years)	Royal Roads University	Graduates with at least two chemistry courses, one cellular biology/biochemistry course, and one math course (linear algebra or calculus) will be eligible for block transfer into the third year of Bachelor of Science Degree – Environmental Science or Environmental Management program.

Sending Institution	Program or Block	Receiving Institution	Block of Credit (Credits)
College of the North Atlantic	Forest Resources Technician (two-years)	University of New Brunswick	<p>Graduates who meet admission requirements into FOREM's Bachelor of Science in Forestry (BScF) will be eligible for direct credit transfer provided grades attained in the listed transferrable courses are 70% or greater. <i>CNA Course - UNB Course = Credit Hours</i></p> <p>CM1400/EN2120 – ENR1001 = 3 ;            CM1401/CM1401/PR2660 – ENR1002 = 3;            BL1120 – BIOL1001/1006 = 5;            FR1300/1331/2360/ SU1150– FOR1001/FOR2432 = 8;            FR2350 – FOR4625 = 4;            SU1550/1700 – FOR3303 = 3;            MC1080 – FOR2973 = 2;            MA1670 – STAT2253 = 3;            SU3210 – FOR2281 = 2;            EY2110/2200/2201 – FOR3445 = 4;            GE1300/FR2340 – FOR2505 = 3;            FR1400 – FE2803 = 3;            FR1560/1561 – FE2703 = 3;            FR2120/HR2200 – ENR2004 = 3;            FT1401 – ENR1973 = 2;            FY2210/FY2211 – FOR2425 = 4;            FR2430/MN1800 – Unassigned FOR = 3;            HR2200/EN2110 - Unassigned FOR = 3</p> <p>(Total possible 61 credit hours)</p>
College of the North Atlantic	Forest Resources Technician (two-years)	Lakehead University	Eligible for admission consideration to second year of Honours Bachelor of Science in Forestry Degree
College of the North Atlantic	Geomatics Engineering Technology Co-op (three-years)	Athabasca University	Bachelor of Science Post Diploma program (60 credits)
College of the North Atlantic	Geomatics Engineering Technology Co-op (three-years)	Cape Breton University	Bachelor of Technology – Emergency Management (completion in 12 months) or Environmental Studies (completion in eight months) or Petroleum (completion in 16 months)
College of the North Atlantic	Graphic Design	Athabasca University	Bachelor of Professional Arts – Communication Studies Program (60 credits)

<b>Sending Institution</b>	<b>Program or Block</b>	<b>Receiving Institution</b>	<b>Block of Credit (Credits)</b>
College of the North Atlantic	Graphic Printing & Production Technology	Athabasca University	Bachelor of Professional Arts – Communication Studies Program (60 credits)
College of the North Atlantic	Hospitality Tourism Management program	Royal Roads University	With appropriate prerequisite qualifications, transfer into the Third Year of the Bachelor of Arts in International Hotel Management Degree. Entrance is on a competitive basis.
College of the North Atlantic	Industrial Engineering Technology Co-op (three-years)	Athabasca University	Bachelor of Science Post Diploma Degree (60 credits)
College of the North Atlantic	Industrial Engineering Technology Co-op (three-years)	Cape Breton University	Bachelor of Technology – Emergency Management (completion in 12 months) or Manufacturing (completion in 12 months) or Petroleum (completion in 16 months)
College of the North Atlantic	Journalism Diploma (two-years )	Athabasca University	Bachelor of Professional Arts – Communication program (60 credits)
College of the North Atlantic	Journalism Post Diploma (one-year )	Athabasca University	Bachelor of Professional Arts – Communication program (30 credits towards admission requirement of 60 credits)
College of the North Atlantic	Manufacturing Operations Technology (three-years)	Athabasca University	Bachelor of Science Post Diploma Degree (60 credits)
College of the North Atlantic	Manufacturing Operations Technology (three-years)	Cape Breton University	Bachelor of Technology – Emergency Management (completion in 12 months) or Petroleum (completion in 16 months)
College of the North Atlantic	Mechanical Engineering Technology (three-years)	Cape Breton University	Bachelor of Technology – Emergency Management (completion in 12 months) or Manufacturing (completion in 12 months) or Petroleum (completion in 16 months)
College of the North Atlantic	Mechanical Engineering Technology – Manufacturing (three-years)	Athabasca University	Bachelor of Science Post Diploma degree (60 credits)
College of the North Atlantic	Mechanical Engineering Technology Manufacturing (three-years)	Cape Breton University	Bachelor of Technology – Emergency Management (completion in 12 months) or Manufacturing (completion in 8 months) or Petroleum (completion in 16 months)
College of the North Atlantic	Medical Laboratory Sciences Diploma (three-years)	Athabasca University	Bachelor of Science - Human Science (Post Diploma) Program (60 credits)

<b>Sending Institution</b>	<b>Program or Block</b>	<b>Receiving Institution</b>	<b>Block of Credit (Credits)</b>
College of the North Atlantic	Medical and Laboratory Sciences Diploma (three-years)	Athabasca University	Bachelor of Health Administration Post Diploma Program (42 credits)
College of the North Atlantic	Medical Radiography Diploma (three-years)	Athabasca University	Bachelor of Science - Human Science (Post Diploma) Program (60 credits)
College of the North Atlantic	Medical Radiography Diploma (three-years)	Athabasca University	Bachelor of Health Administration Post Diploma Program (42 credits)
College of the North Atlantic	Multimedia Courseware (two-years )	Athabasca University	Bachelor of Professional Arts – Communication Studies program (60 credits)
College of the North Atlantic	Multimedia Internet Development (two-years)	Athabasca University	Bachelor of Science – Computing and Information Systems Post Diploma (42 credits)
College of the North Atlantic	Music Industry & Performance (two-years )	Athabasca University	Bachelor of Professional Arts – Communication Studies program (60 credits)
College of the North Atlantic	Natural Resources Technician Diploma	Royal Roads University	Graduates with at least two chemistry courses and one math course (linear algebra or calculus) will be eligible for block transfer into the third year of Bachelor of Science Degree –Environmental Science OR Environmental Management program.
College of the North Atlantic	Northern Natural Resources Technician Diploma (two-years )	Athabasca University	Bachelor of Science Post Diploma program (30 credits)
College of the North Atlantic	Northern Natural Resources Technician Diploma	Royal Roads University	Graduates with at least two chemistry courses and one math course (linear algebra or calculus) will be eligible for block transfer into the third year of Bachelor of Science Degree –Environmental Science or Environmental Management program.
College of the North Atlantic	Nutrition & Food Service Management (two-years)	Athabasca University	Bachelor of Professional Arts – Communication Studies Degree program (30 credits towards admission requirement of 60 credits)

College of the North Atlantic	Petroleum Engineering Technology (three-years)	Cape Breton University	Bachelor of Technology – Emergency Management (completion in 12 months) or Environmental Studies (completion in eight months) or Petroleum (completion in eight months)
College of the North Atlantic	Petroleum Engineering Technology (three-years )	Montana College	Bachelor of Technology Degree (65 credits)
College of the North Atlantic	Programmer Analyst - Business (two-years )	Athabasca University	Bachelor of Science - Computing and Information Systems (CIS) Post Diploma Program (45 credits)
College of the North Atlantic	Programmer Analyst - Business Coop (three-years )	Athabasca University	Bachelor of Science - Computing and Information Systems (CIS) Post Diploma Program (45 credits)
College of the North Atlantic	Programmer Analyst – Database Development (two-years )	Athabasca University	Bachelor of Science - Computing and Information Systems (CIS) Post Diploma Program (63 credits)
College of the North Atlantic	Programmer Analyst – Networking (two-years )	Athabasca University	Bachelor of Science - Computing and Information Systems (CIS) Post Diploma Program (45 credits)
College of the North Atlantic	Recording Arts Diploma (two-years)	Athabasca University	Bachelor of Professional Arts – Communication Studies program (60 credits)
College of the North Atlantic	Respiratory Therapy Diploma (three-years)	Athabasca University	Bachelor of Science - Human Science (Post Diploma) Program (60 credits)
College of the North Atlantic	Respiratory Therapy Diploma (three- years)	Athabasca University	Bachelor of Health Administration Post Diploma Program (42 credits)
College of the North Atlantic	Textile Studies (two-years)	Athabasca University	Bachelor of Professional Arts – Communication Studies Degree program (30 credits towards admission requirement of 60 credits)

<b>Sending Institution</b>	<b>Program or Block</b>	<b>Receiving Institution</b>	<b>Block of Credit (Credits)</b>
College of the North Atlantic	Tourism Studies Diploma (two-years)	Athabasca University	Bachelor of Professional Arts – Communication Studies program (60 credits)
College of the North Atlantic	Visual Arts Diploma (two-years)	Athabasca University	Bachelor of Professional Arts – Communication Studies program (60 credits)
College of the North Atlantic	Visual Arts Diploma (two-years)	Nova Scotia College of Art and Design	Bachelor of Fine Arts (up to two years of the four-year program)
College of the North Atlantic	Website Administration (two-years)	Athabasca University	Bachelor of Science - Computing and Information Systems (CIS) Post Diploma Program (45 credits)
College of the North Atlantic	Welding Engineering Technology (two-years)	Athabasca University	Bachelor of Science Post Diploma program (30 credits)
College of the North Atlantic	Any two-year Diploma program (with GPA of 3.0+)	University of New Brunswick	Bachelor of Applied Management (BAM) (year three of four)

***Section 4: Programs Linked to High School***

## 4.1 Advanced Placement (AP) Program

Advanced Placement (AP) is a program of college level courses and examinations for high school students. AP is administrated by the college entrance examination board, headquartered in New York City, New York with a Canadian office in Kelowna, British Columbia. Students who successfully complete examinations with a prescribed standing may, upon admission to a public post-secondary institution, be granted credit as outlined in the following table. For more information consult the appropriate institutional calendar or Registrar/Student Service Offices.

Sending Institution	Receiving Institution		
Advanced Placement Courses	Memorial University (St. John's/Grenfell Campuses)	College of the North Atlantic	Marine Institute of Memorial University of Newfoundland
Biology	Biology 1001 <b>AND</b> three unspecified credit hours with minimum standing of four	Principles of Biology I BL1170 <b>AND</b> Principles of Biology II BL1171 with AP standing of four or five	No credit recommended
Calculus AB	Mathematics 1000 with minimum standing of three	Mathematics MA1100 <b>OR</b> MA1700 <b>AND</b> Mathematics MA1101 (with AP standing of three or more)	Mathematics 1100 <b>AND</b> 1101 <b>AND</b> 1200 (with AP standing of three or more)
Calculus BC	Mathematics 1000 with minimum standing of three	Mathematics MA1101 <b>OR</b> MA1700 <b>AND</b> Mathematics MA 1101 (with AP standing of three or more)	Mathematics 1101 <b>AND</b> 1200 (with AP standing of three or more)
Chemistry	Chemistry 1050 <b>AND</b> 1051 <b>OR</b> 1200 <b>AND</b> 1001 with AP standing of five Chemistry 1010 <b>AND</b> 1011 <b>OR</b> 1200 with minimum standing of three	Chemistry CH1120 <b>AND</b> CH1121 with AP standing of three or four General Chemistry I CH1140 <b>AND</b> General Chemistry II CH1141 with AP standing of five Chemistry CH1130 <b>AND</b> Introductory Chemistry II CH1131 with AP standing of three or four	Chemistry 1100 <b>AND</b> Chemistry 1200 with an AP standing of three or four

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

Sending Institution	Receiving Institution		
Advanced Placement Courses	Memorial University (St. John's/Grenfell Campuses)	College of the North Atlantic	Marine Institute of Memorial University of Newfoundland
Computer Science A	Computer Science 1710 with minimum standing of three		No credit recommended
Computer Science AB	Computer Science 1710 <b>AND</b> 2710 with minimum standing of three		
Economics (Micro Economics)	Economics 2010 with minimum standing of three		
Economics (Macro Economics)	Economics 2020 with minimum standing of three		
English Language and Composition	No credit recommended	Writing Fundamentals CM1100	No credit recommended
English Literature and Composition	English 1080 <b>OR</b> 1000 with minimum standing of four	Critical Reading and Writing I CM1120 with AP standing of four or more	No credit recommended
Environmental Science	Environmental Science 1000 with minimum standing of three		No credit recommended
European History	History 2300 <b>AND</b> 2310 with minimum standing of three		No credit recommended
Fine Arts (Art History)	Visual Arts/History 2700 <b>AND</b> 2701 with minimum standing of three		No credit recommended
Fine Arts (Studio Art)	Visual Arts 1000 with minimum standing of three		No credit recommended.

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

Sending Institution	Receiving Institution		
Advanced Placement Courses	Memorial University (St. John's/Grenfell Campuses)	College of the North Atlantic	Marine Institute of Memorial University of Newfoundland
French Language	French 1500 with minimum standing of three French 1500 <b>AND</b> 1501 with minimum standing of four French 1501 <b>AND</b> 1502 with AP standing of five		No credit recommended
French Literature	French 2601 + three unspecified credit hours (second year level) with AP standing of five French 2601 with minimum standing of four		
German	German 1000, 1001 with AP standing of five. German 1000 with minimum standing of four		
Geography	Geography 1050 with minimum standing of three		No credit recommended
Music Theory	Music 1120 with minimum standing of four Music 1120 <b>AND</b> 1116 with AP standing of five		No credit Recommended
Physics B	Physics 1020 <b>AND</b> 1021 with minimum standing of three	Physics PH1101, PH1200, 1325 <b>AND</b> 1327	Physics 1100
Physics C	Physics 1050 with minimum standing of three		

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

Sending Institution	Receiving Institution		
Advanced Placement Courses	Memorial University (St. John's/Grenfell Campuses)	College of the North Atlantic	Marine Institute of Memorial University of Newfoundland
Political Science US Govt. and Politics  Comparative Govt and Politics	Political Science – three unspecified credit hours with minimum standing of four  Political Science – three unspecified credit hours with minimum standing of four		
Psychology	Psychology 1001 with minimum standing of four Note: With AP standing of five, a student may substitute a 2000 level non-restricted psychology course for Psychology 1000		No credit recommended
Statistics	Statistics 2500 with a minimum standing of three		
U.S. History	History 2600 <b>AND</b> 2610 with a minimum standing of three		No credit recommended
World History	History 2500 <b>AND</b> 2510 with a minimum standing of three		

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

## 4.2 International Baccalaureate (IB) Program

The International Baccalaureate program (IB) is administered by the International Baccalaureate Organization headquartered in Geneva, Switzerland, with regional offices worldwide. IB offers school programs at three levels: diploma - in the final two years of the secondary school (16-19 age group); middle years (students aged 11-16); and primary years (students aged three-12). In this province, Holy Heart of Mary High School offers the IB diploma program.

### POLICIES OF MEMORIAL UNIVERSITY DEPARTMENTS RESPECTING AWARDING OF CREDIT FOR THE INTERNATIONAL BACCALAUREATE PROGRAM

IB Subject	Memorial University (St. John's/Grenfell Campuses)	IB Standing Required
<b>Anthropology (Higher)</b>	Anthropology 1031	4
<b>Anthropology (Standard)</b>	Anthropology 1031	4
<b>Biology (Higher)</b>	Biology 1001 and 1002	5
<b>Biology (Higher)</b>	Biology 1001	4

<b>Visual Art (Higher)</b>	To be evaluated on an individual basis	4
<b>Visual Art (Standard)</b>	Visual Arts 1000	4

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

### 4.3 Adult Basic Education Program

In Newfoundland and Labrador, one of the avenues for achieving high school equivalency is completing the Adult Basic Education (ABE) program. The ABE program consists of three levels: Level I refers to basic literacy and numeracy skills; Level II provides transitional skills similar to grades 7-9; and Level III corresponds to grades 10-12 and requires the completion of a minimum of 36 credits in order to graduate. ABE is delivered using provincially-developed curriculum and is a predominantly self-paced, individualized, classroom – based - program. ABE is offered in a variety of formats including full-time, part-time and online (Level I only). The ABE program is delivered by community-based organizations and private training institutions. For a complete listing of sites offering the ABE program, go to the Department of Advanced Education and Skills web site at: <http://www.aes.gov.nl.ca/>

In particular, ABE Level III provides the opportunity for adults to complete a public high school education by transferring no more than six ABE credits back to an individual's high school transcript. To be eligible to transfer credits from the ABE program back to high school, students must be a **minimum of 19 years of age** (or 18 years of age and out of school one year) and **require six or fewer credits to graduate from the public high school system.**

Additionally, to be considered for a transfer of credits back into the high school system, an individual must have obtained a minimum of five Level III credits in the Newfoundland and Labrador high school system.

#### **Note: Special admissions to the ABE program do not override Section 4.3**

Within the high school program there are regulations which apply to awarding of credit. These regulations would also apply for transferring of credit back to the high school system.

For example:

- (I) Credit will **NOT** be awarded for a course the student already has the equivalent high school course completed (e.g., a student who already has credit for Consumer Studies 1202 on his/her transcript, cannot transfer back credit received for IE 3211 Consumer Studies).
- (II) Credit will **NOT** be awarded for conflicting courses (e.g., a high school student with credit for English 2201 cannot receive credit for English 2202, therefore a student with credit for English 2201 will not be eligible to transfer English 2102A/B/C from the ABE system back to high school).
- (III) Credits that are transferred back into the high school system are given a fifth digit "9" designation (09 3294) which indicates the course is a transfer credit. Transfer credits are not given a numerical score when transferred back and hence cannot be used to calculate academic/honours graduation status.

---

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

Regulations such as the above can be found in the High School Certification Handbook or as updates, both of which can be found online at: <http://www.gov.nl.ca/edu>.

To ensure each student is working on a program that will be eligible for transfer back into high school and secure high school graduation, a request for prior approval should be obtained from the Manager of Evaluation:

Phone: (709) 729-6261  
 Fax: (709) 729-0611  
 Email: [phonsewhiffen@gov.nl.ca](mailto:phonsewhiffen@gov.nl.ca)

Once all courses are complete, they must be entered into the online Adult Basic Education database and the Manager of Evaluation be notified. Please include the student's name and date of birth.

As courses that currently have equivalencies in the ABE system are de-listed from the high school curriculum, a transfer of credit from the ABE system to the high school system will no longer be possible. Listed below are the only courses that currently have a transfer equivalency from ABE to the high school system. When these are transferred, a student receives credit for the course but no mark. Below is a course equivalency matrix that is effective as of September 2009.

<b>ABE Course</b>	<b>High School Course Equivalent</b>
English 1101 A/B/C	English 1201
English 1102 A/B/C - General	English 1202
English 2101 A/B/C	English 2201
English 2102 A/B/C - General	English 2202
English 3101 A/B/C	English 3201
English 3102 A/B/C - General	English 3202
World Literature 3101A/3101B	World Literature 3207
IG 3221 Human Geography	World Geography 3200
Economics 3101 A/B	Consumer Studies 1202
History 3201/3202	Canadian Studies 1297
IG 3119 Canadian Law (one credit)	Canadian Law 2104
Biology 2101 A/B/C	Biology 2201

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

<b>ABE Course</b>	<b>High School Course Equivalent</b>
Biology 3101 A/B/C	Biology 3201
Chemistry 2102 A/B/C	Chemistry 2202
Chemistry 3102 A/B/C	Chemistry 3202
Physics 2104 A/B/C	Physics 2204
Physics 3104 A/B/C	Physics 3204
Any three of: Biology 1101 Chemistry 1102 Physics 1104 Earth Systems 1109	Science 1206
Science 2100 A/B/C	Science 2200 (Basic Life Science)
Any three of: Sc. 3101 Matter and Chemical Change Sc. 3102 Simple Machines and Energy Sc. 3103 Electricity Sc. 3104 Intro. to Oceanography Sc. 3105 From Life to Lifestyle Sc. 3106 Disease Def. and Human Health	No Direct Equivalency (Basic Physical Science)
Science 3107 Environmental Science I Science 3108 Environmental Science II	Environmental Science 3205
Healthy Living 3101/3102/3103	Healthy Living 1200
Math 1104 A/B/C	Math 1204
Math 2104 A/B/C	Math 2204
Math 3104 A/B/C	Math 3204
Math 2105 A/B/C - General	No Direct Equivalency
Math 3107 A/B/C - General*	No Direct Equivalency

\* Math 3107 **AND** 3109 awarded the same HS equivalency credit

These tables are to be read from sending to receiving institution *only*. See example in Section 2.1. Transfers are not necessarily two-way.

***Section 5: Explanation of Terms***

## 5. Explanation of Terms

<u>Terminology</u>	<u>Explanation</u>
<b>Advanced Standing:</b>	The amount of exemption from a unit or units of an educational program granted to a student on the basis of previous study, relevant work experience, or life skills.
<b>Apprentice:</b>	An individual working full-time in an apprenticeable trade and registered as an apprentice with the Government of Newfoundland and Labrador.
<b>Challenge for Credit:</b>	Credit for past experience or documented skills can be earned through completion of a challenge examination or a variety of possible types of evaluation.
<b>Course:</b>	<p><i>Memorial University of Newfoundland</i> including <i>Marine Institute of Memorial University of Newfoundland</i> defines a course as a unit of work in a particular subject normally extending through one semester (or session), the completion of which normally carries credit toward the fulfilment of the requirements of certain degrees, diplomas or certificates. A prerequisite course is a course which must be successfully completed prior to registration in the course for which it is required. A corequisite course is a course which must be taken concurrently with the course for which it is required. In the event that a student drops a course required as a corequisite, the student will be required to drop the course for which that corequisite is required. In particular cases, a department head may convert a prerequisite to a corequisite or waive it altogether.</p> <p><i>College of the North Atlantic</i> defines a course as a recognized body of instruction normally assigned a credit value of three or four with a minimum of two.</p>
<b>Credit:</b>	<p><i>College of the North Atlantic</i> defines a credit as the value assigned to a recognized body of instruction or content consisting of 1 hour of lecture/week/semester (i.e., a three hour lecture is equivalent to three credits).</p> <p><b>or</b></p> <p>A recognized laboratory experience as follows: two-four hours of lab/week/semester equivalent to one credit; five-seven hours of lab/week/semester equivalent to two credits; and eight-ten hours of lab/week/semester equivalent to three credits.</p> <p>A credit at the <i>Marine Institute of Memorial University of Newfoundland</i> is awarded for each course completed in which the student obtains at least the minimum passing grade.</p>
<b>Credit Hour:</b>	<i>Memorial University of Newfoundland</i> defines a credit hour as the measure used to reflect the relative weight of a given course towards fulfilment of appropriate degree, diploma, certificate, major, minor, or other program requirements. Normally, a course has a credit value of three credit hours. A weight of one credit hour normally means that the course meets for lectures one hour per week for the duration of the semester or two hours per week for the duration of a session. The number of hours of required instruction, outside of lecture time, such as laboratory instruction, tutorials, etc., may or may not impact on the number of credit hours assigned to a particular course, and academic units may recommend to the Senate a

greater or lesser whole number of credit hours for a particular course.

**Credit Transfer:**

The granting of credit by an institution (either in the same or different area of study as that of the original institution) to students on the basis of previous study undertaken in another institution.

**(I) Exemption:**

The waiving of completion of a body of instruction or unit of work by a receiving institution for satisfactory standing obtained in a similar body of instruction or unit of work at a sending institution.

**(II) Transfer of credit  
(Course grade is transferred):**

*College of the North Atlantic* - Course for course transfer whereby the grade previously attained is recorded and computed in grade-point average by the receiving institution.

**(III) Transfer of credit  
(Course grade is not transferred):**

*Memorial University of Newfoundland* including *Marine Institute of Memorial University of Newfoundland* – Course-for-course transfer but grade is not recorded by receiving institution.

**Prior Learning  
Assessment and  
Recognition:**

A process whereby previous learning is recognized and credited (the basic premise is that credit is not awarded for experience, but for the learning that has resulted from an experience).

**Program:**

*Memorial University of Newfoundland* defines a program as a series of courses, the completion of which, if other requirements are met, qualifies the candidate for a degree or diploma.

*College of the North Atlantic* and *Marine Institute of Memorial University of Newfoundland* define:

A *certificate* is a prescribed combination of courses that address occupational skills development, academic or general study, and self-interest or personal growth. These courses will normally be offered over a two semester period; be comprised of a minimum of 40 credits; and consist of a maximum of seven courses per semester.

A *vocational certificate* prepares graduates for employment as operating or service technicians in specific trade areas. Programs are normally nine-twelve months in length.

A *technical certificate* provides training in specific technical areas. Programs may be modular, full or part-time and of variable duration, but not less than one academic term or its equivalent.

A diploma is a prescribed combination of courses that address occupational skills development, academic or general study, and self interest or personal growth. Courses will normally be offered over a minimum of four semesters; be comprised of a minimum of 80 credits; and consist of a maximum of seven courses per semester.

An *advanced diploma* provides in-depth training in a specific technical area to graduates of at least a first degree or three-year technology diploma programs. These are normally one academic year in length, except that work terms or job

placement requirements may extend programs beyond this time.

A *diploma of technology* is designed to prepare graduates for employment as technologists. These programs are normally three academic years in length. However, some programs may extend beyond this time as a result of work term or job experience requirements. A *technician diploma* is designed to prepare graduates for employment as technicians. These programs are normally two years in length.

A *post diploma/post degree* is a program of study that requires completion of either a diploma or undergraduate degree prior to acceptance into the program.

**Receiving Institution:** Any post-secondary institution *to* which students are transferring.

**Semester:** *Memorial University of Newfoundland* defines a semester as a period of approximately 14 consecutive weeks during which the university is in regular session and in which period there are at least twelve teaching weeks as defined by Senate. Normally, the fall semester commences in early September; the winter semester in early January; and the spring semester in early May.

*College of the North Atlantic* and *Marine Institute of Memorial University of Newfoundland* define a semester as a 15-week period which includes class/learning time as well as administrative and evaluation time.

**Sending Institution:** Any post-secondary institution *from* which students are transferring.

**Session:** *Memorial University of Newfoundland* defines a session as a period of approximately seven consecutive weeks during which the university is in regular session in the spring semester and in which period there are at least six teaching weeks as defined by senate. The first half of the spring semester is designated as intersession; the second half of the spring semester will be designated as summer session.

*College of the North Atlantic* and *Marine Institute of Memorial University of Newfoundland* defines an intersession as an instructional period, of a minimum of five weeks duration.

---

***Section 6: Institutional and Transfer Policy***

## 6.1

Headquarters: Stephenville

Campus Locations:

Baie Verte	Happy Valley-Goose Bay
Bonavista	Labrador West
Burin	Placentia
Carbonear	Port aux Basques
Clarenville	Seal Cove
Corner Brook	Stephenville, Bay St. George campus
Gander	St. Anthony
Grand Falls-Windsor	St. John's – Prince Philips Drive, Ridge Road

### Applications

Applications from interested persons for entrance to any college course or program will be received by College of the North Atlantic at any time during the calendar year. Applications should be submitted to the campus offering the program. The college calendar is available at [www.cna.nl.ca](http://www.cna.nl.ca).

### Admission Requirements

*Certificate-level programs:*

A provincial high school graduation certificate or equivalent. Please consult with the college calendar for the requirements of individual programs.

*Diploma-level programs:*

A provincial high school graduation certificate or equivalent including program specific requirements in English, math and/or science. Please consult with the college calendar for the requirements of individual programs.

*Mature Students:*

Applicants 19 years of age or older who do not meet the educational prerequisite may be considered on an individual basis under the mature student clause.

### Entrance Equivalencies

The following high school equivalency certificates will be considered for acceptance into any college program:

1. Basic Training for Skill Development
2. Adult Basic Education Level III certificate
3. General Educational Development Test

Persons holding those certificates will be accepted without further evaluation into vocational certificate programs. Persons holding those certificates and seeking entrance to diploma programs may be required to report for evaluation before acceptance is established, and upon being accepted those applicants may be required to complete additional courses before entering the diploma program of their choice.

#### Transfer Policy

A student may apply for credit for courses completed at another post-secondary institution, related work experience, and/or courses completed in other programs at the college. Applicants must submit an application accompanied by official transcripts and, if required, calendar descriptions of the courses claimed for credit/exemption.

Applications should be submitted to the Registrar's/Student Services Office at the campus offering the program.

Prior Learning Assessment in any of its forms may be implemented to ascertain credit earned in the student's program of studies.

#### Selection of Students

Upon meeting admission requirements selection is based on a first-come, first-served policy.

## 6.2

**Campus Location:**

Main Campus - Ridge Road (St. John's)  
Offshore Safety and Survival Centre (Foxtrap)  
South Side (St. John's)

The Marine Institute of Memorial University of Newfoundland calendar is available at [www.mi.mun.ca](http://www.mi.mun.ca)

**Admission Requirements***Degree Programs:*

All candidates for the Bachelor of Maritime Studies or Bachelor of Technology programs must meet the general admission requirements of the university.

Candidates who are graduates of nationally accredited technology diploma programs (Canadian Technology Accreditation Board or Canadian Medical Association) must provide a college/institute transcript and confirmation of graduation.

Candidates wishing to take university courses concurrently with college diploma courses prior to college/institute graduation must also meet the admission requirements of the Marine Institute of Memorial University of Newfoundland.

All applicants must submit to the university's Admissions Office:

- an application for admission to the university;
- an application for admission to the Bachelor of Maritime Studies or Bachelor of Technology (available on-line at [www.mi.mun.ca/bms/](http://www.mi.mun.ca/bms/) or [www.mi.mun.ca/btech/](http://www.mi.mun.ca/btech/));
- transcripts from colleges(s) attended and proof of diploma; and
- an application fee

*Non-degree Programs:*

The admission requirements are listed separately for four categories of programs:

*Advanced Diploma Programs:*

Candidates for advanced diploma programs must have attained a three-year diploma from a recognized college or institute or a degree from a recognized university or polytechnical institute. The candidate's work experience may also be considered. Candidates may be required to attend an interview.

Mature students will be assessed on an individual basis.

*Diploma of Technology and Technician Diploma Programs:*

Candidates seeking admission must show documentary proof of one of the following:

1. Applicants shall have completed graduation requirements for high school as set down by the Department of Education and obtained credits in each of the following, with a minimum combined average of 60 percent in Level III mathematics, English, and science:

Mathematics: four math credits two of which must be either Math 2204 or Math 2205; and two credits from either 3204\* or 3205.

\* a minimum of 60 percent must be achieved in this subject.

English: English 3201.

Science: four credits two of which must be from either Biology 3201, or Chemistry 3202, or Physics 3204, or Earth Systems 3209.

2. A Grade XI public examinations matriculation certificate with an average of 60 percent.

3. A certificate of attainment in one of the following:

- i) B.T.S.D. - technical option;
- ii) Adult Basic Education Level III certificate (specific courses may be required).

These are minimum requirements. Students who exceed these requirements will be better prepared to succeed at the Marine Institute. All admissions are subject to the approval of the admissions committee.

*Vocational Certificate Programs:*

Applicants must submit proof of senior high school graduation or a certificate of attainment in one of the following:

- i) B.T.S.D. or,
- ii) Adult Basic Education (Level III).

*Continuing Education Programs:*

The Marine Institute offers a wide variety of programs designed to meet the needs of industry. Admission requirements for programs in this category vary greatly and all applicants should refer to the Marine Institute calendar for further explanation.

### Mature Students

Applications will be considered from mature individuals (i.e., persons 21 years of age within one month of the start of the program) who have gained technical or practical expertise, or a combination of both, in the intended field of study. Applications should be submitted with a résumé listing all associated experience, together with letters of recommendation from employers or other individuals who can substantiate the applicant's qualifications. Applicants must submit official academic transcripts and a birth certificate or other proof of age. Applications from mature students who do not meet the Marine Institute of Memorial University of Newfoundland's minimum entrance requirements for the program applied for will be evaluated on an individual basis to determine that the applicant holds appropriate qualifications to succeed in the program and courses in question. Applications will be evaluated by the admission's committee on an individual basis.

### Transfer Policy

Students may be awarded credit for courses completed at other institutions. Credit applications must be submitted to the registrar along with a certified copy of the student's transcript containing the grades for related courses. Students may also be required to submit course descriptions.

### Challenge Examination

A challenge examination may be written by a student who wishes to seek credit in a course by a procedure other than normal class instruction. To be eligible to write a challenge examination the student must have obtained previous education or work experience which he/she can demonstrate, to the satisfaction of the school, has given him/her knowledge required to achieve a passing grade in a particular course. Students will be required to show documented proof of having received the experience. The school shall evaluate each student's application and determine which courses may be challenged, subject to certain regulations.

### Residency Requirements

In order to receive a Marine Institute diploma or certificate, students must have obtained a minimum of 50 percent of the credits for their program at the Marine Institute of Memorial University of Newfoundland.

### Contact Information:

Office of the Registrar  
Marine Institute of Memorial University of Newfoundland  
P.O. Box 4920, St. John's, NL, A1C 5R3  
Phone: (709) 778-0380  
Fax: (709) 778-0322  
E-mail: admissions@mi.mun.ca

The Marine Institute of Memorial University of Newfoundland reserves the right to refuse admission to any applicant.

## 6.3

# Memorial

University of Newfoundland

## Admission/Re-admission Information

The deadlines for the submission of applications for general admission are:

Mar. 1 (for the fall semester)

Oct. 1 (for the winter semester)

Feb. 1 (for the spring semester, intersession and summers sessions)

**Note:** Other deadlines may apply for some faculty or school programs. Please consult the appropriate faculty or school regulations in the current university calendar for further details.

Applications received later or post-marked later than the stated deadline dates will be processed as time and resources permit. Applicants may apply for admission, request an information package, or browse for information regarding their program of interest at [www.mun.ca](http://www.mun.ca).

Each application must be accompanied by a \$50 application processing fee. An additional application processing fee of \$50 is required from non-Canadian applicants or applicants transferring from post-secondary institutions outside of Newfoundland and Labrador. Neither fee is refundable nor will it be credited to the applicant's financial account under any circumstances. Information regarding other fees and charges is specified under the fees and charges section in the university calendar.

Applicants who have previously attended Memorial University of Newfoundland and have not registered for courses for the past three consecutive semesters (fall, winter, spring) are required to submit a new application for admission/re-admission, together with the appropriate application processing fee. Applicants seeking admission to a particular faculty or school may be required to submit a supplemental faculty or school application in addition to the application for admission/re-admission, and should refer to appropriate faculty or school regulations in the university calendar for procedures, deadlines, admission requirements and further information.

The admission criteria required of each category of applicant is specified under categories of applicants, admission criteria, and required documentation.

Admission to some courses, programs and/or the university may be limited by the university when it deems the facilities and resources available are not adequate to provide for additional students. Consequently, possession of the minimum requirements does not guarantee that an applicant will be granted admission to a course, a program and/or the university.

The university may set its own matriculation examinations either in separate subjects or in all those required for matriculations, and may refuse admission to any applicant failing to attain a satisfactory standard in these examinations.

The university reserves the right to refuse admission to any applicant.

Applicants may be required to provide medical evidence of their fitness to pursue university studies.

### **English Language Proficiency Requirements**

Because English is the primary language of instruction at this university, all applicants seeking admission to Memorial University of Newfoundland must possess an adequate knowledge of written and spoken English as a prerequisite to admission. Regardless of country or origin or of citizenship status, applicants will be required to provide proof of proficiency in the English language. For more information, please consult the university calendar.

### **Categories of Applicants, Admission Criteria, and Other Information**

The categories of applicants applying for admission/re-admission as well as the admission criteria and other related information are provided in the University Calendar available at [www.mun.ca](http://www.mun.ca). Before an admissions decision can be reached all required documents must be received. All documents must be official and be forwarded directly to the Admissions Office, Office of the Registrar, from the appropriate institution(s) or source(s). Photocopied documents are not acceptable unless duly certified.

### **English Language and Mathematics Placement Tests**

In addition to the following, more detailed information regarding the English language and mathematics placement tests is available from the Department of English Language and Literature and the Department of Mathematics and Statistics respectively.

#### **English Language Placement Test**

With the exception of applicants who demonstrate English language proficiency under the regulations, English language proficiency requirements (English language secondary institution and English language post-secondary institution), all other applicants will be required to write a placement test in English language. This test must be taken prior to the commencement of classes to determine the appropriate English course for which an applicant should register. For further information concerning English language proficiency requirements refer to English language proficiency requirements in the university calendar.

A student whose performance in the placement test in English language indicates that appropriate placement is in English 102F will be required to register and successfully complete English 102F before registering in higher level courses in English.

### **Mathematics Placement Test**

Applicants intending to register for the first time in any 1000 level mathematics course must submit a score for either an advanced placement calculus examination or other standardized tests acceptable to the Department of Mathematics and Statistics.

Students whose score in the advanced placement calculus examination or other standardized test is not acceptable to the Department of Mathematics and Statistics will be required to register in a mathematics course determined by the Department of Mathematics and Statistics.

### **Transfer Credit**

Applicants wishing to be considered for advanced standing or transfer credit must submit, in addition to the application for admission/re-admission, an application for transfer credit evaluation which can be obtained from the Office of the Registrar.

Official transcript(s) and calendar descriptions and/or outlines of courses claimed for credit are also required and should be sent directly to Memorial from the institution attended.

To allow sufficient time for evaluation, these documents should be received at least two months prior to the commencement of the semester to which the applicant is seeking admission. It is the student's responsibility to provide the pertinent documents, and until they are received, the Office of the Registrar is unable to commence an evaluation or to advise students of their standing at this university.

When transfer credit is awarded for work completed at another institution, only equivalent Memorial University course(s) and credit(s) are recorded on the Memorial University of Newfoundland transcript. Grades received from other institutions are not recorded nor included in averages.

Applicants who have not received the results of a transfer credit evaluation prior to the assigned registration time for the semester in which they propose to begin studies should contact the Admissions Office for further assistance.

### **Advanced Placement**

Memorial University of Newfoundland may recognize for transfer credit certain courses completed through the advanced placement program offered by the college board. Award of credit for advanced placement courses will be subject to the achievement of a minimum grade of three in each subject claimed for credit (in certain subjects a minimum grade of four may be required).

Award of credit for advanced placement courses will be subject to evaluation and recommendation by the appropriate university academic unit and university regulations.

The applicability of all transfer credits, whether specified or unspecified, is subject to appropriate program regulations.

Information regarding course equivalencies can be obtained from the Admissions Office, Office of the Registrar.

### **Advanced or Higher Levels**

The advanced level subjects of the General Certificate of Education will generally be accepted for credit to a maximum of 12 credit hours in each subject provided that a minimum grade of D in each subject claimed for credit has been obtained.

The higher level subjects of the Scottish Leaving Certificate will generally be accepted for credit at the first-year level.

Award of credit will be subject to evaluation and recommendation by the appropriate academic unit(s) and university regulations. The applicability of all transfer credits, whether specified or unspecified, is subject to appropriate program regulations. Information regarding course equivalencies can be obtained from the Admissions Office, Office of the Registrar.

### **International Baccalaureate Diploma**

Memorial will consider for transfer credit the higher level subjects and certain standard or subsidiary level subjects, provided that the subjects claimed for credit are recommended as equivalent to Memorial's courses by the relevant university academic unit(s), and the candidate has achieved a minimum grade of four in individual subjects claimed for credit. In certain subjects a minimum grade of five may be required.

The applicability of all transfer credits, whether specified or unspecified, is subject to appropriate program regulations. Information regarding course equivalencies can be obtained from the Admissions Office, Office of the Registrar.

### **Member Institutions of the Association of Universities and Colleges of Canada**

All university-level course work completed by transfer students during the first two years of university study taken at universities/colleges that are ordinary members of the Association of Universities and Colleges of Canada will be recognized for transfer credit. In the first instance, the evaluation of such course work for appropriate credit will be conducted by university academic units. In instances where appropriate credit cannot be granted by academic units or where no university academic unit exists at this university for the evaluation of particular transfer credits, the Office of the Registrar will award the appropriate unspecified credits in an unspecified discipline.

Applicants who have completed course work beyond the first two years of university study may be considered for further transfer credit subject to evaluation and recommendation by the appropriate academic unit(s) and university regulations.

The applicability of all transfer credits, whether specified, unspecified or in an unspecified discipline, is subject to appropriate program regulations.

Information regarding course equivalencies can be obtained from the Admissions Office, Office of the Registrar.

### **Other Universities, Colleges and Institutes**

Memorial may recognize for transfer credit certain courses offered by College of the North Atlantic, the Marine Institute of Memorial University of Newfoundland, and certain other community colleges, technical colleges, institutes and CEGEPs.

Award of credit will be subject to evaluation and recommendation by the appropriate academic unit(s) and university regulations.

The applicability of all transfer credits, whether specified or unspecified, is subject to appropriate program regulations.

Information regarding course equivalencies can be obtained from the Admissions Office, Office of the Registrar. See contact information below.

### **Challenge for Credit**

Memorial recognizes that some students may have achieved competence in certain subject areas through experience gained elsewhere. This experience, which may warrant consideration for academic credit at the undergraduate level, may consist of courses taken at non-university institutions or skills acquired from work or learning outside the university. It should be noted that challenge for credit is not offered for work terms or internships.

Since course challenge is not offered by all academic units nor for all courses within a unit, students are advised to consult with the appropriate academic unit to determine whether or not a particular course is offered for challenge.

Where challenge for credit is offered, it is available under the following conditions:

- Challenge for credit is available only to those students who have applied for admission or who are currently registered at the university.
- Applications to challenge for credit are available at the Office of the Registrar. Completed

applications must be submitted to the Office of the Registrar and must receive approval from the head of the academic unit offering the course(s). The academic unit may require documentary material from the student and/or an interview before making its decision whether or not to accept the challenge. The academic unit involved will be responsible for deciding the scheduling and appropriate method of evaluation, which may consist of a variety of possible modes of evaluation including written, practical and oral.

- A student who has applied for transfer credit evaluation may not apply to challenge for credit until the transfer credit evaluation has been completed.
- Memorial University will consider for credit courses that have been granted credit through a challenge for credit process by another recognized university or college. Award of credit will be subject to evaluation and recommendation by the appropriate academic unit(s) and university regulations.
- For the purpose of satisfying the regulations for residence requirements for a first degree and residence requirements for a second degree (under general academic regulations), a successful challenge for credit shall be considered the equivalent of a transfer credit and shall be recorded on the transcript as a pass. Challenge grades are not included in averages. For further information refer to residence requirements for a first degree and residence requirements for a second degree.
- The appropriate fee must be paid at the time of application. For further information refer to the fees and charges. If the application is accepted for consideration, the fee is not refundable nor is the student permitted to withdraw the challenge.
