

**CIRCULAR**

**To:** All Municipalities, Local Service Districts, Inuit Community Governments, MHAs  
**Re:** Application Status Update  
**Date:** August 21, 2023

---

The Call for applications for 2024-2025 Municipal Capital Works funding was issued on August 7, 2023. Since that time, we have had a number of towns inquiring on the status of applications submitted in the fall of 2022. The status of those applications is in MSIS, and we invite applicants to check the status through your MSIS accounts.

Application Status in MSIS will be either:

In Progress – Started by the applicant and not submitted for consideration  
Submitted – application is still under review  
Resubmit – pushed back to the applicant for additional information  
Reviewed – Decision has been made and applicant is notified  
Rejected – Reviewed and not selected for funding

I'd also like to remind you that the deadline to submit applications is **September 29, 2023**.

Should you need any assistance, please reach out to the regional office
