

COR/2020/03509

**CIRCULAR**

**To: All Municipalities, Local Service Districts, Engineering Consultants, Regional Service Boards and Inuit Community Governments, MHAs, MPs, Municipalities Newfoundland Labrador, Professional Municipal Administrators**

**RE: Regional Contacts**

**Date: September 29, 2020**

Recently, Government of Newfoundland and Labrador has moved the Municipal Infrastructure portfolio to the newly named Department of Transportation and Infrastructure (formerly Transportation and Works). Specifically, the following programs:

1. Municipal Capital Works (MCW)
2. Multi-Year Capital Works (MYCW)
3. Investing In Canada Infrastructure Plan (ICIP)
4. Small Communities Fund (SCF)
5. Clean Water Wastewater Fund (CWWF)
6. New Building Canada Fund (NRP)

Our regional engineering offices remain committed to the communities which we serve through these programs. This transition will have very little impact, if any, to our communities or programs. Should you have any questions please contact your regional engineering team.
