CIRCULAR

To: All Non Multi Year Municipalities, Local Service Districts, Engineering Consultants, Regional Service Boards and Inuit Community Governments

Re: 2015/2016 Municipal Capital Works Program (MCW)

Date: October 16, 2014

I refer to a previous circular dated August 4, 2014, inviting applications for the 2015/2016 Municipal Capital Works Program.

As a result of some applicants experiencing issues using the online application system, **the deadline for the receipt of applications has been extended to October 31, 2014.**

Applicants should note that there will be no further extension and any applications received after October 31, 2014, will not be considered for funding under the 2015/2016 MCW program.
