

COR/2022/13535

CIRCULAR

To: All Municipalities, Local Service Districts, Consultants, Inuit Community Governments, Professional Municipal Administrators of NL, Municipalities Newfoundland Labrador, Heavy Civil Association NL, Newfoundland and Labrador Construction Association

Re: Seasonal Asphalt Reminder 2022

Date: November 21, 2022

This Circular serves as a reminder to Municipal Infrastructure's (MI) funding recipients and their consultants that paving projects are to conform to the requirements of MI's Municipal Water, Sewer and Roads Master Construction Specifications, and Highway Design and Construction Division's (HDC) Highway Specifications Book.

Specifically, concerned parties are to ensure that environmental conditions and ambient temperatures are within the established ranges for placement of pavement, as outlined in MI's and HDC's specifications. Additionally, please obtain permission from Regional Engineer to pave outside of dates held in the contract specifications.

Should you have any questions specifically related to these specifications, feel free to reach out to your local regional office.
