INFORMATION CIRCULAR

**To: All Municipalities, Local Service Districts, Engineering Consultants,
Regional Service Boards and Inuit Community Governments**

Re: New Building Canada Fund

Date: September 15, 2014

The Department of Municipal and Intergovernmental Affairs will soon be soliciting applications for the New Building Canada Fund. In anticipation of the official call for applications, listed below are links for Communities/Consultants to view information on the various program components of the New Building Canada Fund (NBCF) and the associated Business Case Guidelines/project eligibility criteria. The NBCF has very specific eligibility criteria and requires a business case to be prepared for certain programs. Please review these documents carefully before deciding on proposed projects.
